AROUSING THE ARMY.

Beaurepaire's Incendiary Address on the Dreyfus Case.

HIS INFLUENCE ON THE WANE.

Frenchmen Generally Believe the Ex-Judge Is Merely Taking Advantage of Popular Excitement to Make Himwelf a Lender.

Paris, Jan. 12.-M. Quesnay de Beaurepaire, whose resignation of the presidency of the civil section of the court of cassation is regarded by impartial observers as the most dangerous development of the Dreyfus affair thus far, yesterday furnished to the newspapers the most inammatory pronouncement he has yet made. It is in the nature of a proclamation, and is entitled "An Appeal to the Deputies," whom he calls upon vehemently to remove the Dreyfus case from the hands of the criminal chamber of the court. The proclamation concludes as fol-

"Order a real and golemn inquiry, which shall penetrate right into the viscera of this tortuous examination. If there are guilty men in the bosom executive power to remove them, so The Republicana held a joint caurus that our magistracy may regain its after adjournment and unanimously ancient prestige. Order an immediate judicial inquiry.

"I hope to play the modest role of those sentries who in olden days signaled from the battlements the approach of the enemy, and after soundthe cities to arm themselves in behalf tendered the appointment of United of the commonwealth. City fathers, States senator to succeed the late Jusforgive the abruptness of my appeal, tin S Morrill, notified the governor It is due to the emotion which agitates vesterday that, owing to family rea-

fied from the crisis. My grief is great to chief justice. at seeing five or six magistrates so forgetful of our traditions as to declare themselves adversaries of the army. Of course the Dreyfusites maintain that they are not attacking the army, while they attack its chiefs.

"I say to the soldiers that the nutional army is worthy of respect from the highest to the lowest rank, and if I have aided in avenging the insult to which it has been subjected I shall not regret having paid so dearly for my

This appeal is a palpable bid for the support of the army, But M. De quitted. Beaurepaire, who shot up like a skyrocket as the most tremendous sensation of the whole Dreyfus controversy, now seems falling like a rocket from his pre-eminence as a leader of the anti-Dreyfusards and the possible hero of a coup. The best observers of public opinion declare that the impression created by the first remarkable denunciation of the court of cassation has been succeeded by skepticism regarding his motives and the value of his revelations.

Many, if not most, Frenchmen estimate him as a politician wha had found the bench too prossale for a man long accustomed to the excitement of party strife and who thought he had found an opportunity to make himself the leader of a popular movement. The latest charges he brings against the court of cassation add nothing of con-Cigars and Tobacco. sequence to Tuesday's indictment, except accusations that M. Loew had conferences outside the court room with Colonel Picquart's advocate and friend Maitre Leblois, and that Counsellor Dumas conferred outside the court room with friends and relatives of Dreyfus.

M. Maizeau, first president of the court, expresses the opinion that it would be unfair to the criminal chamber to withdraw the case and recommends that the criminal chamber should act as judge d'instruction, drawing a report upon the case to be sub mitted to the full tribunal, over which M. Mazeau would preside.

The criminal chamber is continuing the investigation. M. Paleologue, s witness from the foreign office, who has been several days under examination says the judges appeared greatly excited on the day of M. De Beaurepaire's resignation.

M. Mazeau, first president of the court of cassation, has been appointed to investigate the latest charges of M De Beaurepaire. In view of the gov ernment's attitude it is possible that the numerous interpellations announced for today's session will be allowed to rest until M. Mazeau's inquiry is concluded, although M. Dupuy, the premier, will announce his readiness to answer all questions immediately.

Two fresh chapters in the affair wil be opened in a few days, so that the country is to have no rest from agita tion. The first is the trial of Urbait Gehler for his alleged insults to the French army in his book, "L'Armee Contra le Nacion" (the Army Against the Nation). M. Gehier will call 400 witnesses and insist upon the threshing out again of the whole Madagascar campaign. The second chapter will be the libel suit against Joseph Reinach editor of La Republicque Française and Conservative deputy for the district of Digne, who is charged by the widow of the late Lieutenant Colonel Henry with having insulted his memory by sug-esting in La Republicque Francaise that Henry was the real traitor. The Reinach prosecution, for which a great popular subscription has been made, seems to be the last card of the anti-Dreyfusards. If this and the scandal of De Beaurepaire's resignation fail to stop revision then nothing will be left them except an appeal to force.

Discovered by a Woman.

Another great discovery has been made, and that too, by a lady in this country. "Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undernined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose, that she slept all night; and with two bottles, has been absolutely cured. Her name is Mrs. Luther Lutz. Thus writes W. C. Hamnick a Co., of Shelby, N. C. Trial bottles free at A. Wasley's Drug Store. Regular size 50c and \$1.00. Everyboutle appraaticed.

NEW JERSEY LEGISLATURE.

deputition Majority Scients Kenn For United States Senator.

Tronton, Jan. 11.-The two houses of the New Jersey state legislature mer promptly at 3 o'clock resterday. The desks of the members were crowded with flowers and the two chambers presented the appearance of a flower gurden. The senale and house offi-cers were elected in accordance with the selection made by the Republican caucuses. Senatot Reed, of Somerset, upon taking the presidency of the senate, made a brief address.

In the house, after D. O. Watkins had

qualified as speaker, he called Assemblyman Squire to the chain. Mr. Wat-kins then went to the executive chamber, where he was waited upon by a joint committee, and through them communicated the governor's annual message to the legislature.

Before the senate adjourned Senator McDermott, a Hudson county Demotrat, gave notice that unless the Reublicans took the initiative in the maer he would himself next Monday election held in Huitson county He said be was growing tir the Republican charges that the Democratic majority in Hudson count last fall was due to fraud. Was It Consumption?

Doctors are often wrong. . The local doctor is an overworked indiletina to a case of diabetes and from that to the amputation of a leg. He must act quickly—sometimes hurriedly. It is not take. But mistakes are dangerous and

should be avoided.

Mrs. G. E. Kerr, of Fort Dodge, Iowa, recently had some experience. She says Last spring I was taken with severe pains in y chest, and was so weak I could hardly walk out the house. I tried several physicians and syroid me I had consumption. Before I had ken the first bottle of Dr. Pierce's Golden tedical Discovery. I was very much better. I sok live bottles of it and have not yet had any sirn of the trouble.

The "Golden Medical Discovery" has seen said to cure consumption. It sure-y and infallibly cures all bronchial and lungs and cures lingering coughs. It is a healer and builder of tissue. It cleanses and enriches the blood—regulates the heart action—puts the whole body in tune with nature.

Mrs, 'Kerr's trouble was probably bron chial. It was painful—dangerous if let run—dangerous in the hands of un in-competent doctor. Don't take a local doctor's word for everything. Write to Dr. Pierce. Tell him your symptoms For over thirty years he has been chie consulting physician at the Invalids Hotel and Surgical Institute, Buffalo Consultation with him will cont you nothing.
