THE OFFICIAL COUNT.
The Soldiers Vote Delays it and May Change the Result on Surveyor.

Pottsville, Nov. 11.—The board appointed to compute the official vote of Schuykill county, with Judge Bechtel on the bench, began their work at noon yesterday and did not complete it until midnight. The board was composed of M. J. Fleming, Esq., Albert Roehrig, Harry Seligman, Charles McGinnis, Myer Strouse and J. S. Foster. Isaac Benninger and Deputy District Attorney M. E. McLaughlin, also assisted in expediting the work, while Prothonotary Deegan acted as clerk.

The figures given below do not include the soldier vote which was taken in the field and at the armories. The law requires that the votes of the soldiers shall be officially computed on the third Friday after election, which will be the 25th inst. This count must be included in that of the county, so that the official returns cannot be computed and forwarded to the state capital until after that date. The election board must meet again on the 25th inst., to compute the soldier vote and add it to that given below.

The result of the soldier vote may change the result on the Surveyor, as the Democratic candidate is now credited with only 523 votes. The Higgins' majority of 310 for Senator will also be greatly reduced by the soldier vote.

There were 27,330 votes polled in this county on Tuesday, much less than the total vote of 1896. The official count, not including the soldier vote, is as follows:
