A Croup Cure

is what many a mother is looking for; something absolutely safe and reliable, that will disarm her terror of that dread rattling, strangling cough, so fearful to the mother, so fatal to the child. Ayer's Cherry Pectoral is a croup cure that can be relied on. Thousands say so.

Mrs. W. J. Dickson ("Stanford Eveleth") writes from Truro, N. S.:—"That terror of mothers, the starting, croupy cough, never alarmed me so long as I had a bottle of Ayer's Cherry Pectoral in the house."
"We have used Ayer's Cherry Pectoral in our family for years. Once when our boy had a severe attack of croup, we thought that he would die. But we broke up the attack by using Ayer's Cherry Pectoral."
