OUR COUNTRY: First, Last and Forever.

The present year is what the politicians term an off year. It will likely prove to be so.

AFTER the Van Wycks get their share of the political plums in New York state, there will be very little left for the rest of the people.

THE Democrats have hidden their free silver principles, and some of them say they really mean to be a good gold party if they only have time.

THE copper heads and political weather-cocks will start talking about army neglect and corruption November 9, sharp. Election day is November 8.

No doubt the army will be benefited by the investigations of the commission on the conduct of the war. The subject, however, has no relation to partisan gammon.

IT is but just to say that the Pottsville Chronicle is the only Democratic daily paper that is making any kind of effective campaign against the Republicans. Besides, the Chronicle has the readers to talk to.

HON. THOMAS B. REED'S congressional career has had enough excitement in it to satisfy the demands of the most ardent politician. He has been elected twelve times, by majorities ranging from 117 to 10,339.

SOME compliments the Queen Regent of Spain by calling her the Helen Gould of Spain. Christina has been kind to the returning sick soldiers, but the remembrance of the Weyler era places Miss Gould on a far higher level.

GOLD from Europe is flowing into the New York banks, but the banks do not want it. Like the treasury, they have a larger supply of gold than they need. So long as the Republicans stay in power there will be no dearth of the yellow metal.

HIS name was Finney. He was section boss and had been censured by the superintendent for making his reports too voluminous; so when he had another small accident to report, when the car was replaced on the track he sent in this masterpiece of brevity: "Off again, on again, gone again, Finney." Try as we will we cannot beat down the one fact of the greatest importance to Shenandoah merchants in fewer words, than that it pays to use the HERALD columns.

THE Philadelphia newspapers announce that Assistant Treasurer Finney had been advised by the Treasury department that a lot of counterfeit notes, mostly of small denominations, had been detected at that office. As Mr. Finney has not, so far, remembered many of his Schuylkill friends with offices, the least he could have done in a case like this was to have given them the first-try to look out for these counterfeits, but instead he gives the snap away to Philadelphia first. And we all feel so proud of Finney, too!

INTERESTING discussions and important results may be looked for from the Triennial Council of the Protestant Episcopal church, now in session at Washington. The most prominent leaders of the church in the country are present, and will participate in the discussions, the more prominent of which will be upon the establishment of an Appellate Court, Christian unity, Swedish orders, ecclesiastical relations, the translation of the prayer book and relations to the Lambeth Conference, which are more particularly interesting to the theologian and the members of the Episcopal church, and the subject of divorce, which will awaken general interest among all intelligent classes. This latter subject may indeed assume proportions far beyond any other which the Council will discuss, for it is one which presents the most serious aspect and with which the church must sooner or later grapple. The relations which the American church is to sustain toward the parent church of England will also be gone into thoroughly at this Council, while a mighty task confronts the delegates in the report of the joint Commission on the constitutions and canons of the church.

COUNCILMEN IN SESSION!

(Continued from First Page.)

The Court of Common Pleas a role to show cause why her name shall not be stricken from the tax books of Mr. J. Scudler for the years 1895 and 1896. Mrs. Mellet alleges that she never signed the bonds, or authorized any person to place her name on either of them. The rule is made returnable two weeks from next Monday. The case was referred to the law committee.

Complaint was made that there are nuisances existing in the borough building and one of them are damaging the adjoining property of Mr. Malone. The matter was referred to the construction committee.

Mr. Bell, of the Water Committee, reported that at nine o'clock last night the water in the reservoir at Brandonville was four feet and nine inches below the overflow. He also said it would cost \$100 to extend the water pipes to Klondike, and that the borough would derive revenue from twenty-nine families. It was decided that the extension be made, provided that the cost shall not exceed \$100.

The proposed agreement for the connection of the borough water main with that of the old water company was read substantially as follows:

"The Shenandoah Citizens Water and Gas Company agrees to furnish water (except for corporations) at the rate of \$1 per hour for and during such time as water may be drawn, provided that no charge shall be made for less than 24 hours and the company and borough shall have joint access and control of the mains and connections. All connections are to be made at the expense of the borough. It is mutually agreed that the agreement may be terminated upon three months notice in writing by either party. It is agreed that the water company is not under obligation or responsibility to furnish water to the borough when and in case they have not Nos. 5 and 6 tanks full of water, provided in case of fire the water company will furnish all water for necessary fire purposes. It is also agreed that the connection and valve connecting the two lines shall be safely secured from frost and weather, and a secure vault be erected over the valve."

Mr. James moved that the proper officers of Council be authorized to execute the agreement. The motion was carried, Messrs. Bell, Brennan, Engler, Harkins, Hand, Murphy and Lally voting against it. The water committee was given one week in which to make the connection.

There was a big batch of bills on the secretary's table and Council had but \$2.00 to meet them. Mr. James moved that orders be granted for all the bills and the finance committee be authorized to negotiate a temporary loan for the amount of money that may be required over the \$2,000. The motion was carried and Messrs. James, McGuire, Cockey, Maguire and Boehm asked to be recorded as voting against the motion. Messrs. Bell and Brennan asked to be recorded as voting in favor of it.

A bill for \$87.18 for work done on the proposed new storage reservoir at Brandonville was read.

Mr. James objected to the payment of the bill, on the ground that he wanted the advice of the Borough Solicitor, who had stated that the expense for the proposed reservoir could be defrayed only from current revenue.

Mr. Straughn said he objected to the bill until the Solicitor's written opinion could be secured. He said he believed the bill should be paid, and the men should receive their money, but it was a case in which Council should go by the advice of the Solicitor. If he says the bill is legal, they will be paid. Mr. Cockey said he fully agreed with the remarks of Mr. Straughn and would oppose payment at this time. It was decided that all bills in connection with the reservoir be referred to the Solicitor.

South, where the woman comes from, the habit is called "dipping snuff" and any one who has seen a woman who indulges in the filthy practice will agree with the Scranton man that he is entitled to a divorce. A Theatrical Treat. Among the new romantic plays of this season there is none that possesses more forcefully the elements of picturesque and true heart interest than "A Secret Warrant," the drama written by W. A. Tremayne for Robert B. Mantell, the splendid physiognomist and indomitable actor, he felt that this was a part to fit him. The public agree with him. Never has this remarkable actor had a character more picturesquely powerful than this, and never has he appeared in a play of such continuous and unflagging interest. It is a pleasure for us to announce that this popular American actor will appear at Kaler's grand opera house on Monday evening next. Advance sale of seats opened this morning. Special arrangements have been made for the accommodation of Shenandoah patrons of this popular theatre.

Millions Given Away. It is certainly gratifying to the public to know of one concern to the land who are not afraid to be generous to the needy and suffering. Hats and Bricks. Speaking of proverbs, a hat on the sidewalk is more likely to have a brick under it than the hat which the average man is wearing. - Detroit Journal.

A boon to travelers. Dr. Fowler's Extract of Wild Strawberry. Cures dysentery, diarrhoea, seasickness, nausea. Pleasant to take. Acts promptly.

Ground Flat. A young man from a country village when sightseeing in Edinburgh was greatly astonished on seeing "Mr. Smith, Taylor (ground flat)," inscribed on a door and after careful study of the plate exclaimed: "Great Scott! 'tis a death!" shortly he had been run over w/ a steam roller! - London Fun.

Foul-Smelling Catarrh.

Catarrh is one of the most obstinate diseases, and hence the most difficult to get rid of. There is but one way to cure it. The disease is in the blood, and not in the sprays, washes and inhalant mixtures in the world can have no permanent effect whatever upon it. Swift's Specific cures Catarrh permanently, for it is the only remedy which can reach the disease and force it from the blood.

Five Owingsburg anglers caught 30 pounds of bass on Wednesday near Kew Ringgold. The temperance societies throughout the county are making elaborate preparations for the celebration of the patron saint of temperance, which occurs on Monday, October 19. Lieut. Siviter has now opened a recruiting station at Harrisburg.

Pottsville papers complain of the slim attendance at the School Directors meeting in that town. They draw the line on that hogwash town. St. Clair's borough treasury is empty and a temporary loan has been made. Pottsville Council borrowed \$10,000 last week. Ex-Chief Charles H. Cohn, of the Allentown Fire Department, was elected president of the State Firemen's Association at Hazleton, Pa., on Monday.

A LIVING WITNESS. Mrs. Hoffman Describes How She Wrote to Mrs. Pinkham for Advice, and Is Now Well. DEAR MRS. PINKHAM:—Before using your Vegetable Compound I was a great sufferer. I have been sick for months, was troubled with severe pain in both sides of abdomen, sore feeling in lower part of bowels, also suffered with dizziness, headache, and could not sleep. I wrote you a letter describing my case and asking your advice. You replied telling me just what to do. I followed your directions, and cannot praise your medicine enough for what it has done for me. Many thanks to you for your advice. Lydia E. Pinkham's Vegetable Compound has cured me, and I will recommend it to my friends. —MRS. FLORENCE R. HOFFMAN, 512 Roland St., Canton, O. The condition described by Mrs. Hoffman will appeal to many women, yet lots of sick women struggle on with their daily tasks disregarding the urgent warnings until overtaken by actual collapse.

The present Mrs. Pinkham's experience in treating female ills is unparalleled, for years she worked side by side with Mrs. Lydia E. Pinkham, and for sometimes past has had sole charge of the correspondence department of her great business, treating by letter as many as a hundred thousand ailing women during a single year.

"THE SMALL PART LADY." Remarkable New Story by the Famous Author, George R. Sims.

This will be one of the many exclusive features of interest which will make the Philadelphia Sunday Press of October 9 a necessity to every household. Some of the other noteworthy exclusive features are as follows: A Pottsville man confesses to having set fire to many structures because he liked to see the flames burn and liked to fight the flames himself. Empress Frederick, the beautiful English girl who was too clever for Bismarck, will return to Berlin and make herself a political power.

Dark-st Africa is to be transformed. Full details will be given of the plans of Cecil Rhodes and others to traverse the mysterious continent with railroads on which Philadelphia locomotives will be used. Dr. James Wells has explored the tombs of the Pharaohs, and will contribute a remarkable chapter on the subject. You will make a mistake if you do not order next Sunday's Press early in the week.

Dr. Bell's Cough Syrup should be kept in every household. It is the best remedy for cough and cold, and is especially recommended for that gripey cough. Price 25 cts.

No Powder or Smoke. This is a season of soldier plays. The Spanish-American war has furnished plots for dozens of dramas which are now touring the country, to the accompaniment of cannon's roar and bugle's blast. Rather relying to the fact that Daniel Sully, in his new play "Uncle Bob" has given place to an echo of our greatest war, and instead of powder and smoke, introduces a member of the G. A. R. veterans on Decoration Day, returning from decorated graves of his old comrades. At this particular time Mr. Sully should be congratulated on his eloquent reminder to other actors that the boys of '61 are still with us and deserving of recognition and fond remembrance. Everybody should see him on Monday night at Ferguson's theatre, Oct. 10th, and help to swell the coffers of the A. O. U. treasury.

Cure that Cough with Shiloh's Cure. The best Cough Cure. Relieves Croup promptly. One million bottles sold last year. 40 doses for 25 cts. Held by P. D. Kirlin and a guarantee.
