AN OLD STORY NOW.

Another Experience With "The Little Conqueror" in Shenandoah.

Nothing in modern medicine has created the sensation that has followed the introduction of the "Little enemies to backache." In Shenandoah it has been just the same as in other towns, and the march of the "Little Conqueror" continues. Everywhere the confidence increases, as case after case of kidney disorder disappears as if by magic, and how people do rejoice and talk about it. You know it is so much easier to endorso the statement of some one you know than the statement of some one you know nothing about in a far away town. Well, home testimony is what we have here, and tis a dose, to cure the skeptic.

Mrs. M Tempest, of 132 East Coal street, says: "I used to have kidney disease years ago, but I got cured of it and there was no recurrence of it until about five months ago. I then had an attack of lumbago as I thought it was. My back was so lame and so sore, that I could not get off a chair without lifting myself up and I could not even turn in bed without sharp twinges catching me in ironing. I had no headache, but the whole trouble was in my back. I read about Doan's Kidney Pills so quickly relieving other sufferers and I procured a box from Kirlin's before the backache was gone and the lameresult and I give them all the credit."

Conceding all the latter to the Democrats, the Republicans will still have a majority of ten in the assembly and 14 on joing This computation, if borne out by official returns, will mean the election of a Republican to the United States senate in place of Edward Murphy. I had not used the whole box above. Outside of greater New York the vote for Van Wyck is only about oneness had also disappeared. It was Doan's fifth of one per cent. above that of Kidney Pills which had brought about this Porter in 1896. There appears to be a loss of four Republican congressmen in the Brooklyn district, the Second. In the Albany district, the Twentieth, Glynn, Dem., has been elected to succeed Southwick, Rep,

ity Is Nearly 150,000. Philadelphia, Nov. 9,-Incomplete returns from the state of Pennsylvania give William A. Stone, Rep., a plurality of nearly 150,000 for governor over George A. Jenks, Dem. Dr. S. C. Swallow, the Prohibition and Honest Government candidate, received unexpectedly light support, and his total vote will probably not go much above 100,-000, against 118,969 last year.

The Republicans also elected 25 of the 50 senators and 204 members of assem-

bly. The Democratic and fusionist net gain on joint ballot in the legislature is probably between 20 and 30, but the body which elects a successor to Uni-States Senator Quay remains strongly Republican, and the Quay leaders claim that, notwithstanding the fight against him, the senator will control enough members of the legislature to insure his election if he decides to be a candidate to succeed himself.
State senators have been elected as

follows: District 2. George W. Holz-worth. 4. J. Bayard Henry. 6. John M. Scott, 8, David Martin. 16, Hampton W. Rice, 12, J. P. H. Jenkins. 14, J. A. Stober. 16. *Henry G. Stiles. 18. *Ja-cob B. A NEBRASKA SURPRISE. Republican Governor Elected by

Plurality of 3,000. Lincoln, Neb., Nov. 9 .- Scattering precinct returns indicate a political surprise in Nebraska, inasmuch as they fore cast the almost certain election of Hayward, Rep., for governor by a plurality of not less than 3,000. This will be a reversal of the verdict of 1896 by nearly 15,000. The count thus far is wholly on governor so far as the state ticket is concerned, and as it is the belief that Hayward is running slightly ahead of his ticket it would make the result on remaining state offices very close. The most surprising feature of it

all is the strength displayed by Re-

publican legislative candidates, the few

returns received showing them to be even ahead of Hayward. As these are from but one or two counties, however, they fall to indicate assuredly the complexion of the legislature.

At midnight Chairman Slaughter, of the Republican state committee, said: We have elected the settire Republican ticket by pluralities of not less than 2,000, and possibly to exceed 5,000. We will have a majority of the legislature on joint ballot and will elect a Republices Mak 1 States senator to success three ... We have elected three ...

The fusion committee made no statement further than to insist that they had carried the state and legislature.

Women are great sufferers from nervousness, weakness, nervous prostration and debility. What women need is that great strengthener and invigorator of womankind, Dr. Greene's Nervara blood and nerve remedy—that remedy which rebuilds remedy—that remedy which rebuilds health and strength, purifies and en-riches the blood, gives strength and vigor to the nerves, and the strong vitality and energy to the system which will enable women to do their work will enable women to do their work and yet keep strong and well. Mrs. M. D. Perkins, of 100 G St., So. Boston, Mass., says:
"I was completely run down and could not teat, for the sight of food made me sick. I did not sleep at night and was as fired

in the morning as when I retired at night.

My head and back ached all the time. I was completely exhausted if I tried to do my housework, and could not walk hansted if I tried to do my housework, and could not walk
without being dizzy. I was excessively nervous and very weak.

"Then I began to take Dr. Greene's Nervoura blood and
nerve remedy, and I cannot say enough in its praise. I have not felt so well for
years as I do at the present time, thanks to this splendlid remedy.

"I can now cat and sleep soundly, waking mornings strong and refreshed. I do
my housework which is now a pleasure instead of being a burden as formerly. My
weight has increased about twelve pounds in the last two months. I would recom-
