THE W. C. T. U. CONVENTION. Mrs. L. M. Stevens Will Probably Be Miss Willard's Successor.

St. Paul, Nov. 14 .- Yesterday was quiet day among the W. C. T. U. delegates, so far as convention work was concerned. A number of delegates filled local pulpits both morning and evening. But one session of the convention was held, Miss E. W. Greenwood, world's national superintendent f the evangelistic department, preaching at 2:30 o'clock at the People's The Temple matter and elec church. tion of officers, which promises so much excitement today and tomorrow, were kent as much in the background as possible for subjects in which all are Interested.

The general opinion has been that Mrs. L. M. Stevens, vice president-at-large and acting president, would be unopposed in her candidacy for the place made vacant by the death of Francis Willard, but several other candidates have been announced. Mrs. Martin H. Dunham, of Ohlo, one of the Temple trustees and now state president of Iowa, is a prominent candi-date, and her friends hope for help from the friends of the Temple. An-other prominent candidate is Mrs. G. B. Forbes, state president of Connecticut. Mrs. Stevenson's resignation leaves the portion of corresponding secretary vacant, and a number of prominent workers have been mentioned for the office. There is little canvassing being done and Miss Anna A. Gordon, formerly Miss Willard's confidential friend and secretary, seems to be the most prominent in the field. There seems no reason to doubt that the other officers will be re-elected.

The place of the next meeting has not yet been decided upon, but it is probable that it will be Seattle.
