High Priced Fish.

At a certain season of the year-usually bout the 1st of October-it is the custom the great parks in Chicago to permit fish-ing in the artificial lakes at certain hours in the morning, the fishermen in all cases being required to use the boats that are kept for hire. This is to prevent the banks from being thronged with gangs of hood-

Early one October morning the editor of one of the great Chicago dailles appeared at a West Side park with a friend, both equipped with fishing outfits of the most approved pattern. They secured a boat, and then the editor laquired if there were any live minnows on hand.

The keeper of the boathouse inspected his bait bucket and found just one, a diminutive specimen about an inch and a half in length. He fished this out and handed it over. Handing him a silver half dollar and telling him to keep the change, the editor took the minnow, elimbed into the boat and rowed out to the middle of the lake, where he fished for half an hour without result.

At the end of that time he hauled in his

"What did you get?" he was asked when he appeared at the office later in the 'One fish," he replied, "and it cost me

There is a well substantiated case of a man who, imbued with the notion that 13 was an unlucky number, could not keep it out of his calculations. Everyhing he saw, everything he was engage in, seemed to him to suggest the fatal number until at last melancholia of the most pronounced kind rendered him unfit

If you have ever visited a lunatic asylum, you will have found at least one lunatic who persists in walking round and round a more or less accurate circle cause of his insanity you would have found out most probably that he went mad originally through his seeing some circular motion and feeling impelled to

It might have even been that a humming top caused him to get up and run round and round the room or that he started to do so when playing with a little child. Too much waltzing has even been known to produce the same mania in a mild form, and the habit of running. walking or even writing in circles, a form which has an extraordinary attraction for some people, is invariably attended with

But quite the most dangerous habit-of mind, that is—and one against which readers of this article should be warned is the fear of insanity, which, strangely enough, frequently induces it.-English

What Shall We Do.

A serious and dangerous disease prevails n this country, dangerous because so deceptive. It comes on so slowly yet surely that it is often firmly seated before we are aware of it.

The name of this disease which may be livided into three distinct stages is, First, Kidney trouble, indicated by pain in the back, rheumatism, lumbago, frequent desire to flow of urine being copious or scant with in the next week's work.

If allowed to advance, this reaches the Second stage, or Bladder trouble, with heavy pain in the abdomen low down between the navel and the water passage, increasing desire to arinate, with scalding sensation in passing, small quantities being passed with tine, tooked carefully at the minnow, difficulty, sometimes necessary to draw it took a pencil and notebook from his pocket, did a little figuring and returned formed, it will prove dangerous if neglected. difficulty, sometimes necessary to draw it The Third stave is Bright's Disease,

There is comfort in knowing that Dr. Kilmer, the great kidney and bladder specialis', has discovered a Remedy famous for its marvelous cures of the most distressing ever paid for live fish in Chicago. - Youth's cases and known as Dr. Kilmer's Swamp-

It is sold by all druggists.

A Curler's Judgment. The late James Baird of Garthsherrie, who in 1878 gave a sum of £500,000 to the

Church of Scotland, was very fond of curlng, called in Ayrshire playing at the ice. He was captaining a side, and it fell to the lot of the incumbent of his new church to play the last and deciding shot of the game. Mr. Baird pointed out to him the position in which he wished him to lay the curling stone, but his protege only sent the stone some half way up the are so exceedingly slight should make one doubly cautious of contracting it. The patient will count everything, from chimney pots to raindrops, and his mind is the next."-London Chronicle

THE MODERN WAY

Commends itself to the well-informed, to lo pleasantly and effectually what was merly done in the crudest manner and sagreeably as well. To cleanse the system and break up colds, headaches, and fevers Unfortunately, however, we have not all the energy of will and robustness of mind of these two Titans, and the result is that with ordinary more than the result is

Cancer.

Having observed that in certain forms of cancer the lymph glands are not affect: ed at all, Dr. Herbert Snow, an English cancer specialist, has been led to the interesting and important conclusion that it is the function of these glands to resist and actually destroy the cancerous growth. This takes place up to a certain point. The gland is eventually overpowered by numbers, but the contest is often an obwinate one, and the number of infective particles killed must be very considerable.

An Important Question.

If your friends or neighbors are suffering ross cous s, colds, sore throat, or any throat day from your grocer, follow the directions in them if they have over used Otto's Cure, healthful table beverage for old and young. This famous German remedy is having a 15c. and 35c. arge sale here and is performing some won derful cures of throat and lung diseases. No matter what other medicines have failed to do, try Otto's Cure. Large sizes 25c and 50c. Sold by all druggists.

DOLLS FROM SAXONY. Makers of the Celebrated "French"

Ones an Interesting Community. In the forests of Saxony, Germany, are thousands of thatched huts in which dwell the makers of the celebrated "French"

dolls. Not many years ago a traveler rid-ing through these noble forests might have seen drying in the sun before the queer houses thousands upon thousands— whole acres—of doll heads. That was in the day of "composition" heads, but now the doll heads are manufactured of bisque in the factories of Dresden and other cities, whither the peasant dollmakers trudge each Saturday with big baskets tinued to spread until piled full of beautiful new dolls, taking her head was auttable back to their pitifully poor homes the blank heads, wigs, kids for the bodies, arinate often with a burning sensation, the hands and feet and other parts to be used

The father works daily in the forests. and all the rest of the family engage heartily in the work of dollmaking. The good wife tints the cheeks, paints the eye-brows, adjusts the wig and makes the tiny shoes. The boys fasten the jointed limbs together, stuff and cover the body and get it ready for dressing, while little Gretchen makes the wee stockings and the prim muslin skirt in which the lady dolls the great ocean to the shops in the big cities of America, where Santa Claus goes

All through the rainy season the father also sits about the fireside working with his family. On Friday night the faithful frau packs the dolls in large shallow baskets and prepares a lunch of bread and cheese, for the Saturday's journey is long, and Hans may have to carry his basket 20 miles or more before he reaches the village or town where the commission merchant lives who is to buy his wares. Hans is very proud if he is paid at the rate of 1

Charles only became popular after the execution of Charles I, and George came in with the Hanoverlan dynasty.—Notes and Omeries. dynasty.-Notes and Queries.

Eczema! The Only Cure. Lauer's Pilsner

Eczema is more than a skin disease, and no skin remedies can cure it. The doctors are unable to effect a cure, and their mineral mixtures are damaging to the most powerful constitution. The whole trouble is in the blood, and Swift's Specific is the only remedy which can reach such deep-swated blood diseases.

Eczema broke out on my daughter, and son her head was entirely covered. She was treated by several good doctors, but graw worse, and the dreadful disease spread to her face. She was taken to two celebrated health springs, but received no benefit, Many patent mediatus

patent medicines were taken, but without result, until we decided to try S. S. S. and by the time the first bottle was finished, her head be gan to heal. A dozen hottles cured her completely and left her skin perfectly smooth. She is now sixteen years old, and has a magnificent growth of hair. Not a sign of the dreadful disease has ever returned.

Don't expect local applications of soaps and salves to cure Eczema. They reach only the surface, while the di-sease comes from within. Swift's

S.S.S. For Blood is the only cure and will reach the most obstinate case. It is far ahead of all similar remedies, because it cures cases which are beyond their reach. S. S. is purely vegetable, and is the only blood remedy guaranteed to contain no potash, mercury or other mineral.

Miss Sadie Wertheim, age 14, of Toledo, O, was the winner of the first prize for execution on the violin at the Brussels

their greatest efforts. Washington was said to be "I, st in war, first in peace and first in the hearts of his countrymen." It is a great thing to be first. Nothing is of more value to mankind and brings greater happiness than a good remedy. Many things will relieve but the one that will cure is best. Brazilian Balm Is such a remedy. Tens of thousands have found that it is the only thing that would cure Cary the form of pour digestion, which causes corps of underlings and secretaries. My tarrh and Asthma. For 15 yrs. it has nevand its record has been as wonderful in Catarrh. Cases that had, to all appearances, run into Consumption, or where the nostrils were entirely stopped upor where the poisonous pus had eaten holes into the throat an inch deep, or where the stomach had become ulcerated and raw from swallowing the germ-laden matter, were all permanently cured. Such a record, unknown to any other remedy, just-ly entitles the Brazilian Balm to the first place in the regard of the American peo-ole. There are 20,000,000 Catarrh victims and countless Asthma sufferers in this country, all of whom can be cured with Brazilian Balm. A \$1.00 bottle of Brazilian Balm contains a month's treatment for catarrh or asthma, and for 6 months we will wrap with each \$1.00 bottle a mouth's treatment of Toxicola Tablets, tree. Toxicola is the heat tonic and nerve and strength builder known to science. This is the greatest offer ever made. Ask your druggist and take no substitute. B. JACKSON & Co., Mfg. Chemists, India-
