Should not be worn without intelligent advice. Whenever an eye finds relief in a shaded or colored glass, something is going wrong with the interior of that eye that needs attention. If it were not so the light would not irritate. Seek advice—the kind that we give you—the kind that only can be given after a thorough and intelligent examination.

Prevent Pneumonia

Prevention is always better than cure, even when cure is possible. But so many times pneumonia is not cured that prevention becomes the natural act of that instinct of self-preservation which is "the first law of nature." Pneumonia can be prevented and is often cured by the use of Ayer's Cherry Pectoral.

"Some years ago I had a severe cold and was threatened with pneumonia. I could neither eat or sleep, and was in a wretched condition. I procured a bottle of Ayer's Cherry Pectoral and took it according to the directions, and at the end of fifteen days as well as sound as before the attack. I have recommended it in many cases of pneumonia since, and have never known it to fail in affecting a cure."

JOHN HENRY, St. Joseph, La.
"I was attacked with a cold that settled on my lungs, and defied the skill of my physicians so that they considered me incurable. At last I began to use Ayer's Cherry Pectoral and was entirely cured after having taken two bottles."

FRANCISCO A. SEVERIANO, Taunton, Mass.

Ayer's Cherry Pectoral

Is put up in half-size bottles at half price—50 cents.

Another Robbery.
Robbers paid another visit to Mahanoy City early this morning. They entered the clothing store of Louis Feinberg by forcing open a window at the side of the building. Only about \$25 worth of goods were carried away, but the thieves maliciously destroyed a large quantity of articles and scattered the remnants about the store.

COURT ADJOURNS.

No More Cases to be Tried During Present Term of Criminal Court.

The second week's session of November criminal court adjourned last evening. Today being a legal holiday and to-morrow the election being held, followed by a half Saturday, it was decided that no more cases would be tried, and only jurors would report to-morrow. Among the cases carried over until the next term, by this arrangement, is the Commonwealth against the Baltic Brewing Co., selling without a license, and Mrs. Emily Boyer vs. William Galvin, keeping a gambling house.

Judge Bechtel yesterday afternoon heard the case of the Park Place rioters which occurred on August 28 last, but fortunately no one was seriously injured. Seventeen of the defendants failed to appear in court, and subpoenas were issued to bring them into court. The men are indicted for rioting and assault, and are Poles and Hungarians. The jury, after an hour's deliberation, brought in a verdict of guilty on the second count as to Gustafson and an acquittal of the others. The verdict as to the first count was not clear, and after Judge Bechtel explained the matter the jury again retired to dispose of the matter. The verdict in this case will be a sealed one and handed up on Friday morning.

Another case on trial, and which goes over until to-morrow morning, is that of Mike Timko, of Minersville, charged with assault and battery to kill. It was the result of the usual Polish celebration.

S. W. Swade was found not guilty of larceny as bailed, by direction of the court. Demitro Siroco was the prosecutor.

Milton H. Madenford was found guilty of assault and battery, was charged by Henry Schupp. Sentence has not yet been imposed.

Stiney Chesney was found not guilty of receiving stolen goods, as charged by George A. Kohler, and the costs placed on the prosecutor. Chesney was also tried on the charge of interfering with the jury. He was found not guilty and the costs placed on the prosecutor, David J. Forney.

Peter Ploktus was found guilty of larceny, and Anthony Weolkus being the prosecutor. "I owe my whole life to Barlock Blood Blitters. Scrofulous sores covered my body. I seemed beyond cure. B. H. B. has made me a perfectly well woman." Mrs. Chas. Hutton, Berneville, Mich.

Held in Bail.

Three young men of Girardville named Czekill, Jones and Matress were arrested at Girardville last night on a charge of willfully colluding with and upsetting a wagon containing Misses Ida, Carrie and Louise Williams, Miss Agnes Tobin and Thomas Williams, all of town, whereby they were thrown out upon the road and all sustained injuries. The affair occurred in the Catawissa Valley about two weeks ago. The boys in bringing the prosecution was due to negotiations for a settlement of the matter, and they fell through. All the defendants reside at Girardville, and each furnished \$400 bail before Justice Johnson, at that place.

Games of all kinds, purses, at Port's, 21 North Main street. 11-21-24

Assaults Held.

Last Sunday night Anthony Past, of South Catherine street, was assaulted and so badly beaten that for two days it was doubtful whether he would recover. On Monday Stiney Krapezyk, Walter Luckiewicz and Anthony Krotacki were arraigned before Justice Shoemaker and charged with the assault. Each was released under \$1,000 bail to appear for further hearing. Last night the victim was sufficiently recovered to appear against the men. The testimony showed that Eksowara Zdaniewski was also one of the assaulters and he, too, was arrested. Each of the accused was put under \$400 bail for trial at court.

At Payne's nursery, Girardville, you will find the largest stock ever seen in the county.

Mothers can find infant caps to their very taste and price at Port's, 21 N. Main street. Alleged Shoplifters.

According to statements of some of the Mahanoy City merchants, three young women who performed in that town last night with the Dan Marlow theatrical company barely escaped charges of shoplifting yesterday. A dry goods dealer says that while one of them engaged him in conversation, the other two inspected various articles in the store, and were detected in trying to steal a bottle of cologne. It is alleged that it took considerable persuasion to induce the dry goods man to give up his determination to prosecute. It is further alleged that later the young women were detected in taking articles from a counter in a book store. They declared it was all a joke when ordered to restore the goods, but quickly returned them and left the store when the clerk threatened arrest. The women denied the above charges and denounced their accusers, saying they were too good to understand a jolly. The company performs at Ashland to-night.
