**LEASES EXPIRING.**  
Future of the Wm. Penn Colliery in the Balance.

Reports are in circulation that when the present lease of the Wm. Penn colliery expires the property may pass into the hands of the P. & R. C. & I. Co. From an interview had with an official today the Herald finds that there is very little possibility of a change taking place as reported. The fact is the 15-year lease of the Wm. Penn colliery, held by Stikney, Cunningham & Co., of New York, expires on January 1st and there is a hitch in the renewal of the lease. It seems pretty certain that unless the Grand Estate reduces the royalty the present operators will not lease the property again. As to other parties taking hold of the colliery, the official interviewed is of the opinion that if Stikney, Cunningham & Co. do not take another lease the colliery will be abandoned. This opinion is based upon the fact that the coal trade has been in a very unsatisfactory condition for some time, and it is hoped an adjustment of the matter that will keep the colliery in operation will be arrived at. The destiny of the mine, for the present at least, hinges on the reduction of the royalty, and as the colliery is one of the largest in this vicinity, employing over 100 hands, it is hoped an adjustment of the matter that will keep the colliery in operation will be arrived at. It is also said that several of the P. & R. C. & I. Co. leases are also expiring and their renewal will depend upon a reduction of royalty.

**A Class Reception.**  
Mrs. Thomas Hagan last evening gave a reception to her Sunday school class, at her home on South Jardin street. There was a literary and musical entertainment, games were played and ice cream and cake were served. The following was the program of the exercises: Singing, class; solo, Miss Ethel Morgan; recitation, Miss Emma Davis; duet, Misses Inez Lamb and Annie Davis; declamation, Miss Lottie Bell; solo, Miss Ida Duster; recitation, Miss Minnie Louks; recitation, Miss Jessie Lamb; declamation, Miss Emily Williams; reading, Miss Anna Gregory; declamation, Miss May Bishop; solo, Miss Sadie Evans; declamation, Miss Katherine Bailey; declamation, Miss Mand Purnell; declamation, Miss Ethel Morgan.

**The Theatre.**  
"The Miner's Wife" was the title of an interesting and pleasing play presented at Ferguson's theatre last night by the Myers-Leyburne Company and the production was received with much gratification on the part of the large audience. The story of the play is a pretty one and has some very impressive situations. Little Irene Myers appeared in the character of "Little Bessie" to excellent advantage and added to her reputation as a child artist. Her specialties were also very clever, and in this line Charles Leyburne also highly successful. His monologue crowded roars of laughter. To-night "After Seven Years" will be produced and to-morrow night "The Burglar" will be the program. Little Irene will have important parts in both.

**Car Load of Cabbage.**  
Car of fancy York state cabbage at Lehigh freight station. Reasonable prices. Also a car of fancy red potatoes. Shenandoah Produce Co., 6 South Jardin street.

**Finger Mashed.**  
Arthur Millichap, an employe at Beddall Bros. hardware store, had the little finger of his right hand mashed this morning. He was engaged in handling a can of white lead weighing 700 pounds when it fell on his hand.

Crowds of people flock nightly to the fair of the Columbia Hose Company. New and refreshing attractions are constantly pushed forward and the fair never grows tiresome. Caldwell and Hoyt and John Pooler will sing at the entertainment to-night and the door gift will be 100 pounds of flour. The door gift Friday night will be a ton of coal. You can buy it at Brumm's. 12-27-98

**Exciting Runaway.**  
Two horses attached to the wagon of the Eclipse Oil Company caused much excitement by running away at Wm. Penn yesterday. When the team reached the Lost Creek No. 2 crossing they started at breakneck speed down the tracks of the Schuylkill Traction Company. A car coming in the opposite direction was compelled to stop. Many of the passengers left it, fearing a collision. Fortunately the horses took to the road, before the car was reached, and were caught by two men. No damage was done to the team.

## HOT TIMES IN CUBA!

Refused to Cheer For Cuba Libre and Was Fatally Stabbed.

CUBANS IN HAVANA EXCITED

They Bitterly Resent General Brooke's Order Excluding the Cuban Army From Participation in the Evacuation Ceremonies.

Havana, Dec. 28.—Yesterday afternoon a Spaniard named Fernandez, a member of the municipal police, was surrounded by a crowd of Cubans in Bomba street. Cuban and American flags were waved in his face, his rifle was twisted out of his hands and half a hundred men yelled to him to shoot "Viva Cuba Libre" or die. Fernandez threw up his arms as if to assent, and then, when the mob quieted down to hear what he had to say he cried in clear tones, "Viva Espana, Viva Espana." Three knives were thrust into him, and he lay dying.

It is a favorite sport among the Cuban young men to stop in the streets persons supposed to be pro-Spanish and to make them kiss the Cuban flag and cry "viva Cuba Libre." Sometimes these incidents have their humorous features, but quite as often the victims are viciously treated. Yesterday a fight was started by some Cubans carrying American and Cuban flags, who declared that they had been insulted by Spanish marines. A Cuban drew a pistol, and declaring that he would defend the American flag.

Other shots followed. According to unofficial reports a Spanish soldier was killed, a Spanish marine fatally wounded and at least one other, if not several, hurt.

Major General Brooke does not recognize the Cuban army, and will do everything compatible with tact and judgment to cause its disbandment. An auxiliary force of Cubans may be formed, but the recruits will be taken as individuals. Consequently voluntary police work on the part of the Cuban commanders in the provinces of Havana, Santa Clara and Pinar del Rio will not be encouraged. The offers of assistance which are continually being made by the Cuban chiefs are politely received, but are not accepted.

## FINANCES ADJUSTED!

Important Meeting of the Borough Council Last Night.

AMPLE RESOURCES IN SIGHT!

The Handicap Under Which the Council Has Labored For Several Months Removed by Timely Payments From Borough Officials.

The Borough Council held an adjourned meeting last night to adjust its financial affairs and make arrangements to meet bills which had been on the secretary's table for several weeks, and the object for which the meeting was held was attained. The members of Council in attendance were Messrs. McGuire, Lally, Murphy, Bell, Brown, Har-kins, Hand, Caskley and Magrath. It was gratifying to the Councilmen to find that the financial resources had assumed a shape that would enable them to carry out the plan as foreshadowed at the last meeting. In a written report submitted by the finance committee at that time it was shown that to meet current obligations, and estimated bills due January 1, Council would require \$16,182.00. This also included the redemption of \$5,000 worth of bonds and \$4,992.50 for interest on bonds. As a means for meeting this the committee had suggested receiving \$10,000 from Tax Collector Burke and \$2,000 from Water Superintendent Bell, which would leave a deficiency of \$4,182.00. At the same meeting a temporary loan was recommended till December 30th, with the additional recommendation that on that date that loan be paid by one of the banks to be renewed for ninety days, at the expiration of which period the borough expects to have sufficient revenue to pay off the loan and to meet current expenses.

In making his report last night Mr. Hand, chairman of the finance committee, said: "The tax collector will do more than we expected. He will pay us at least \$11,000, and the Water Superintendent expects to give us \$2,000." Mr. Hand also made a statement urging Council to complete its inspection of Collector Burke's examination lists, so that a balance sheet be struck on his accounts.

The report on the Water Superintendent's payment was subsequently modified, reducing the amount to \$1,800. Of this amount \$500 is in orders, but as the orders the superintendent redeemed were embraced in the finance committee's estimate of liabilities, the remainder is as good as cash.

Council was highly gratified with the developments and, on motion of Mr. Lally, it was decided that the proper officers be empowered to renew the temporary loan of \$4,000 falling due on Dec. 30th, for a period of ninety days, and that they negotiate an additional loan of \$4,999 for the same period. This action was taken in pursuance of the recommendations by the finance committee at last meeting, and the motion was carried by a unanimous vote. The Councilmen drew a breath of relief, and seemed to have a distinct view of the silver lining to the dark financial cloud which threatened them for so many weeks on account of the deficiency on the 1895 and 1896 tax duplicates.

Bills were next taken up, and all that were properly endorsed by the respective committees were ordered paid. They amounted to nearly \$1,500.

When the bills for street lights for October and November were taken up, objections were raised that several of the lights were not repeatedly at night, but Mr. Caskley and Chief of Police Murphy stated that complaints in that connection had been attended to, and there was an improvement.

Another bill read was one from I. Robbins amounting to \$20. It was for 200 fence posts. Mr. Caskley made a vigorous attack, because he could not understand what the borough could do with such a stock of posts. Mr. Bell said many had already been used on Dunn's hill and others were being called into use almost every day. He added that Mr. Robbins was selling fence posts at 25 cents, the posts at 25 cents, each. As the borough was paying 40 cents for the same kind of posts, the street committee decided to buy the lot and save \$30.

Mr. Caskley was not satisfied with the explanation, however, and insisted upon his objection. Mr. Bell moved the bill be paid and the motion was carried. Messrs. McGuire and Caskley requesting that they be recorded as voting in the negative.

Mr. Bell stated that he understood that the land of the borough at the pumping station had been assessed at several thousand dollars by the Assessor of East Union township. Mr. Bell did not know the amount, but knew it was exorbitant. Upon his motion the Borough Solicitor was instructed to protest against the assessment.

Just before Council adjourned President McGuire stated that there is much complaint by the business men of town over discrimination shown by the Schuylkill Traction Company against this borough and in favor of Ashland. He suggested that the Councilmen prepare themselves and be ready at the next regular meeting to take action on the matter.

After binding the watchmen the burglars blew open the safe and secured \$300 in cash. They selected a large amount of the most valuable goods from the shelves and counters, including a number of watches, in all valued at over \$500.
