OUR COUNTRY: First, Last and Forever.
THE miners and operators in the bituminous region have agreed upon eight hours work for one day during the present year.

EDITOR ZERBEY has not yet recovered from the blow he received by Senator Loebe voting for Senator Quay. Our editorial brother hardly knows where he is at.

THE Niagara canal bill has passed the Senate, which is strange in view of the fact that there are cranks in that body who would filibuster against the millennium.

PHILADELPHIA is more concerned than ever about its water supply, since discovering that its mortality from typhoid fever is three times as heavy comparatively as that of New York.

By a unanimous vote the Maine House has approved the ratification of the treaty. Senator Hale is making a wide breach between himself and his constituents.

OUR Democratic friends are beginning a little early their usual quadrennial dispute. The incessant activity of their defeated Presidential candidate probably brings on the fight at this stage.

A SENATORIAL candidate at Harrisburg, accused of buying newspaper influence, says the only papers worth buying are those that can not be bought. The remark shows a sound grasp of the subject.

If the present unprecedented boom in the stock market can be taken as an indication of the return of prosperity, the wild dreams of those who have been predicting an era of good times will be more than realized. The market has been steadily rising, and almost every day in the stock exchanges in the country sees the making of a new record in the amount of sales and in the prices realized. There is scarcely a stock on the market which has not, within the last few months, advanced in a most material degree, and in some cases has doubled in value in that time.

It is to be hoped that the election in February will be the last at which the present Baker ballot will be used, and that the new measure introduced into the Senate by Senator Martin will be a law which will go into effect at the November elections. The law, as proposed by Mr. Martin, provides for the marking of a cross for each name to be voted for, and does away with the party circle at the top of the ballot. It is much to be desired that the ballot should be as simple in its construction as possible, and that when the measure comes before the Legislature that it will not be loaded down with objectionable amendments.

A BILL has been introduced into the Legislature, and passed first reading in the Senate, which declares it a misdemeanor, punishable by fine and imprisonment, "to print or publish in newspapers, circulars or pamphlets, the record or picture of any one convicted of crime, felony or misdemeanor who shall have reformed for a period of ten years and evidenced the same by following some lawful business or employment within the state;" also for "any official or any person to publish or make known the picture or record, unless in court of record, upon trial of some criminal charge against such person;" also, "to print, publish or make known the record of any minor who shall have been committed to the House of Refuge, Huntingdon Reformatory, or any other place for the reformation of minors, accused of offenses or crimes, unless in a legal proceeding wherein such minor shall be charged with crime."

Two Young Men Disturbed.
Newburgh, N. Y., Jan. 25.—Walter White, aged 17, and Miss Mary Sinclair, 18 years of age, of this city, were divorced Monday night in the Hudson river court by Judge White. With six other young people they had eloped to Cornwall, four miles distant, and on returning White and Miss Sinclair, who were some distance ahead of the others, skated into open water, supposing it to be "black ice." The girl became hysterical and held White so tightly that he was unable to grasp hold of a cord thrown to him as a rope, and both went down.

Tim's wife to be a day without Dr. Thomas' Electric Oil in the house. Never can tell what moment an accident is going to happen.

WANTED BY THE CHASE NURSERY.

MANY FEMALE ILLS RESULT FROM NEGLECT.

Mrs. Pinkham Tells How Ordinary Tasks May Produce Displacements That Threaten Women's Health.

Apparently trifling incidents in women's daily life frequently produce displacements of the womb. A slip on the stairs, lifting during menstruation, standing at a counter, running a sewing machine, or attending to the most ordinary tasks, may result in displacement, and a train of serious evils is started.

The first indication of such trouble should be the signal for quick action. Don't let the condition become chronic through neglect or a mistaken idea that you can overcome it by exercise or leaving it alone.

More than a million women have regained health by the use of Lydia E. Pinkham's Vegetable Compound.

If the slightest trouble appears which you do not understand, write to Mrs. Pinkham at Lynn, Mass., for her advice, and a few timely words from her will show you the right thing to do. This advice costs you nothing, but it may mean life or happiness or both.

Mrs. MARY BENNETT, 314 Annie St., Bay City, Mich., writes to Mrs. Pinkham: "I can hardly find words with which to thank you for the good you have done me. For nearly four years I suffered with weakness of the generative organs, continual backache, headache, dizziness, and all the pains that accompany female weakness. A friend told me about your Vegetable Compound and I bought two bottles. After taking these I felt much better, but thought that I would write to you in regard to my case, and you do not know how thankful I am to you for your advice and for the benefit I have received from the use of your medicine. I write this letter for the good of my suffering sisters."

The above letter from Mrs. Bennett is the history of many women who have been restored to health by Lydia E. Pinkham's Vegetable Compound. Ask Mrs. Pinkham's Advice—A Woman best Understands a Woman's Ills

PARSNIP COMPLEXION.

AGUNALDO'S RIDICULOUS DEMAND.
An Alleged Proposal Unknown in the Law of Nations.
Berlin, Jan. 25.—The North German Gazette commenting upon the declaration of Premier Sasasta that Agunaldo had made the liberation of the Spanish prisoners in the Philippine islands conditional upon Spain recognizing the Philippine republic and allying herself thereto, and that Agunaldo had similarly declared the nation's recognition of the Philippine republic, says: "The conditions which the Filipinos seek to attach to the liberation of the Spanish prisoners, who include women and children, is unknown in the law of nations, and unless there is some misunderstanding the leaders of the Tagalos have thereby placed themselves outside the limits of civilization."

THE CUBAN TAXES.

Remarkable Rescue.
Mrs. Michael Curtin, Plainfield, Ill., makes the statement, that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew sicker and sicker, and she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for consumption; she bought a bottle and to her delight found herself benefited from first dose. She continued in use and after taking six bottles, found her self sound and well; now does her own household work, and is as well as she ever was. Free trial bottles of this Great Discovery at A. Wasyly's Drug Store. Large bottles 50 cents and \$1.00.

Clearing House Records Broken.
New York, Jan. 25.—Monday's enormous Stock Exchange business caused a breaking of the records yesterday in the clearing house of the city banks as well as in the Stock Exchange clearing house. It is estimated that all the clearings had been made through the transfers of property or interest due during the speculative era in the 80's, the total clearings would have reached \$500,000,000. The total clearings at the banks' clearing house yesterday amounted to \$347,216,833. The next largest clearings were on Jan. 4, when they aggregated \$315,225,000. This was the largest total since Feb. 28, before the Stock Exchange clearing house was established, when \$295,281,422 were cleared in a single day.

New York, Jan. 25.—Frank A. Magowan, mayor of Trenton yesterday afternoon, after a long illness, died at his home in Trenton. He was 70 years of age. He was proprietor of the Hotel Winslow, on Broadway. Arrested with Butner was Albert Shasman, a waiter in the Winslow. Magowan alleges that he was robbed of \$2,500 in the hotel, and he accuses Butner of having stolen the money from him. While the capture of Magowan was under the influence of a drug placed in his liquor. Butner emphatically denies the charge.

CHRONIC KICKERS.

Some in Every Household in Shenandoah, But They're Growing Less.
Chronic kickers the kidneys—when they're sick. What makes the kidneys sick? A simple thing. They have too much to do.

Most keep up their work, they never rest. Don't blame them for kicking. Ever have your kidneys kick? Ever have a bad back, a lame, weak or aching one? Know it's the same thing? The back aches because the kidneys are blocked. Help the kidneys with their work. The back will ache no more.

It's the best proof for it comes from Shenandoah. Citizens read this case in point: Mrs. Morgan Hopkins, of 219 West Lloyd street, says just what all others say who have used Doan's Kidney Pills. "I have had much trouble with my back and kidneys. I used Doan's Kidney Pills after trying other standard remedies, prescription and home remedies and found them most satisfactory. I told my husband that they did me more good than any other medicine I had yet taken. I did not sleep well and had hot pains in the top of my head and was tired and despondent all the time. I could not shake it off. When I learned of Doan's Kidney Pills I procured them from Kirlin's Pharmacy and I can sincerely recommend them for backache. I will not be without them in the future for I owe to them the greatest relief from my kidney trouble that I ever had."

Doan's Kidney Pills for sale by all dealers. Price 50 cents. Mailed by Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S. Remember the name Doan's and take no substitute.
