Dr. Jackson points to the startling fact that there are now 20 million Catarrh victims in this country and the number rapidly increasing. It has already become the National Disease. Are we to become a nation of Catarrhites? It looks

Catarrhites? It looks like it.

The Aboriginal Indians are said not to have known the discase. That proves it is not caused by our climate and must have been imported. Its grown was slow but persistent. Forty years ago there were less than 40,000 cases in the U.B., to-day there are 20 million. Soon there will be 30 million. Where is it to end? Shall we not awake till it has fastened its fange on every man, woman and child in the land? How shall we prevent it unless we take namediate and singrous steps to stamp out the plange? This putch disease knows no seas, no class, no station. It is everywhere. A germ (microbe) disease if spreads by contagion. The carion breath and expectoration of the poor victim are loaded with these microbes. Others breath them in, they find lodgement and never release their hold till the victim lies down in death, unless every microbe is killed. But can they be killed? Yes, but not by any "blood medicine." No Catarth germ was ever found in the blood. The trouble is local and must be treated locally. A balsam has been discovered that is sure death to the Catarth microbe, making a radical and permanent cure. It is Brazilian Balm. It has cured tens of thousands in the past 15 years. It also cures all the troubles caused by Catarth, as Sors Throat. (Jd Conghs, Brouchitis, Asthma and Lung troubles. The swallowing of the Catarth pass makes the Stomach raw and ulcerated. The Brazilian Balm soon makes a radical cure of the Stomach and alimentary canal. It is the cheapest remedy on the market, a \$1.60 bottle containing a whole month's treatment. As all sufferers with Catarth and Asthma have run-down systems we will till Jonuary next put a month's treatment of Toxicoia Tablets, free. As all sufferers with Catarrh and Asthma have run-down systems we will till January next put a mouth's treatment of Toxicola Tablets, free, in with every \$1.00 bottle of Brazilian Baim. This is the hest Tonic and nerve and strength builder known. You get all for \$1.00, a month's treatment of both. Now is the time to treat your Catarrh. Do not delay. Ask your druggist and take no substitute. If he will not get it, send direct to us. B. F. Jackson & Co., M'fg. Chemists, Indianapolis, Ind.
