SCHOOL BOARD!

A Regular Monthly Session Held Last Night.

REQUEST FOR THE INSTITUTE!

A Resolution Adopted by the Board, Asking That the Session of 1899 be Held in This Town—The Night School Teachers Assigned.

A regular monthly meeting of the School Board was held last night with the following directors in attendance: Messrs. Coughlin, Hanna, Holvey, Malick, Baugh, Martin, Fritt, Connors, Breslin, Dove, Superintendent Cooper, Trust Officer Smith and Auditor Burke.

Superintendent Cooper presented the following report: "The second month of school closed with the following results: Monthly enrollment—Boys, 1398; girls, 1447; total, 2845. Average daily attendance—Boys, 1093; girls, 1291; total, 2384. Percentage of attendance—Boys, 96; girls, 94; total, 95. There were 1075 pupils in attendance at every session, 59 visits by citizens and 2 by Directors.

On Friday and Saturday of this week tickets of admission to the evening school will be issued. It is necessary for the Board to instruct the office in regard to the enforcement of the vaccination law.

Trust Officer Smith's report was as follows: "During the last school month I called on the parents of 156 absent pupils. The reason given for their absence, in most cases, was sickness. There were 15 cases of truancy during the month. These pupils I put back in school again. Some of the truant would only be absent half a day, and in no case was the pupil absent more than two days."

The following school committee reported the following assignments of teachers: Miss Mary Gibson, High school; Miss Gertrude Boyer, girls' school; Misses Glover and Royer, Lloyd street; Misses Llewellyn and Young, Main street; Misses Brogan and Wade, White street; Misses Cantlin and North, Union street; Miss Leichter, Coal street; Harry P. AN IMPORTANT RULING.

The Supreme Court Sustains the Lower Court in Miller-Hauck Case.

Pottsville, Nov. 3.—The Supreme Court has just handed down an opinion in the appeal of Benjamin Hauck, from the Orphans' Court of Schuylkill county, in which the ruling of the lower court is sustained.

The case has been in the hands of the Supreme Court since last February.

The case was heard by Judge Dunn, and E. D. Beddall, Esq., represented Benjamin Hauck, the appellant, while S. G. M. Hollister appeared for the estate of Elias Miller, deceased. Hauck sought to recover \$1,300, alleged to be due Henry Breisch for lumber.

Mr. Hollister contended that the "lumping account" as shown by the books were void of merit and barred by the statute of limitation, supposed to have been contracted in 1875.

The Supreme Court, in affirming the lower court, practically says that "lumping accounts" have no standing in law. The parties to the suit reside in Union township.

A DANGEROUS BERTH.

Electric Car Stopped in Time to Prevent a Death.

A Lakeside Electric Railway car narrowly missed crushing an intoxicated man who was lying close to the track near the North Mahanoe colliery last night. The car was in charge of Motorman Walters and Conductor Horrigan. The man was lying at a place where dirt banks help increase darkness with their shadows and Walters thought a dog had run from one of the banks and had stopped the car and called to the conductor for assistance to roll the log away, but upon reaching the spot found that the form was that of a man. They aroused him and he walked away, grumbling because he had been disturbed in his slumber.

L. J. Wilkinson's Cloaks and Dress Goods. To look beautiful is part of woman's mission. From the beginning every age every season has marked a higher development in the adornment of woman, by style in her garments.

It is a woman's right, then, to adorn herself as becomingly as possible—to look beautiful.

Therefore, when choosing an outer garment—the principal garment in woman's dress at this season of the year—everything being equal, the one having the approved style is the one you should have.

It is plain then that they who want to be properly dressed, to have outer garments of the approved style, must "pin their faith" to a make that can be relied upon for being absolutely right in that particular.

It has been our aim every year to excel in excellence of quality and our popular low prices are our best advertisement; our twenty years' experience in buying and selling places us in the front rank of local dealers and we cordially invite the ladies of this and adjoining counties to come and see if we can't do better than others. A store like ours can't afford to make a statement we can't prove. Come and see us for Ladies' Capes or Jackets and Children's Garments, Dress Goods, Carpets, etc.

MUTINOUS SOLDIERS!

A Colored Virginia Regiment Refuses to Obey Orders.

OBJECTIONS TO WHITE OFFICERS.

Regiments From Ohio and Michigan Called Upon to Subdue the Mutineers, When the Latter Promised to Obey Orders and Present Grievances.

Knoxville, Tenn., Nov. 3.—The camp of the Sixth Virginia (colored) regiment was yesterday the scene of a mutiny among the men of the command. Men in several companies refusing to obey commands or orders issued by the nine white officers who were recently assigned to the regiment by Governor Tyler, of Virginia. The officers were assigned to the various companies a few days ago, and there has existed during that time a feeling of discontent with some of the negroes, who preferred to be commanded by officers of their own race. The feeling has grown until it evidenced itself yesterday in a positive declaration against the white officers.

The regiment was called for drill at the usual hour and the white officers assumed command. To their surprise and indignation the negroes refused to execute the drills, and when pressed for an explanation it was announced that the presence of white officers was the cause. The officers were inclined to the opinion that it was a momentary complaint, and accordingly sent their companies out under colored lieutenants. At police formation the same open disregard for orders from the white officers was apparent, and it was then determined to report the matter to higher authorities.

Colonel Croxton, commanding the regiment, reported it to Colonel Kuert, division commander, who in turn visited the camp with Major General Bates, who arrived in the camp for the first time a few moments before the mutiny began. It was evident that serious trouble was in order if the riotous negroes were not quieted, and on that account Colonel Kuert at once ordered the Thirty-first Michigan and Sixth Ohio regiments to the scene. These regiments were under arms, but the Ohio boys were turned back before reaching the camp. Colonels Kuert and Croxton and also Major Johnson, a colored officer of the regiment, addressed the men. They explained that such action was in direct violation of the military laws and was punishable by death, and that a continuance of the same would bring the regiment into most unfortunate disfavor. They assured the men that a complaint, if such they rightfully had, should be forwarded to the governor of Virginia, and they were assured that such a complaint sent through the proper channels would receive attention from all officers concerned. Colonel Croxton stated very emphatically that this revolt would mean rigid enforcement of the discipline covering such cases, and said he demanded obedience and had the power to enforce the demand.

The Michigan regiment, which had appeared on the scene in double quick time, and which was armed for battle, was ordered back to its camp, and the negroes agreed to send their complaints in through the military channels and in the meantime to obey their white officers.

It is not believed here that the white officers will be removed, because it is a fact the negro officers who preceded them resigned on account of incompetency. The Virginia camp is quiet, and no further trouble is anticipated, at least for the present.

L. Goldin has the finest stock of men's clothing ever brought to Shenandoah.

Slender Suit Accepted by Mr. Wanamaker. Pittsburgh, Nov. 3.—Hon. John Wanamaker yesterday made three speeches in Beaver county, the home of Senator Quay. He spoke first in Allegheny. As he was stepping out of his carriage to enter the opera house, where the meeting was held, he was served by a county officer with a summons of trespass in slender returnable the first Monday of December. Thomas M. Robinson entered suit in this county against Mr. Wanamaker for slander. Robinson was state printer at Harrisburg, and Mr. Wanamaker recently criticized Robinson's management of the state printing office. Mr. Wanamaker also addressed large meetings at New Brighton and Beaver Falls.

THE MAN WITH THE HAMMER!

The man who wields the hammer with the most flourish and makes the most noise isn't always the one who drives the most nails. The blows of our hammer are accurate and regular. We are making a winning record every day in our GROCERY line.
