Disagreeable Itching Spread All Over His Body Sleep Disturbed -Hood's Sarsaparilla Drove Out the Poison and Cured.

"I have been poisoned every summer for years. Last summer the poison came out on me worse than ever before. I would frequently be awakened during the night by the ftching. I would scratch myself, but instead of being relieved the trouble spread to different parts of my body. I tried various remedies which people recommended to me, but none of them ever helped me. I made up my mind the poison could not be cured until my blood was pure and then I decided to take Hood's Sarasparilla. While taking the first bottle I felt relieved from the Stehling. I kept on taking the medicine and it has entirely cured me. I am now on my fourth bottle and I can sleep soundly at night." William Ras, 3128 Westmont Street, Philadelphia, Pa.

## Her Health Restored

HE misery of sleeplessness can only be realized by those who have experienced it. Nervousness, sleeplessness headaches, neuralgia and that miserable feeling of unrest, can surely be cured by Dr. Miles' Restorative Nervine. So certain is Dr. Miles of this fact that all druggists are authorized to refund price paid for the first hottle tried, providing it does not benefit. Mrs. Henry Bruns, wife of the well known blacksmith at Grand Junction, Iowa, says: 'I was troubled with sleeplessness, nervousness, headache and irrogular menstruation; suffering untold misery for years. I used various advertised remedies for female complaints besides being under the care of local physicians, without help. I noticed in Dr. Miles' advertisement the testimental of a lady cured of allments similar to mine, and I shall never cease to thank that lady. Her testimonial induced me to use Dr. Miles' Norvine and Norvo and Liver Pills, which restored me to health. I cannot say enough for Dr.Miles'Remedies."
