It is a woman's right, then, to adorn herself as becomingly as possible—to look beautiful.

Therefore, when choosing an outer garment—the principal garment in woman's dress at this season of the year—everything being equal, the one having the approved style is the one you should have.

It is plain then that they who want to be properly dressed, to have outer garments of the approved style, must "pin their faith" to a makes that can be relied upon for being absolutely right in that particular.

It has been our aim every year to excel in excellence of quality and our popular low prices are our best advertisement.

OFFERING THANKS.

Governor Hastings Names Thursday Next as a Special Day for Praise.

PENNSYLVANIA'S THANKSGIVING!

The People of the Commonwealth, in Accordance With the Sentiment of the Hour, Will Make Public Appreciation of the Services of the Volunteer Soldiers.

Harrisburg, Oct. 21.—Governor Hastings issued the following proclamation last night:

"The people of Pennsylvania, together with their fellow citizens throughout the land, have great cause at this time for rejoicing and thanksgiving. A foreign power, by the barbarous and inhuman treatment of its own subjects, had shocked the civilized world.

"The struggle which followed God's guiding hand was abundantly manifested. The people answered as one man to the country's call.

"Pennsylvania's surviving soldiers have returned to their homes, bringing renewed proofs of their devotion to the flag. Where opportunity came they won the laurels always coveted by the American soldier, and where opportunity came not their devotion and steadfastness was deserving of equal praise.

"The people of the Commonwealth, in accordance with the sentiment of the hour, desiring to make public manifestation of their appreciation of the services and sacrifices of those who so nobly sustained the nation's honor, will hold in the city of Pottsville, on the 26th and 27th days of October a peace jubilee, and it has been deemed meet and proper that one of the aforesaid days be set apart as a day of thanksgiving and prayer.

"Now, therefore, I, Daniel H. Hastings, Governor of the said Commonwealth, do set apart Thursday, the 27th day of October, as a special day of Thanksgiving and prayer to Almighty God."
