To clinch his remarkable story and add

to its helpfulness to others, Mr. Tripp made attidavit to its truthfulness before Homer

Hanna, a local Notary Public.

From helplessness, suffering and despair Mr. Tripp was restored to the healthful, useful activity suggested at the beginning of this sketch. His experience is like others.

While locomotor ataxia is one of the most baffling nervous diseases with which

physicians are called to contend, its cure by Dr. Williams' Pink Pills for Pale People

has become a matter of almost daily oc-currence. Smaller nervous troubles yield much more readily to the powerful influ-

cure is beat. Brazilian Balm is such a remedy. Tens of thousands have found that it is the only thing that would cure Catarrh and Asthma. For 15 yrs. it has never failed in a single case to cure Asthma, and its record has been as wonderful in Catarrh. Cases that had, to all appearancatarrin. Cases that had, to all appearances, run into Consumption, or where the nostrils were entirely stopped upor where the poisonous pus had eaten holes into the throat an inch deep, or where the stomach had become ulcerated and raw from swall becomes the germ-laden matter, were all permantils cared. were all permanently cured. Such a rec-ord, unknown to any other remedy, justly entitles the Brazilian Balm to the first place in the regard of the American peo-ple. There are 20,000,000 Catarrh victing and countless Asthma sufferers in this country, all of whom can be cured with Brazilian Balm. A \$1.00 bottle of Brazilian Balm contains a month's treatment for catarrh or asthma, and for 6 months we will wrap with each \$1.00 bottle a month's treatment of Toxicola Tablets, free. Toxicola is the best tonic and nerve and strength builder known to science. This is the greatest offer ever made. Ask
