PROGRAM FOR PEACE JUBILEE.

Special Rates and Special Trains by Philadelphia and Reading Railway.

The program as arranged by the Executive Committee for The Peace Jubilee at Philadelphia is proof of itself that the celebration will far surpass any demonstration of the kind ever attempted on this continent. It is as follows:

Tuesday, Oct. 23rd. Grand Naval Display on the Delaware reviewed by Hon. John D. Long, Secretary of the Navy. The latter ships, cruisers and gunboats will be under command of Commodore John W. Philip.

Wednesday, Oct. 24th. Imposing ceremonies, re-dedicating Independence Hall, restored to its Colonial condition, occasion by the Mayor of Philadelphia, and singing by a chorus of three thousand children. The great feature of the day will be the grand civic parade, with floats, etc., illustrating the progress of the nation in industry, art and science.

Thursday, Oct. 25th. (which will be proclaimed a day of thanksgiving) great parade of military and naval forces, commanded by Maj. Gen. Miles, and reviewed by President McKinley, with members of his cabinet, and also the governors of many of the eastern states. Among those participating will be officers and soldiers who fought in Cuba and Porto Rico, commanders, sailors and marines who have seen service in Cuban waters, the marines who landed at Guantanamo, and the crew of the Merrimack; there is expected to be at least 35,000 men in line.

The Races Postponed. The races at the Lyleville fair grounds, which were to be held this afternoon, have been postponed until tomorrow afternoon on account of the weather.

REVOLTING CHINESE EXECUTION

Little Children Played With the Heads of Decapitated Rebels. Vancouver, B. C., Oct. 21.—According to the latest advices by mail from China eight subordinate leaders of the Kwangsi rebellion have been beheaded at Wu Chow. They were carried in baskets through the principal streets as a warning spectacle, amidst the laughter and jeers of men, women and children. Ten thousand people witnessed the execution, and made it a gala day. Little children copied their parents, who joked at the dying rebels a second before the ax fell.

When all was over the children played among the headless, bleeding corpses, and made sport with the black, disfigured heads. Mandarins and headmen improvised a sort of May pole, and the heads of the rebels were placed on top in tiers, the children dancing around them. The governor advised the mandarins to make the behavior as festive as possible, so as to inspire disgust of the rebels in the hearts of the people. A banquet was afterwards spread.

Prevent Pneumonia

Prevention is always better than cure, even when cure is possible. But so many times pneumonia is not cured that prevention becomes the natural act of that instinct of self-preservation which is "the first law of nature." Pneumonia can be prevented and is often cured by the use of Ayer's Cherry Pectoral.

"Some years ago I had a severe cold and was threatened with pneumonia. I could neither eat nor sleep, and was in a wretched condition. I procured a bottle of Ayer's Cherry Pectoral and took it according to the directions, and at the end of fifteen days as well and sound as before the attack. I have recommended it in many cases of pneumonia since, and have never known it fail in effecting a cure."

JOHN HENRY, St. Joseph, La. "I was attacked with a cold that settled on my lungs, and defied the skill of my physicians so that they considered me incurable. At last I began to use Ayer's Cherry Pectoral and was entirely cured after having taken two bottles."

FRANCISCO A. SEVERIANO, Taunton, Mass.

Ayer's Cherry Pectoral

is put up in half-size bottles at half price—50 cents.

Reduced Rates to Philadelphia.

For the grand Peace Jubilee at Philadelphia, October 23 and 27, the Pennsylvania Railroad Company will sell excursion tickets from all ticket stations on its line to Philadelphia, at rate of single fare for the round trip (minimum rate, 50 cents). Tickets will be sold and good, going, October 24 to 27, and returning leaving Philadelphia to October 31, inclusive.

This jubilee will be one of the greatest events in the history of Philadelphia. The rededication of Independence Hall, recently restored; the unveiling of the Grant Equestrian Monument, Fairmount Park; a monster civic and industrial parade, and a grand military and naval pageant, led by General Miles and other distinguished heroes of the late war, will be prominent features. The President and his Cabinet will also be present.

For the accommodation of persons desiring to witness the evening ceremonies and return the same night, special late trains will be run from Philadelphia to the principal cities on each division each night.

AMERICAN CAPITAL IN CUBA.

Amable Iron Mines Secured by a Detroit Syndicate. Santiago de Cuba, Oct. 21.—An American syndicate, representing Detroit capital, has purchased a large tract of land at Manzanillo, where are several coal mines. An agent of the syndicate is now there. The Almada, the fashionable driving park at Santiago, which was formerly kept up by public subscription, is now in a bad state owing to the military encampments, the heavy teams that have driven over it and general lack of attention. Under the directions of the German consul, one of the park directors, it will be renovated. Twenty men from the street cleaning department have been assigned to assist temporarily at the work.
