San Francisco, Oct. 20.—T. D. Riordan applied yesterday for a writ of haless corpus to procure the freedom of James Flood, the merchant who arrived from Kobe on the Dorie, and was arrested by United States Marshal Shine at the cabled request of United States Con-sul Lion, at Kobe. United States District Judge Hawley heard a statement of the case and then ordered the prisoner released. He decided that the arrest of Flood upon receipt of an order from Consul Lion at Kobe, Japan, was proper, but that in view of the fact that the consul had failed to reply to cable messages asking for further informa-tion Flood had been detained long enough. Flood threatens to return to Japan to bring suit for slander against his accusers.
