MORGAN'S BUSCHNER'S SKIRT BINDING. UNEQUALLED FOR DURABILITY.

Once and no other can take its place. It is not a cheap made article, it is made of specially selected wool, the "brush" edge threads being woven in with the heading—and sewed on as all others are—and it is guaranteed to outwear any other make on the market. It will not cost you more than 10 cents on a skirt more than other makes, and it will wear three times as long.

FOR SALE AT—DUSTO'S BARBER SHOP Ferguson House Block.

THE lessons of the late war are many. Not the least of them is that the American is invincible. Just as Uncle Sam is without a peer in the sombre theatre of war so The Mammoth Clothing House [L. Goldin, Prop.] is without a rival in the field of clothing. Here are a few of our "trade inducers": French Clay suits, \$5.85, can't be duplicated by any other house for less than \$8.50. We have a big stock of other goods at equally low prices. Our big business justifies us in reducing prices to meet the wants of the people. The greater our business grows, the lower our prices become. Besides this our expenses are very small. We don't pay high rents and we are not dependent altogether on the clothing business for our living. That is the reason we can undersell any other clothing house in the county. We don't need to multiply words. Everybody knows that Goldin carries the largest and finest stock of Men's, Boys' and Children's Overcoats. All we ask of the public is to call and look over our line of goods. Our garments are marked. We don't ask ten different prices for each piece. All are marked in plain figures, and we allow 10 per cent. off besides. Don't be afraid that you overpay for clothing in our store. If we don't sell 20 per cent. cheaper than any other house in Schuylkill county we give you ten days in which to return the goods, and will return your money. Remember the Big Store.
