WEDNESDAY, NOVEMBER 9, 1898.

JUR COUNTRY : Pirst, Last and Forever.

It is now written plain Charles N. Brumin, of Minersville, Schuylkill county, Pa-

son of his defeat to heart. He pulled more happy homes and healthy women. I thank the rest of the ticket with him.

OUR exteemed but sometimes erratic contemporary, the Miners' Jourand, will please accept our most sincere consideration.

THE defeat of Schrinck should be a hint to Senator Quay to get lieutenants who pay a little more heed to the wishes of the voters,

PARE reports last night that Laueaster and Lebanon had given pluralities for Jenks sent cold shivers down the backs of enthusiastic Republicans:

THE Republicans of Schuylkill, ever loval to their country and their flag. stood nobly by President McKinley in refusing to return citizen Charles N. Brumm to Congress. They evidently knew their man-and their

### Result of the Battle.

One of the most remarkable campaigns in the history of Schuylkill county has closed, and at this writing the result is in doubt as to several of the candidates. The defeat of some of the camildates on the Republican ticket is to be deplored, and especially is this true as to the Judgeship.

Judge Koch received a large Democratic vote, and had he been sup- the two assemblymen. ported by a united party would have secured his election by a handsome majority. He suffered by the deals entered into by friends of at least one other candidate on the ticket.

The defeat of the Republican county ticket can be attributed to several causes. In the first place, the party was not properly organized to enter the contest. In the second place, the Congressional nominee was a load too heavy for the party to carry. "A fortress is no stronger than its weakest spot," and Mr. Brunna has certainly shown that the predictions made by the HERALD when he was nominated have been verified.

At that time we pointed out that the party managers had committed political suicide in forcing Mr. Brumm's nomination, and that he would carry the party to defeat. That prediction has been fully verified.

Mr. Brumm has made his last appearance as a factor in the polities of Schuylkill county.

The Republicans have won a glorious victory throughout this state and in New York. Col. Stone is elected by a handsome majority, and in the face of the remarkable contest made by the opposition and the Swallow side show it can be truthfully said that the Republican standard-bearer should be proud of the result.

The Republicans, too, are in complete control of the national legislative bodies. Both Congress and Senate will be under Republican control, and the administration of President McKinley will be upheld.

Viewing the contest in its broadest light, the Republicans have much to druggists refund the money if it falls to cure.

The Surgical Chair and its Tortures May be Avoided by Women Who Heed Mrs. Pinkham's Advice.
