Regarding Remedies for Dyspepsia and Indigestion.

The national disease of Americans is indigestion or in its chronic form, dyspepsia, and for the very reason that it is so common many people neglect taking proper treatment.

Many kidney diseases and heart troubles date their beginning from poor digestion. Thin, nervous people are really so because their stomachs are out of gear.

When nearly every person you meet is afflicted with weak digestion it is not surprising that nearly every secret patent medicine on the market claims to be a cure for dyspepsia.

Druggists sell these tablets at 50 cents per package. Circulars and testimonials sent free by addressing F. A. Stuart Co., Marshall, Mich.
