Nov. 24th,-Turkey supper under the auspices of the All Saints' church will be held in the church basement, corner Oak unid West streets.

London Papers Endeavoring to Subdue the Feeling Against France.

London, Oct. 21 .- The London mornng papers have cooled down to an exceedingly cautious and conservative tone in dealing with the Fashoda ques-tion, apparently realizing that the pub-

marked effort to avoid an offensive fone. The Times eave: "Sir Michael Hicks-Beach has gone some way to persuade our neighbors that we really mean what we say. The time has come when it is absolutely apply for registration, and on being re-necessary to dispet French dreams on fused, which he expects, will apply to time has come when it is absolutely show to remark the did of early to necessary to dispel French dreams on fused, which he expects, will apply to this subject, unless very dangerous the court for an order compelling the consequences are to result; but the election officers to earoll his name. It

The Dally News, which voices the general feeling, says: "The country is

boat Davis, which started on its official trial trip yesterday, was disabled by the bursting of a number of boller tubes. Eight of the crew were badly scalded, and three of them died soon after reaching here, while four others died late last night, making the death list seven. The dead are C. McNeely, P. Luithleo, H. Wood, B. Ryan, A. Johnson, A. Buehl and E. Morris. Luithleo was a coal passer and Woods was superintendent of the boller room. The others were firemen. The acci dent occurred in the Columbia river. about 20 miles above this city. The nature of the explosion has not been made known, and the examina-tion of her bollers will be required to determine exactly what part of the boilers burst. The best theory ob-tainable is that some of the tubes of the outward boller exploded, owing to

derangement of the automatic water gauge, which permitted the water to get too law. Excepting for the havon naturally wrought in the boiler room the boat is uninjured. GUARDING EMPEROR WILLIAM.

The Sultan Taking Excellent Care of

the German Monarch. Constantinople, Oct. 21.-Emperor William, usually accompanied by the empress, is engaged in a ocaseless round of sightseeing, though he adto be visited and his route is revealed only to those personally concerned and immediately beforehand. The strictest police precautions are carried

out to insure his safety. Yesterday he doclided to inspect the Imperial carpet factory at Heroka and was conveyed there in a train of eight carriages built for the occasion and uxuriously equipped. All the stations had been repaired and decorated. At Heroka is a klosk especially built for use of the empress, where their maten-

ties lunched, after which they returned to Constantinople by water. Emperor William and the sultan again exchanged telegraphic felicitations. Everywhere were great crowds, triumphal arches festooned with German and Turkish colors, and bands

playing the German anthem. Bucklen's Arnica Salve.

The best salve in the world for ents, bruises, sores, ulcers, salt rheam, fever sores, tetter, chapped hands, chilblains, corns, and all skin eruptions, and positively enres plies, or ao pay required. It is guaranteed to give perfect satisfaction or mony refunded. Price 25 cents per box. For sale by A. Wasley.

Sensational Report Discredited. Washington, Oct. 21.-The sensational Spanish report of a naval battle beeen Admiral Dewey's vessels and the insurgent mayy in the Philippines is received with absolute incredulity in both the navy and war departments, If there has been any recent action Admiral Dewey has failed to mention it, and neither General Otis nor United States Consul Wildman have regarded it as worthy of notice.
