NEW TRIAL FOR DREYFUS

Prisoner of Devil's Island Has a Chance For Liberty.

VICTORY FOR PREMIER BRISSON.

The Head of the French Cabinet Literally Wrung Consent For a Revision, Being Vigorously Opposed by MM. Sarrien, Viger and Marnejouls.

Paris, Sept. 27.—At a meeting of the cabinet yesterday, all the ministers being present, a decision was taken in favor of a revision of the trial of former Captain Dreyfus, and the documents in the case will be sent to the court of cassation.

The cabinet ordered the minister of justice, M. Sarrien, to lay before the court of cassation the petition of Mme. Dreyfus, wife of the prisoner of Devil's Island, for a revision of her husband's case. The court, therefore, will decide the legal question as to whether the first trial of Captain Dreyfus was vitiated by the forgery committed by the late Lieutenant Colonel Henry, who was a witness before the court martial, and who confessed to having forged a document in the case.

It is understood that M. Brisson literally wrung consent from the cabinet for a revision, after a remarkable display of eloquence and personal influ-

ence and the stormiest scenes. His strongest opponent was M. Sarrien, the minister of justice, who expressed a desire to resign and warned the other ministers that they were assuming a terrible responsibility. MM. Viger and Marnejouls, respectively minister of agriculture and minister of commerce, supported M. Sarrien.

M. Brisson fell into a violent passion and declared tearfully that the ministers ought to credit him with understanding all the difficulties and the best way of meeting them. Should they abandon him now by refusing a revision it would be to face dishonor. As a final argument he pointed out that it would be an extremely grave matter to force a cabinet crisis while the chamber was not in session. The dissenting ministers then reluctantly yielded. M. Marnejoul said: "It is not worth while to resign when it is known that we shall be overturned in a fortnight."

General Chanoine, minister of war, remained neutral.

President Faure hastily returned to Paris yesterday afternoon, but M. Brisson went to the Bois de Boulogne, probably to avoid presidential interference until the papers should have announced the decision in favor of a revision, M. Faure being still strongly against a revision.

The criminal chamber of the court of cassation, which will examine the dossier, consists of 15 judges and a president who happens to be a Jew.

Scented the Mahdi's Head.

London, Sept. 27.—The Daily Telegraph's Cairo correspondent says: It is reported that Major Macdonald has reached Lado, where was located the mahdi's tomb, and that the body was destroyed. An enthusiast, it is said, secured the mahdi's head, and is sending it to the Royal College of Surgeons in London. The correspondent adds that Major Marchand's position is absurd, and that the natives ignore him.

DeWitt's Witch Hazel Salve has the largest sale of any salve in the world. This fact and its merit has led dishonest people to attempt to counterfeit it. Look out for the man who attempts to deceive you when you call for DeWitt's Witch Hazle Salve, the great pile cure. C. H. Hagenbuch.

Mr. Bayard Gradually Sinking.

Dedham, Mass., Sept. 27.—Thomas F. Bayard sank gradually all day yesterday, and today his pulse is very weak, giving every indication that the end is only a matter of a few hours. He remains in a semi-conscious condition.

Truth wears well. People have learned that DeWitt's Little Early Risers are reliable little pills for regulating the bowels, curing constipation and sick headache. They don't gripe. C. H. Hagenbuch.

Dr. Miles' Nervine

Recommended With Pleasure.

"The Best Remedy in Existence."

RELIEF from the agonizing suffering caused by nervousness, sleeplessness and that miserable feeling of unrest, is so gratifying that there is no wonder it is a pleasure to recommend the remedy to the world. Dr. Miles' Restorative Remedies are scientific remedies, prepared from Dr. Miles' prescriptions each remedy for its own particular purpose, yet all so assimulated that two or more may be taken with benefit when indicated. Remedies so prepared under the supervision of so famous a physician as Dr. Miles may be safely recommended to one's friends with the assurance they will be benefited.

Mrs. Clinton Randall of Ellicottville N. Y., says of Dr. Miles' Nervine:

"I had suffered for two years from extreme nervousness and sleeplessness. With a very poor appetite and miserable general health, it was impossible to get a good night's rest and the days passed in weariness and unrest. My limbs and arms would twitch and jerk and I seemed to be loosing control of both body and mind. I tried a great many prescriptions and remedies without relief until I began taking Dr. Miles' Restorative Nervine. It made me another person entirely; my appetite is good, I sleep as soundly as any one, and I believe it the best remedy in existence. Its effect on the nervous system is marvelous and lasting. With pleasure I recommend Dr. Miles' Restorative Nervine for the good it has done me and I know it will do others."

DR. MILES' NERVINE is without question the best remedy for LaGrippe and its after effects.

LaGrippe affects the nerves direct. Dr. Miles' Nervine acts directly on the nerves. LaGrippe exhausts the vitality and destroys the the nerve tissue, deadening the senses and weakening the entire system. Dr. Miles' Nervine builds up and replenishes the nerve tissues, restores vitality, strengthens the system and imbues the mental faculties with new life, energy and vigor. LaGrippe, like a cold, attacks the weakest of the organs, for the reason that the nerves controlling that organ are weakened. Dr. Miles' Nervine strengthens the diseased and weakened organs.

Miss Cordelia Smith of Versailes, Ky., writes: "In 1890 I had several attacks of LaGrippe which left me prostrated with nervousness. The prostration was particularly severe and painful from the fact that I had suffered from a weak back and nervous attacks all my life. On the recommendation of our druggists, Messrs. E. D. Scrogin & Co., I used Dr. Miles' Nervine and it restored me to health, not only did I recover from LaGrippe, but from my life long troubles and I am now in better health than ever."

Dr. Miles' Remedies are sold by all druggists under a positive guarantee that the first bottle will benefit or the money will be refunded. Book on the Heart and Nerves sent free by the Dr. Miles Medical Co., Elkhart, Ind.

NEW YORK CONVENTIONS

Many Candidates Seeking the Democratic Nomination.

ROOSEVELT'S NOMINATION SURE.

Chauncey M. Depew Positive That His Candidate Has Almost a Clear Field For the Republican Nomination For Governor.

Syracuse, N. Y., Sept. 27.—Many of the 450 delegates to the Democratic state convention, which opens tomorrow, are here. Each candidate for a place upon the state ticket is well represented.

Among the first upon the ground was the Erie county delegation, and the first gubernatorial boom of Justice Robert C. Titus was among the earliest to be launched here. Mayor James McGuire's friends are naturally numerous and enthusiastic in his home town.

Judge Titus will not appear personally in the convention, but members of the Erie county delegation now here claim for him the solid delegation of the Eighth judicial district, representing 80 votes.

All of the Tammany delegation has not yet arrived, but there are a sufficient number here to keep the talk of Mayor Van Wyck's candidacy before the public. His chances, however, received a decided setback last night when members of the Erie county delegation announced that Mr. Croker had stated to them that the candidate for governor would not be named from territory south of Albany. Mr. Croker has stated from the beginning that Tammany Hall had not and would not have a candidate for a position on the state ticket.

The first gubernatorial candidate to arrive here was Congressman William Sulzer. The next to arrive was John B. Stanchfield, of Elmira, who reached here at 6 o'clock last night. A trainload of Stanchfield boomers arrived this morning.

Elliott Danforth has not arrived, but his friends are here in large force, and his lithographs are conspicuously displayed about the city.

Speculation as to the probable head of the ticket obscures all other candidates. No one dares to predict the nominee for governor. Much depends upon the vote of the Tammany Hall and Kings county representatives, and the impression prevails that the vote from the lower end of the state will be thrown to the country candidate who develops the most strength in the convention.

Friends of Mayor McGuire assert positively that he will not accept a second place on the ticket. Justice Titus also says that he will not accept a second place on the ticket.

The Chicago platform Democrats will hold their conference at the city hall tonight, and will make a determined effort to have the convention indorse absolutely the last national Democratic platform, and especially as it relates to the free coinage of silver. It is doubtful, however, if the state platform will come out unequivocally for that plank.

ROOSEVELT'S NOMINATION SURE

Depew Satisfied That His Candidate Has Almost a Clear Field.

Saratoga, N. Y., Sept. 27.—There is hardly an impartial observer here who does not believe that the ticket to be nominated by the Republican state convention today will be headed by Colonel Theodore Roosevelt for governor and Timothy L. Woodruff for lieutenant governor. Chauncey M. Depew, who is to name Roosevelt, is positive that his candidate has an almost clear field. It was pretty well decided late last night that Governor Black will not go into the convention. His friends are urging him to do so, but up to this time he has stoutly maintained that it would not be dignified.

The leaders of the party yesterday put the finishing touches on the platform, and that document is ready to be reported to the convention this afternoon. It will be one of the briefest platforms ever adopted by a Republican state convention, comprising not more than 1,000 words. The document will indorse the administration of Governor Black and review the proceedings of the last two sessions of the Republican legislature. Beyond that the platform will not deal with state issues, but will chiefly touch questions of a national scope, including an unqualified and vigorous indorsement of President McKinley's administration. One of the most important planks will declare in favor of the retention of the Philippine Islands, and against the return to Spain of any conquered lands. Another plank will recommend the passage of a currency bill which shall reorganize the government paper money on the basis of the gold standard. Among the state issues which will not be mentioned are the bill providing for biennial sessions of the legislature, which was passed last winter, but which must be passed again in order to become effective, and then be submitted to the people as a constitutional amendment, and the question of voting an extra appropriation of several millions to complete the canal improvements.

One Minute Cough Cure surprises people by its quick cures and children may take it in large quantities without the least danger. It has won for itself the best reputation of any preparation used to-day for colds, croup, tickling in the throat or obstinate coughs. C. H. Hagenbuch.

General Wheeler Leaves Camp Wikoff

New York, Sept. 27.—General Wheeler took his final departure from Camp Wikoff yesterday. Today the general will inspect the cadets at West Point, after which he will go to Washington. From that city he will start for Huntsville to assume command of the cavalry.

For broken surfaces, sores, insect bites, burns, skin diseases and especially piles there is one reliable remedy, DeWitt's Witch Hazel Salve. When you call for DeWitt's don't accept counterfeits or frauds. You will not be disappointed with DeWitt's Witch Hazel Salve. C. H. Hagenbuch.

Italy Favors the Czar's Proposal.

Rome, Sept. 27.—The government has sent to Russia a diplomatically worded acceptance of the czar's invitation to take part in an international peace conference. In its note of acceptance the government expresses sympathy with and admiration for the objects of the czar, but says it fears that difficulties will arise over the discussion of questions other than that of armament. The government suggests that the czar eliminate this possibility by formulating a definite program limiting the discussions to the central idea.

What Dr. A. E. Slater says.

BUFFALO, N. Y.—Gents:—From my personal knowledge, gained in observing the effect of your Shiloh's Cure in cases of advanced Consumption, I am prepared to say it is the most remarkable Remedy that has ever been brought to my attention. It has certainly saved many from Consumption. Sold by P. D. Kirlin, and a guarantee.

WHY CASIMIR-PERIER RESIGNED

The French President Forced Out Through the Dreyfus Affair.

London, Sept. 27.—The Daily News this morning commences the publication of a series of articles which it alleges explain the Dreyfus affair. Today's article concerns the resignation by M. Casimir-Perier of the French presidency, which it describes as a strange, sad story. The article says:

"The persons in the secret are the kaiser, Count Von Munster, M. Dupuy, M. Hanotaux, General Mercier, General Boisdeffre, Colonel Schwarzkoppen, Count Esterhazy and the late Henri Sandherr. Beside the French ministers, others had the dossier in their hands.

"In December, 1894, a detailed report of the Dreyfus affair which Count Von Munster sent by the usual courier to the kaiser was intercepted and photographed at the French frontier. Yet it reached the emperor without delay a few days later. This fact became known to the information bureau at Berlin, and Germany ordered Count Von Munster to demand his passports, for the offense was regarded as robbery and an offense to the emperor, on the principle of extra territoriality. When Count Von Munster made this demand at the Palace of the Elysee President Casimir-Perier was overwhelmed with the suddenness of the revelation, and was beside himself. In an extraordinary scene he gave his word of honor repudiating all connection with or knowledge of the affair, and solemnly promised to prevent a repetition of it.

"Count Von Munster was satisfied, and sent a second report of this interview. This document was similarly intercepted and photographed, the negative arriving at the French foreign office within 48 hours.

"Some days later, on Jan. 12, 1895, Count Von Munster called at the Palace of the Elysee and suddenly announced that Germany would mobilize her troops forthwith unless satisfaction was given for the new insult. A dramatic scene followed. Count Von Munster collapsed into a fauteuil, a prey to violent feelings, reproaching M. Casimir-Perier with having dishonored him in the eyes of the empire.

M. Casimir-Perier was crushed, and could not reply at first, but presently said: 'Tell your emperor I myself will give him satisfaction. I do not want to sacrifice the country. I will leave the presidency. I pray his majesty to be satisfied.'

"Two days later M. Casimir-Perier resigned."

The man who breaks in the wild vicious broncbos on the western plains must have superb physical endurance, nerves of steel, unconquerable vim, determination and persistency. The city or town bred man who has all his life humped his back over a desk, living an unhealthy, sedentary life and failed to take any care of his health, could not stay on the back of one of these vicious brutes for more than three jumps.

It takes a whole man to conquer a vicious animal. People may talk about intellectual superiority and refinement and good breeding but every man takes off his hat to physical strength and endurance. While the man who leads a sedentary life cannot hope, in this respect, to rival these sturdy men of the plains, they can be sound, vigorous, healthy men if they will. It is a matter of care of health while one has it, and the proper measures to restore it when it is lost. Most diseases begin with some trouble of the digestive organs or of the liver. Troubles of this nature starve the body, because they prevent it from receiving its proper supply of nourishment. Dr. Pierce's Golden Medical Discovery gives a man an appetite like a cow-boy's and the digestion of an ostrich. Its great work is upon the stomach, large intestine and liver. These are the organs that nourish a man's body. This medicine makes them strong, vigorous and healthy. It fills the blood with the nourishment that builds new, solid and healthy flesh, muscle and nerves.

"I am now enjoying magnificent health after having suffered for years with chronic catarrh," writes Ramon Sanchez, Esq., of Penasco Tres Co., New Mexico. "By the use of your Golden Medical Discovery I have recovered my health, and am now, physically a *sound man*, attending to my business and enjoying life."
