

### CLEARY KING

NATURE'S CURE

A Young Girl's Experience.

My daughter's nerves were terribly out of order. She was thin and weak; the least noise started her, and she was wakeful at night. Before she had taken one package of Cleary King she was as plump and strong as ever. The change in her was so great that she could hardly be taken for the same girl. She is rapidly growing well and strong, her complexion is perfect, and she sleeps well every night.—Mrs. Lucy Scott, Broad Valley, Pa. Cleary King cures weakness of the Nerves, Stomach, Liver and Kidneys. Sold by drug stores, 25 cents per box.

**THE DISORDERLY BOERS.**

How They Broke Up a Meeting of the Uitlanders.

**PRESIDENT KRUGER ANNOYED.**

The Head of the Transvaal Republic Had Authorized the Meeting, and Will Probably Now Be Called Upon to Expel to Great Britain.

London, Jan. 17.—A Cape town dispatch confirms the report that the Johannesburg meeting on Saturday was broken up by bands of armed and organized Boers, and gives the following account of the affair:

The Boers occupied the building quite an hour before the commencement of the meeting, and from the galleries threw down boxes, chairs and tables upon the Uitlanders in the arena. Within 15 minutes terrible fighting was in progress. The whole interior was wrecked, the police remaining passive spectators, and the wreckage made a huge pile on the main floor of the hall. At one stage in the fighting the police caught a young Boer trying to set fire to the debris, but they liberated him after a mild rebuke.

At this point a fresh contingent of Boers, armed with iron bars, sticks and iron bars and attacking every Uitlander they came across unarmed. The Uitlanders made for the door, escaping after a terrific scuffle, in which many were injured. Outside the hall they formed up, waiting for a further attack.

The Boers then held a meeting inside, wrecked the hall, emerged and marched to the police barracks, cheering the government and hooting the Uitlanders. These crowds thronged the streets throughout the night. The censorship of Johannesburg is very strict, but the latest telegrams say that many scenes of violence occurred in the streets after the meeting. Matters had begun to look ugly, when the police commandant persuaded the Boers to depart, the English remaining behind and singing the national anthem. Two Englishmen who were arrested after the meeting for disturbing the peace were ultimately released.

President Kruger and the Boer authorities are said to be greatly annoyed, because the president had promised to permit the meeting if conducted in orderly fashion.

**Discovered by a Woman.**

Another great discovery has been made, and that too, by a lady in this country. "Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose, that she slept all night, and in a few bottles, has been absolutely cured! Her name is Mrs. Luther Lutz. This writes W. C. Hamrick & Co., of Shelby, N. C. Trial bottles free at A. Waseley's Drug Store. Regular size 50c and \$1.00. Every bottle guaranteed.

I Took Dr. Greene's Nervura and Was Soon on My Feet Again.

Dr. Greene's Nervura Will Help Others As It Has Helped Me.

Mrs. Mary Kesselwing, 825 May St., Dayton, Ohio, says: "I suffered for years from lacerated womb caused from childbirth. This threw forward, all of which kept me in bed for eight years. During that time, change of life commenced and the physicians said I could not recover and some said I had a cancer. While I was in this condition I heard of Dr. Greene's Nervura and nerve tonic. I resolved to try it. After taking five bottles I could stand on my feet, a thing I had not done for eight years. Anyone suffering as I did who will try it, I know it will help them and do for them what it has done for me."

Weak, nervous, debilitated women or those who suffer from female weakness, should use Dr. Greene's Nervura. It is the greatest strengthener and restorative ever known. **GENERAL EAGAN EXPLAINS**

Why He Used Abusive Language in Criticizing a Military Mission.

Washington, Jan. 17.—Commissioner General Eagan yesterday sent to the war investigating commission a revised statement in place of that originally made in response to General Miles' charges. The revised statement is about 25 per cent. shorter than that which was ordered withdrawn because of its violent and abusive character. In a letter accompanying the statement General Eagan declares he had never a thought of disrespect to the commission, and proceeds:

"In explanation and in extension of the language used by me heretofore I beg to invite the attention of the commission to the fact that I have been accused practically of feeding the soldiers with poisoned beef which made them sick—'poisoned beef,' so-called—that I have furnished meat to the army under the 'corruption and favoritism,' which charge in effect is corruption and worse, because it jeopardizes the lives of soldiers sent to the front in tropical climates and who were dependent on such food as was sent them; that these statements have gone to the whole country uncontradicted; that they have been published and I have been pilloried in the press of the country as a man who had fed the army on poisoned meat, and corruptly so; and that for about three weeks time I have kept silent for the reason that I was debarr'd after talking with the secretary of war in preparing charges because of the immunity granted by the president to witnesses before your commission, notwithstanding the gravity of the accusations; that it is unreasonable to believe that such monstrous charges could have any other effect than to work upon an honorable man in such a way as to goad him to a species of desperation and that it was but natural, when the proper opportunity was given him to refute and refute the charges, that he should characterize them in harsh language."

The revised statement is about 25 per cent. shorter than that which was ordered withdrawn because of its violent and abusive character. In a letter accompanying the statement General Eagan declares he had never a thought of disrespect to the commission, and proceeds:

"In explanation and in extension of the language used by me heretofore I beg to invite the attention of the commission to the fact that I have been accused practically of feeding the soldiers with poisoned beef which made them sick—'poisoned beef,' so-called—that I have furnished meat to the army under the 'corruption and favoritism,' which charge in effect is corruption and worse, because it jeopardizes the lives of soldiers sent to the front in tropical climates and who were dependent on such food as was sent them; that these statements have gone to the whole country uncontradicted; that they have been published and I have been pilloried in the press of the country as a man who had fed the army on poisoned meat, and corruptly so; and that for about three weeks time I have kept silent for the reason that I was debarr'd after talking with the secretary of war in preparing charges because of the immunity granted by the president to witnesses before your commission, notwithstanding the gravity of the accusations; that it is unreasonable to believe that such monstrous charges could have any other effect than to work upon an honorable man in such a way as to goad him to a species of desperation and that it was but natural, when the proper opportunity was given him to refute and refute the charges, that he should characterize them in harsh language."

**THE AUTOCRAT'S PEACE PLAN.**

The Noted Novelist Frankly Tells the Case That He Could Only Believe in It When His Majesty Himself Set the Example to Other Nations.

London, Jan. 17.—The Daily Mail prints the following despatch from Odessa: "While journeying north from Livadia Emperor Nicholas, during a breakfast luncheon at Tsola, capital of the government of the same name in central Russia, sent a delicately worded message expressing his desire to see Count Leo Tolstoi. Contrary to expectation Tolstoi accepted the invitation and soon appeared at the railway station.

"In his peasant's garb he presented a striking contrast to the richly dressed entourage of the czar. Emperor Nicholas kissed him on the mouth and both cheeks, Tolstoi readily responding.

"Then a conversation commenced, the czar asking his guest for an opinion upon the imperial proposal for the im-

**Count Tolstoi.**

Count Tolstoi replied that he could only believe in it when his majesty should set the example to other nations. On the czar mentioning the difficulties of the problem and the necessity for united aid of the united powers the count softened somewhat, and expressed the hope that his majesty would be able to attain some definite results, or at any rate to formulate some workable plan at the conference. The czar, thanking him for his good wishes, said he would be pleased if Tolstoi could be induced to lend his genius to the solution of the question, and the count rejoined that the emperor might count upon his cooperation, for he was already engaged upon a work dealing with the question in point, which would soon see the light."

**HYPNOTISM**

Some men are said to possess such wonderful animal magnetism that they can put other persons to sleep by passing the hands before the eyes. This is called hypnotism—an influence about which very little is known—and it is not a difficult matter to find a few people who have been put to sleep in this manner. There are called hundreds and thousands of women, however, whose sleep has been made peaceful and restful by Dr. Pierce's Favorite Prescription. It soothes the nerves by curing the disorders commonly called "female troubles." It is induced by an army of women in every State in the Union, who have been brought back to health after suffering untold misery from disagreeable drains upon the system, irregularities, prolapsus, backache, "bearing down," pains, nervousness, dependency and hysteria. Favorite Prescription is a vegetable medicine, and contains no alcoholic stimulant or dangerous narcotic to create morbid cravings. Its action is combined altogether to the distinctly feminine organism, which it heals, soothes and strengthens. It helps to make existence pleasant before baby comes, and on the occasion of the little one's advent, danger is avoided and the pain reduced to almost nothing.

Mrs. Ann Wiley (Michigan House of Nursing, Spink Co., S. Dak.) writes: "I am enjoying good health, thanks to your kind advice and medicine. I have been suffering with female weakness and other ailments for more than two years, when I wrote for advice. After carefully following your directions, I have six bottles each of Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery' I am now well and happy woman. I have also taken several vials of your 'Pleasant Pellets' which did me great good."

Accept no substitute, which a dishonest dealer may urge as "just as good" as "Golden Medical Discovery."
