OUR COUNTRY: First, Last and Forever.

The enrolled members of the Methodist Episcopal church in Canada is 280,537, one-fifth of the entire population of the Dominion.

With Crane in the saddle in New Jersey and Swallow winging his flight over Pennsylvania, the bird fanciers ought to consider themselves recognized at last, says the North American.

MIDDLE-OF-THE-ROAD Populists in Colorado have surprised the country by nominating Simon Guggenheime as their candidate for Governor. Guggenheime is usually on the sidewalk.

When the Protestant Episcopal convention concludes its labors in Washington it is to erect a "peace cross" on the Tennallytown Road, near the site of the proposed new Cathedral of Sts. Peter and Paul.

SENATOR KYLE, of Dakota, refutes the statement that he has deserted the free silver cause. It is well that he hasn't. They will need him to make up the ratio of fifty to one in the next Congress. If all signs fall not.

By a recent ruling of the department postmasters are to be permitted to go out upon the streets and talk politics. Schuykill county citizens who may object to being held up in this way will be glad to learn that there is nothing in the new ruling to prohibit them from carrying side arms or elm clubs.

We will publish to-morrow an interesting letter from Joseph W. Beauchamp, son of a former resident of this town, who tells how the volunteer artillerymen chased the Spaniards at Manila and gained fame and victory by their pluck. It will prove interesting reading to our thousands of readers. Mr. Beauchamp is promoted for his bravery.

At the head of the editorial page of a Seattle paper are the names of Bryan and Dewey as a presidential ticket for 1900. The St. Louis Democrat designates this as an American of splendid achievements for the second place and a shallow advocate of a bogus dollar for the first, touches the silliness of the ridiculous. It used to be Me and Jefferson and Me and Lincoln, and now the combination is Me and Dewey. But Dewey is alive and can excuse himself.

A LEADING editorial in an exchange bears the caption, "Wilhelm as an Insurgent." It has no reference, however, to our own Wilhelm, who has taken up the gauntlet thrown down by Congressman Brumm and challenged the latter to a public debate of the financial question. True, the friends of the Congressional candidate may possibly look upon Wilhelm as an insurgent leader, but unlike the German Emperor, our lawyer friend is not covetous. There are many prominent Republicans at the county seat and throughout the county who are anxious that Brumm should not show the white feather and refuse to accept the challenge, but when approached upon the subject the Minersville statesman displays a very bad temper. Evidently things are not going his way. Up to the time of going to press Wilhelm had not received a reply from his former Greenback co-laborer.

Receives Good Advice from Fellow Workmen
The Whole Story Told by His Wife—It May Help You.
"When my little boy was six years old he had an attack of the measles, and after recovering he was restless at night, had no appetite, and was cross and fretful. Later on, large blotches and sores broke out on his face and limbs. We were told they would heal in a few days; but these few days grew into months. One day my husband, who is a well-known salaried man, was advised by some of his fellow workmen to give the boy Hood's Sarsaparilla. We concluded to do so, and after he had taken the first bottle we noticed some improvement. We kept on giving him this medicine until he had taken three bottles, when he was completely cured, and he has been well ever since. Mrs. E. J. MURPHY, Bennett, Pa."

BOROUGH COUNCIL.

Contract Awarded for Cleaning Creek in the First Ward.

An adjourned meeting of the Borough Council was held last night with Councilmen Metzger, Brennan, Cackley, Engler, Harbins, James, Hand, Lally, Bell, Straughn and Murphy in attendance.
The first business taken up was the First ward creek matter and Mr. Bell reported his statement as made at the meeting on Tuesday evening, namely that the P. & R. C. & L. Co. was willing to assign one-third of the cost of the proposed improvements if the contract given out for \$1,300. Mr. Bell added that Mr. Buntz, of the Thomas Gas Company, could not give a definite answer in regard to the matter before Friday, but he had no doubt he would agree.

On motion of Mr. Straughn it was decided that the street committee, with the selector, have an agreement drawn up between the two coal companies and the borough, and that they be authorized to sign the same. It was also decided that the work be done under the supervision of Mr. Polard, the engineer for the P. & R. C. & L. Co., and that the work be done in accordance with the blue print and specifications already laid before the board for the contract.

Mr. James offered a motion, and it was adopted that Mr. Hand was not satisfactory as a referee, and the committee was authorized to agree on another engineer, provided the expense shall be borne in part by the selector. The committee was also authorized, in conjunction with the selector, to draw up a contract between P. J. Clary as the party of the first part, and the P. & R. C. & L. Co. as the party of the second part, the contractor to furnish a bond double the amount of the contract price.

Chairman Bell, of the water committee, suggested that two valves be placed on the creek at the junction of the old water company's main line and that of the borough's, as a precaution against accident. The suggestion was adopted.

Chairman Hand, of the Finance committee, stated the men who worked at the Brandonville proposition on the proposed new reservoir, were threatened to sue the borough if the work was not paid. He said these men were entitled to their money, and in this statement he was supported by Mr. Engler. At the last meeting of the question of the legality of these bills was referred to the selector for his opinion, and it was read by the secretary. The selector advised Council to pay the bills.

On a motion that the bill for labor performed on the work be paid was adopted. Chairman Metzger took exception to the fact he was not present at the payment because, in his judgment, the committee exceeded its authority in unnecessary haste in proceeding with the work under the circumstances.

Selector Buntz said that the Council was entitled to the labor done. Even allowing that the committee of Council exceeded its authority, that was no fault of the men who have performed the labor and are therefore entitled to their pay. Mr. Lally contended that the committee acted in accordance with a resolution of Council authorizing the work on the proposed dam to be proceeded with, that the resolution was not "ratified" through Council but was adopted in regular order and after much discussion.

A bill for lumber for the erection of a blacksmith shop and cement house, amounting to \$200, was presented and Mr. Bell moved that it be paid. This caused another heated discussion, and the motion was defeated. These buildings were to be erected at the proposed new reservoir at Brandonville.

On motion of Mr. Lally the bill for the erection of the dog pound, amounting to \$71.00, was paid with Mr. James recorded as voting in the negative.
A communication was read from the Trustees of the Shenandoah Lumber and Coal Company, in which they accepted the proposition of the borough. The firm erected the engine and boiler house at the pumping station, and the borough wished \$200 from the original contract because the contractor failed to place a distinct partition between the boiler and engine rooms, as the specifications called for. This work is estimated to cost \$50, and the borough offered the Trustees \$140.

It was decided that an order for \$140, less the cost paid at the borough office, be drawn in favor of the Trustees.
Secretary Cackley presented a bill for \$100 for extra services, but this was a special meeting Chairman Metzger would not entertain it.
Mr. Howard Delcher, representing the Standard Oil Company, made a request that the borough pay one-third the expense of the erection of a new bridge over the creek past the old house. The matter was laid over until the regular meeting of Council.

Things You Can Do Just as Well as a Learned Physician.

Often it is needless to consult a doctor. At such times you can treat yourself just as well as the most learned physician. When a man or woman is suffering from Kidney disease, the doctor asks: "Do you desire to urinate often, and are you compelled to get up frequently at night to make water? Do you have pains in the small of the back? Does your urine stain linen? Is there a scalding pain in passing water? If the answer is 'Yes' to any of these questions, your kidneys are diseased and they have set in. Ask yourself these questions, and answer them.

There is another thing you can do. Put some of your urine in a glass tumbler or bottle, and let it stand 24 hours. If there is a sediment or powder-like substance at the bottom, or a cloudy appearance, there is grave danger. Your kidneys are surely affected. Sufferers with any of the above symptoms ought to be glad to know that Dr. David Kennedy's Favorite Remedy will surely relieve and cure all such distressing troubles. No living physician can scribe a medicine for Kidney, bladder, Liver and Blood that equals Favorite Remedy—not one. Nearly all who drink beer or whiskey have diseased kidneys, but Favorite Remedy removes the bad effects, and it cures them away with the use of the bottle of medicine.

Helen Gould's Noble Work.

New York, Oct. 12.—A hundred and sixty soldiers from the Odium, which arrived Tuesday, were taken in charge by Miss Helen Gould's agent yesterday and comfortably housed in "Cuba Warth" on East Fifteenth street. The men are members of the First Kentucky, Fourth Ohio, Third Wisconsin, Twelfth Wisconsin and First United States volunteer engineer corps.

Interested People.

Advertising a patent medicine in the peculiar way in which the proprietor of Kemp's Balsam for Coughs and Colds does it, is indeed wonderful. He authorizes all druggists to give to those who call for it, a sample bottle free, that they may try it before purchasing. The large bottles are 25 and 60c. We certainly would advise a trial. It may have you from consumption.
