is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP Co. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP Co. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other par-ties. The high standing of the CALI-FORMA FIG STRUP Co. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. Mr. Williams contended that the launching of four boats in 20 minutes was good work.

The coroner adjourned the inquest for a week, to secure the attendance of a nautical expert representing the board of trade.

After the adjournment Mr. Kelly complained that only members of the crew had been summoned to testify. The coroner replied that he would be very glad to hear the experiences of the passengers. In response Mr. Kelly, with others, protested inability to remain for an adjourned hearing a week later, of the testiny immediately. The coroner declared that this was out
