ANTHRACITE GOING UP.

Higher Figures for Chestnut Coal to be Followed on Other Sizes,

A New York dispatch says that several of the anthracite producers there have advanced the price of chestnut coal 15 cents per ton at tide for New England points. The advance is less a concerted action than a result of a

shortage in the supply of this size; but, it is thought to have some bearing none the less on the fact that the relations of the anthracite producers have become closer and mor
