SINGULAR STATEMENT.

From Mrs. Rank to Mrs. Pinkham.

The following letter to Mrs. Pinkham from Mrs. M. Rank, No. 3,354 East Susquehanna Ave., Philadelphia, Pa., is a remarkable statement of relief from utter discouragement. She says: "I never can find words with which to thank you for what Lydia E. Pinkham's Vegetable Compound has done for me."

"Some years ago I had womb trouble and doctored for a long time, not seeing any improvement. At times I would feel well enough, and other times was miserable. So it went on until last October, I felt something terrible creeping over me, I knew not what, but kept getting worse. I can hardly explain my feelings at that time. I was so depressed in spirits that I did not wish to live, although I had everything to live for. Had hysteria, was very nervous; could not sleep and was not safe to be left alone."

"Indeed, I thought I would lose my mind. No one knows what I endured. I continued this way until the last of February, when I saw in a paper a testimonial of a lady whose case was similar to mine, and who had been cured by Lydia E. Pinkham's Vegetable Compound. I determined to try it, and felt better after the first dose. I continued taking it, and to-day am a well woman, and can say from my heart, 'Thank God for such a medicine.'"

Mrs. Pinkham invites all suffering women to write her at Lynn, Mass., for advice. All such letters are seen and answered by women only.

A PLEA FOR LIBERIA.

The Negro Republic Seeks Shelter Beneath the Stars and Stripes.

Pittsburg, Oct. 17.—Yesterday afternoon Bishop Joseph Hartwell, of the Methodist Episcopal Church, whose bishopric is in Africa, and who is attending the meeting in this city of the Phi Gamma Delta fraternity, stated that he had been commissioned by the negro republic of Liberia to go to Washington and ask that the republic be admitted as the sheltering wing of the United States. Threatened invasions upon its territory by the Germans, French and English has prompted the government to seek the shadow of the Stars and Stripes.

"I am on my way to see Secretary Hay," said he, "as the special representative of the republic of Liberia, to secure a protectorate, either quasi or actual. What they want America to do is to say to the European powers in Africa, 'We have an interest in Liberia; this country belongs to us.' Whether an actual protectorate can be established or not, will depend upon the Liberian government is willing to go, assuming that the United States answers favorably."

When the Egyptian trip was abandoned elaborate arrangements were made by the conspirators to send confederates to Jerusalem to carry out the plot during the dedication of the German Church of Our Redeemer."

Eczema! The Only Cure.

Eczema is more than a skin disease, and no skin remedies can cure it. The doctors are unable to cure it, and their mineral mixtures are damaging to the most powerful constitution. The whole trouble is in the blood, and Swift's Specific is the only remedy which can reach such deep-seated blood diseases.

Eczema broke out on my daughter, and continued to spread until her head was entirely covered. She was treated by several good doctors, but grew worse, and the dreadful disease spread to her face. She was taken to two celebrated health springs, but received no benefit. Many good medicines were taken, but without result, until we decided to try S. S. S., and by the time the first bottle was finished, her head began to clear up. After taking one more bottle, she is nearly and her skin is healthy smooth. She is now sixteen years old, and has magnificent health. She is a sign of the wonderful power of S. S. S.

Don't expect local applications of soaps and ointments to cure Eczema. They reach only the surface, while the disease comes from within. Swift's Specific

is the only cure and will reach the most obstinate case. It is far ahead of all similar remedies, because it cures cases which are beyond their reach. S. S. S. is purely vegetable, and is the only blood remedy guaranteed to contain no potash, mercury or other poisonous ingredients. It is made free by Swift Specific Company, Atlanta, Georgia.
