A Remarkable Cure.

Mr. Alexander Moore, a reliable busimar. Alexander Moore, a reliable obsi-ness man, of 1230 S. 13th St., Philadel-phia. Pa., says; "I contracted a violent cold which settled all over me. The pain in my chest and side was excruciating. The doctor gave me medicine and blistered my side, but I only grew worse. Then you gave me a bottle of Brazilian Balm. I had little or no faith in it, but decided to try it. I took 3 or 4 good doses before bed time, and rubbed it well over my blistered side. That night I slept like a top—my first good rest for over a week—and awoke in the morning cured. Brazilian Balm is simply invaluable."

Giant Skeletons Unearthed. San Francisco, Jan. 21.-Contractors employed in government construction work on Goat Island yesterday un-earthed eight skeletons. It is a mystery how they came there, and there are several wild stories afloat. One is that Goat Island, which is now a govern-ment reserve, was the haunt of pirates nd that much buried treasure is hid den on the island. Another is that the island was used by the Spaniards in early days as a burying ground. The skeletons unearthed yesterday are of enormous proportions, few being less than six feet six inches long.

Grip is a treacherous disease. You think it is cured and the slightest cold brings on a relapse.

its victims are always left in a weakened condition - blood impure and impoverished; nerves shattered. Pneumonia, heart disease and nervous prostration are often the result.

Dr Williams' Pink Pills for Pale People will drive every trace of the poisonous germs from the system, build up and enrich the blood and strengthen the nerves. A trial will prove this. Read the evidence:

When the grip hast visited this section Herman H. Eveler, of vit W. Mainest., Jetherson, Mo., a well-known contractor and builder, was one of the victims, and he has since been troubled with the after-effects of the disease. A year ago his health began to fail, and he was obliged to discontinue work. That he lives to-day is a limosta mirade. He says:

"I was troubled with shortbess of breath, palpitation of the heart and a general debility. My back also pained me severely.

"I tried one doctor after another and numerous remedies suggested by my friends, but without apparent benefit, and began to give up hops. Then I saw Dr. Williams Pink Pills for Pale People extolled in a St. Louis paper, and after investigation decided to give them a trial.

"After using the first box I felt wonderfully relieved and was satisfied that the pills were putting me on the soad to recovery. I bought two more boxes and continued taking them.

"After taking four boxes of Dr. Williams Pink Pills for Pale People is mirestored to good health. I feel like a new man, and having the will and energy of my former days returned, I am espable of transacting my husiness with increased ambition.

"Dr. Williams Pink Pills for Pale People are a wonderful medicine and any one suffering from the after-affects of the grip will find that these pills are the specific." H. H. Eveller.
