SCANLAN STOCK SOLD. SCANLAN STOCK SOLD. The Borough Will Not Get Any of the SCANLAN

The Sheriff's sale of the stock and fixtures in M. J. Scanlan's hat store on South Main street, under the execution issued upon the instance of the Borough Council on Mr. Scanlan's tax bond of 1895, took place this morning. The sale was well attended, but there were few bidders, nearly all present being there through mere curiosity.

The principal bidder was J. J. Kehler, a merchant of Frackville, who got some good bargains. The gross proceeds of the sale were \$357.50, and it is not likely that the borough will realize anything from it. After the Sherid's fees are deducted there will be a rent claim of \$200 and a labor claim of \$240 to be paid.
