Compressed Air Locomotives Delivered at Shenandoah City Colliery.

The two compound pneumatic locomotives ordered for the Shenandoah City colliery arrived from the Baldwin Locomotive Works at Philadelphia and are now at a siding at Blank Ridge, awaiting unloading. They are subjects of much curious interest. They are the first pneumatic locomotives brought to this section of the region. Their trial trips will be attentively watched. Several weeks must elapse before the locomotives are put to use, as the work on the compressors is not finished and the connections by which the locomotives are to be filled with compressed air have not been started. This branch of the work will be hurried, however.

FIGHTING FILIPINOS.

The Insurgents Attack Our Troops At Manila

AND MEET WITH HEAVY LOSS

Our Own Casualties Number a Hundred and Seventy-five.

VERY FEW WILL RESULT FATALLY.

The Killing of an Insurgent Who Had Repeatedly Broken Through Our Guard Lines Precipitated the Battle—Shots From Admiral Dewey's Ships Aid in Putting the Insurgents to Flight and in Enabling General Otis to Capture Several Towns—An Unconfirmed Spanish Dispatch Says Towns Were Destroyed.

Manila, Feb. 6.—The long expected rupture between the Americans and Filipinos has come at last. The former are now engaged in solving the Philippine problem with the utmost expedition possible. The clash came at 8:45 Saturday evening, when three daring Filipinos darted past the Nebraska regiment's pickets at Santa Mesa, but retired when challenged. They repeated the experiment without drawing the sentries' fire. But the third time Corporal Greely challenged the Filipinos and then fired, killing one of them and wounding another.

MAJOR GENERAL OTIS. Almost immediately afterward the Filipinos' line, from Calococan to Santa Mesa, commenced a fusillade, which was ineffectual. The Nebraska, Montana and North Dakota outposts replied vigorously and held their ground until reinforcements arrived.

The Filipinos in the meantime concentrated at three points, Calococan, Gagalangin and Santa Mesa. At about 1 o'clock the Filipinos opened a hot fire from all three places simultaneously. This was supplemented by the fire of two siege guns at Balik-Balik, and by advancing their skirmishers at Paco and Pnadacan. The Americans responded with a terrific fire, but owing to the darkness they were unable to determine its effect. The Utah light artillery finally succeeded in silencing the native battery. The Third artillery also did good work on the extreme left. The engagement lasted over an hour.

The United States cruiser Charleston and the gunboat Concord, stationed off Malabon, opened fire from their secondary batteries on the Filipino's position at Calococan and kept it up vigorously.

At 2:45 there was another fusillade along the entire line and the United States sea going double monitor Monadnock opened fire on the enemy from off Malabon.

EMILIO AGUINALDO. With daylight the Americans advanced. The California and Washington regiments made a splendid charge and drove the Filipinos from the village of Paco and Santa Mesa. The Nebraska regiment also distinguished itself, capturing several prisoners and 100 Howitzers and a very strong position at the reservoir, which is connected with the water works. The Kansas and Dakota regiments completed the enemy's right flank to retire to Calococan. There was intermittent firing at various points all day long.

The losses of the Filipinos cannot be estimated at present, but they are known to be considerable. The American losses are estimated at 20 killed and 125 wounded. The Ygorates, armed with bows and arrows, made a very determined stand in the face of a hot artillery fire and left many men dead on the field.

Several attempts were made in this city Saturday evening to assassinate American officers.

The engagements have proved a ver-

stable slaughter for the Filipinos, their killed being reported as amounting to thousands. The American forces could scarcely have been better disposed. It is now known that the attack was fully expected and that every preparation had been made to meet the contingency.

Firing slackened at noon yesterday, the enemy being apparently demoralized. The American troops, however, are fully equipped to meet a possible attack.

Aguinaldo's private secretary has been arrested as a spy in Manila. More than a hundred wounded Filipinos, taken from the trenches, are being cared for in the American hospitals.

The splendid police system prevented a general outbreak in the city, though several soldiers were attacked by natives in the streets. Lieutenant Charles Hogan and Sergeant Wall were shot by three natives, the former being seriously wounded and the latter slightly. Lieutenant Colonel Colton was attacked by a native with a sword, while riding in a carriage to the front. He killed his assailant with his revolver. A sharpshooter within the American lines shot and killed a sergeant while he was sitting at a window of the Second reserve hospital. Colonel William C. Smith died of apoplexy. Many of the insurgents were driven into the Pasig river and drowned, and several hundred were taken prisoners.

Calococan, where much of the fighting occurred, is about five miles north of Manila and a mile inland. Malabon is about two miles to the northwest of Calococan and on the water front. It was from this place that the cruiser Charleston and the gunboat Concord opened fire on the Filipinos at Calococan. Paco, one of the villages where the California and Washington regiments made a splendid showing, is a suburb a mile from Manila. It is a well laid out town with streets after the American fashion, and is to the southwest of the city of Manila, just near the Pasig river. Malate, from which the monitor Monadnock opened fire, is about two miles south of the capital city along the coast of the Bay of Manila.

OUR SOLDIER DEAD. The Loss at Manila Greater Than First Reported. Special to EVENING HERALD.

Washington, Feb. 6, 3 p. m.—A cablegram just received at the War Department from General Otis, in charge of the United States military forces at Manila, states that the American loss in the battle with the Insurgents Saturday night was 54 killed.

Gen. Otis adds to his cablegram that the insurgent losses were estimated this morning at 4,000.

Verdicts Against Landowners. From Mauch Chunk News.

Three verdicts in one week against the Lehigh Coal & Navigation Company and in favor of the Lansford hotel keepers, will likely end all controversy in our courts about the famous liquor clause. It may occur to the company that to regulate and control the liquor traffic of Lansford it must depend upon the same laws and rules that the citizens of Lehighton, Westley and other portions of the county have to depend upon, to wit: the laws which govern the liquor traffic in the Commonwealth.

COURT AT POTTSVILLE

Hearing Fixed on the Appeal of County Officials.

SURCHARGES ARE IN QUESTION!

The Report of Auditor Coyle in the Scanlan Tax Bond Case Confirmed and a Distribution of Proceeds Ordered. Transfers of Liquor Licenses.

Pottsville, Feb. 6.—Judges Bechtel and Marr were on the bench in motion court this morning. A message was received from Judge Lyon stating that he will be here on Feb. 23rd to hear all cases now in his hands. He expects all parties to be ready. All the cases are applications for new trials, among them being the case of Wilhelm vs. The Schuylkill Electric Railway Company.

THE COUNTY SURETIES. In the case of W. L. Shaefer, et al. vs. R. R. Severn, et al., an appeal from the statement of the county accounts of May term, 1898, the court made an order fixing Monday, April 3rd, at 10 a. m., to hear the appeal. When former County Controller R. R. Severn made his annual statement in 1897 the Taxpayers' Association surcharged certain county officials, and it is the proceeding on these surcharges that the order refers to.

PATENT FILED.

The nomination papers of the Citizens party of the Borough of Shenandoah were filed this morning. No ticket has been nominated for the First ward, with the exception of a minority inspector. The certificates of nomination from the Democratic party of the same borough were filed on Saturday. No ticket is placed in nomination for the Third ward.

THE TAX CASES. To-day was the day fixed several weeks ago to hear argument on the rule to open the judgment entered by the borough of Shenandoah against the sureties on the tax bond of M. J. Scanlan for 1894, but argument has been deferred pending the submission of testimony on behalf of the borough. A date for this part of the proceeding has not been fixed.

REPORT SUSTAINED.

The report of Auditor J. R. Coyle in the case of the Borough of Shenandoah vs. M. J. Scanlan et al. was this morning approved and adopted by the court. The costs of the audit were directed to be paid from the proceeds of the sale and distribution ordered. The borough will take what is left after the rent bill of H. W. Titman for \$150 and the costs of the proceedings are deducted.

TITLE IN DISPUTE.

In the case of D. M. Graham vs. John Lawlor, both parties residents of Mahanoy City, Judge Bechtel stated that the answer of the defendant was defective. Graham seeks to recover property he purchased at Sheriff's sale and now occupied by Lawlor. The latter answers that he does not claim to be the owner of the property, but that one Annie Harry has a deed of record. The court made a rule that Annie Harry appear on March 6th, 1899, and comply with the Act of Assembly in such cases.

NEW POLLING PLACE.

An application was made to court to-day by the electors of the Brownville district to have the polling place in that district changed to the house of Edward Welsh, in the same district. The old polling place was in the house that was destroyed by an explosion of dynamite a few weeks ago.

MINOR NOTES.

The application of Eliza Jane Becker vs. Elsworth Becker for divorce was granted.

In the case of Kuch vs. Whitehouse the rule for a new trial was discharged. The parties are not the well known members of the Bar bearing the same names.

A. W. Schalek, Esq., to-day filed his reasons on an application for a new trial in the case of Zober vs. L. V. R. B. Co., in which a jury rendered a verdict for the company last week.

April 10th was fixed to hear arguments in the Tamaqua church case, in which the title to the Evangelical church property is at issue.

In the divorce case of Henninger vs. Henninger the court approved the report of the examiner.

The court filed an opinion sustaining the demurrer in the case of Justice vs. Feeley & Co.

In the case of J. G. Greib & Sons vs. William Navitzke the application for a rule for judgment in default of affidavit was confirmed by the court.

Application was made by M. Henry Wilhelm, Esq., for the appointment of a commission to inquire into the sanity of William Eklingsham, of Ashland.

Naturalization court was held here Saturday and but one applicant put in an appearance, John D. Kohler, of Cresmona. He was granted his papers.

All applicants for mine inspector of this district have been examined, and the Board will meet again to-morrow and pass upon the qualifications of the three candidates. The name of the successful candidate will probably be announced during the week.

H. M. Welles, of Lehighville, the first tax collector to make final settlement on his 1898 duplicate.

The County Commissioners have fixed the salaries and named the appointees at the county jail. There were but two changes made. C. D. Arters takes the place of John Hagar, clerk, and Dr. A. L. Gilman will assume the duties of prison physician, vice Dr. E. L. Straub, of Minersville. Warden Levant and the other attaches are re-appointed.

George J. Wadlinger, Esq., who has been in poor health for some time, will leave the latter part of this month for an extended trip to Florida and Cuba. He will be absent several weeks and his many friends hope for a change for the better in his health.

Dr. Bull's Cough Syrup is a very efficient remedy. For coughs and colds it has no equal. It is good for adults and children. For croup and whooping-cough it is invaluable.
