a thin Chengral Contellanos then took position near Major Chengral Brooke The burn of conversation on the American side of the chamber contrasted un brought all eyes to the point it who was talking with an Amer The captain general stemed t front of his staff. On his right stood aptain J. S. Hart, interpreter to the United States military commission Next to Captain Hart, in the order named, were Generals Chaffee, Brook not correctly understood. They have been Ludiow, Lee, Wade, Butler and Clou led to believe that womb trouble or female Immediately behind General Chaffee was Senator John W. Daniel, of Vir-

Formal Transfer of Authority, At this moment the band on the vas playing the Spanish national hymn As the guns at Cabanas fortress ceases firing there was a breathless pause b Everybody knew that th American flag was being raised on the Butler, son of General Butler, and that all the other official staffs in Havana. After this second of slience the band of the plaza played "The Star Spangle Banner," while the guns of the and fortresses began to your out the

Immediately Captain General Castel lance handed the manuscript of his speech to Captain Hart and began to speak. Amid the strains of the band and the noise of the guns it was impossible to hear him, "Close the win-dows," said some one, and the casements were closed, but the sound of the cheering still visibly disturbed the

Addressing himself to Major General Wade, president of the United States military commission, though he seemed to look at the floor, General Castellanos said:

"Gentlemen: In compliance with the treaty of Paris, the agreement of the military commissioners of the island and the orders of my king, at this moment of noon, Jan. 1, 1899, there ceases in Cuba Spanish sovereignty and begins that of the United States. In concin-sion, I declare you in command of the island, with the object that you may exercise it, declaring to you that I will be first in respecting it. Peace having been established between our respective governments, I promise you to give all due respect to the United States government, and I hope that the good relations already existing between our armies will continue until the termination of the evacuation of those under my orders in this territory,

After Captain Hart had translated the address General Wade said to Gen-

I transfer this command to you." Major General Brooke said:

General Brooke's Acceptance. "I accept this great trust in behalf of he government and president of the United States, and (addressing Captain) General Castellanos) I wish you and 15c. and 25c. the gallant gentlemen with you a May prosperity attend you and all who

Generals Brooke and Castellanos then shook hands, after which General Castellanos and staff retired from the throne room, shaking hands with Mr. Jerome, who stood near the door of exit. As they retired there was a movement toward General Brooke. with others, then stepped upon the balcony and looked down upon the plaza. A big American flag flying plaza. over the arsenal was in full view, and farther away the Stars and Stripes

streamed over the Cabanas fortress.

Meanwhile the officials of Spain were saying farewell to their nation's seat of power in the new world. Turning to his officers, General Castellanos said, with tears in his eyes:

"Gertlemen, I have been in more bat-ties than I have hairs on my bead, and my self possession has never failed me until today. Adicu, gentlemen, adicu." Then he moved swiftly toward the stairway, escorted by General Chaffee and followed by his staff. As he cross ed the plaza the American ladies wh were standing in the balcony of the barracks waved their handkerchiefs. and General Castellanos responded by bowing and kissing his hand toward them. At the corner of the plaza, with tears in his eyes, he turned to take final look at the palace. He could see the American generals on the balcony. Without a word he turned sharply in the direction of the wharf. At the dock Generals Clous and Chaffee bade him eral put off for the Spanish transport Rabat, on which he will proceed to Matanzas. He will be accompanied by a battation of the Thirty-eighth in

Major General Brooke held a recep tion in the palace salon, the various officials paying their respects and promising allegiance to the United States. At the close of the reception the Cuban generals were introduced. General Brooke said to them:

"I shall look to you to assist us in carrying out the purpose that brought us to these shores. It is a great trust and I shall expect most extraordinary

assistance from you." General Lacret, who acted as spokes-man for the Cuban officers, assured the United States military governor that everything in the power of the Cuban military officials would be done to help the Americans restore Cuba to a con-

dition of peace and prosperity.

The parade of the United States troops showed the feeling of the Cuban element of the population. roofs, the streets, the parks and the wayside in the suburban districts were wayside in the subtrain districts were crowded with curious, but for the most part silent spectators. Now and again there was a cry of "Viva Los Ameri-canos," followed by a burst of cheering. public rejoicing, though Major General Lee, who rode at the head of the column on a gray charger, received a personal ovation along nearly the entire

REGAINED HEALTH.

Gratifying Letters to Mrs. Pinkham From Happy Women.

"I Owe You My Life."

Mills, Neb., writes: "DEAR MRS. PINKHAM:-I owe my life to your Vegetable Compound. The doctors said I had consumption and nothing could be done for me. menstruation had stopped and they said my blood was turning to water. I had several doctors. They all said I could not live. I began the use of Lydia E. Pinkham's Vegetable Compound, and it helped me right away; menses returned and I have gained in weight. I have better health than I have had for years. It is wonderful what your Compound has done for me."

"I Foel Like a New Person."

1609 Belle St., Alton, Ill., writes: " Before I began to take your Vegetable Compound I was a great aufferer from womb trouble. Menses would appear two and three times in a month, causing me to be so weak I could not stand. I could neither sleep nor eat, and looked so badly my friends hardly knew me.

"I took doctor's medicine but did not derive much benefit from it. My druggist gave me one of your little books and after reading it I decided to try Lydia E. Pinkham's Vegetable Compound. I feel like a new person. I would not give your Compound for all the doctors' medicine in the world. I an not praise it enough.

STRICKEN WITH PNEUMONIA.

Critical Illness of Nelson Dingley, Father of the Tariff Law.

Washington, Jan. 2.—Representative Nelson Dingley, of Maine, is critically Ill at his apartments at the Hamilton House, in this city, with an attack of pneumonia. Because of his age, much concern is felt over his condition. His week, when he had an attack of the grip. He rapidly grew worse, and Saturday night pneumonia set in. Yester-day afternoon it was stated that there had been a slight change for the better Mr. Dingley is of delicate physique, is ured in the tariff legislation of the past. He is now chairman of the comender of the Republican majority on the floor of the house. His wife daughter are here nursing him in his stant attendance at his bedside.

What do the Children Drink?

Don't give them ten or coffee. Have you tried the new food drink called GRAIN-O? It is lelicious and nourishing and takes the place of coffee. The more Crain-O you give the hildren the more health you distribute costs about 1-4 as much. All grocers sell it. Bierstein & Co.

A Panie in Preporta-London, Jan. 2.—The Johannesburg scribes a panic in Pretoria on Saturday arizing out of numers that the Krugersdorp burghers contemplated an invasion and intended to burn Jameson in effigy. Another report was that a picnic arranged for 500 miners concealed some plan for causing trouble. The Brigadier General Clous shaking him correspondent says the Transvani on the farm. Dr. Jackson points to the startling fact that there are now 20 million Catarrh victims in this country and the number rapidly increasing. I has already become the National Disease. Are we to become a nation of Catarrhites? It looks like it.

The Aboriginal Indians are said not to have known the disease. That proves it is not caused by our climate and must have been imported its growth was slow but persistent. Forly years ago there were less than 40.000 cases in the U.B., to-day there are 20 million. Soon there will be 30 million. Where is it to end? Shall we most awake till it has fastened its fan a on every man, woman and child in the land litow shall we prevent it upless we take inmediate and vigorous steps to stampout the plague. This puried disease knows no sex, no class, no station. It is everywhere. A germ (microbel disease it spreads by contagion. The carron breath and espectorision of the poor victim are loaded with these microbes, others breatheth; in, they find lodgement and never release their hold till the victim lies down in death, unless every microbe is killed. But can they be killed? Yes, but not by any "blood medicine." No Calarch germ was ever found in the blood. The trouble is lead and must be treated locally. A balsam has been discovered that is sure death to the Cararril microbe, making a radical and permanent cure. It is Brazilian Balim. It has haliam has been discovered that is sure can of the Catarrit microbe, making a radical and permanent cure. It is Brazilian Balm. It has eared tens of thousands in the past 15 years, laboraters all the trabbles caused by Catarriassore Throat, old Coughs, Roonchitis, Ashmand Long troubles. The swallowing of the catarria pass makes the Stomach raw and alcerated. The Brazilian Balm soon makes a radical cought of the catarria pass makes the Stomach and alimentary canal. ared. The Brazilian Balm soon makes a radical care of the Stomach and alimentary canal. It is the cheapest remedy on the market, a \$1.00 bottle containing a whole month's treatment. As all sufferers with Catarch and Asthma bave ran-down systems we will till January next put a month's treatment of Toxicola Tailetts, free, in with every \$1.00 bottle of Brazilian Balm. This is the heat Tonic and nerve and strength builder known. You get all for \$1.00, a month's treatment of both. Now is the time to treat your Cutarch. Do not delay. Ask your druggist and take no substitute. If he will not get it, send direct to us. B. P. Jackson & Co., M. Tg. Chemista, Indianapolis, Ind.

SHENANDOAH DRUG STORE,

The Reform Demands L. China. Pel in, Jan. 2.-An imperial edict, issued last Friday, remarks that China is "passing through a severe crists in her history." It reminds viceroys and her history. It reminds viceroys and governors of the numerous edicts that have been issued lately ordering ad-ministrative reforms, points out that many of these have not been observed and commands the immediate institu tion of reforms in the methods of train ing troops, in agriculture and in manu facture and in everything likely to con This edict is highly significant as show ing that the empress downger realizes that the position is serious, and that all hope of the country's future lies solely in reform.

This magnaine for boys and girls is with a rival in its field. The features for the comi-sear will gain for it a host of new friends few leading attractions are: A New Henty Story, THE SOLE SURVIVORS,

By G. A. Henty. This is a tale of early American history, by he favorite story-teller of American and Eng the favorit lish boys. TRINITY BELLS,

By Amelia E. Barr.

A delightful historical romance for girls, deal-ing with life in Old New York; and written by one of the most apirited and conscientious Ancerican authors. A STORY FOR GIRLS, By Laura E. Richards. No writer is more welcome to the young folk f to-day than the author of "Captain Janu-ry," and this is one of her best efforts.

BRIGHT SIDES OF HISTORY, By E. H. House. A series of amusing episodes of history assient and modern, told in an entertaining way. It will awaken a new interest in this im-portant branch of study.

Affeat."
