Sound newspapers are saying that business made a quicker rally after the Spanish war than it did immediately after the war of secession. Certainly it did. The recent war had only about a sixteenth of the duration of that of a third of a century ago, and the destruction of property was in even a smaller ratio. More over, business was improving when the recent war began, and the improvement was checked in only a very slight degree. On the other hand, business was retrograding for a year or more before the war of secession started, and the disturbance which that conflict occasioned in the comparatively small and compara-the laying of the cornerstone of the tively poor country of that time was editice, which will be known as the much greater than any conflict could cause now. "DEAR MRS. PINKHAM :- I owe my life to your Vegetable Compound. The doctors said I had consumption and nothing could be done for me, menstruation had stopped and they said my blood was turning to water. I had several doctors. They all said I could not live. I began the use of Lydia E. Pinkham's Vegetable Compound, and it helped me right away: menses returned and I have gained in weight. I have better health than I have had for years. It is wonderful what your Compound has done for me."

"I Feel Like a New Person."

Mrs. GEO. LEACH,

1609 Belle St., Alton, Ill., writes: " Before I began to take your Vegetable Compound I was a great sufferer from womb trouble. Menses would appear two and three times in a month, causing me to be so weak I could not stand. I could neither sleep nor eat, and looked so badly my friends hardly knew me.

"I took doctor's medicine but did not derive much benefit from it. My druggist gave me one of your little books, and after reading it I decided to try Lydia E. Pinkham's Vegetable Compound. I feel like a new person. I would not give your Compound for all the doctors' medicine in the world. I can not praise it enough."

R. C. C. SHULTS, of Winterset, Iowa inventor and manufacturer of Shalts' Safety Whiffletree Coupling, writes of Dr. Miles' Heart Cure. "Two years ago an attack of LaGrippe left me with a weak heart. I had run down in flesh to mere skin and bone. I could not sleep lying down for smothering spells; frequent sharp derting pairs and pulpitation caused a con-stant fear of sudden death, nothing could induce me to remain away from home over night. My local physician prescribed Dr. Miles' Heart Cure and in a few days I was able to sleep well and the pains gradually lessened, and finally ceased. I reduced the the doses, having gained fifteen pounds, and am now feeling better in every way than I
