## It Will Tell a Different Story if You Will Use Dr. Greene's Nervura.

Your mirror will tell you the bitter truth. Bealthy women look younger than their age, but you look far too old for your years. Seattle, Witch., Feb. 20.-Advices from Dawson say that Lieutenant Castner, of the Fourth United States, infantry, who started almost a year ago from the southern coast of Alaska to explore the interior and find, if possible, an all American trail to the Yukon, has arrived there. Just as hope was almost gone the party drifted into an encampment of Tanana Indians. Here they were hospitably treated and conducted to the camp of white men a hundred miles up the stream, where the party rested until a boat could carry them to the Yukon.

Lieutenant Casiner found all maps to be incorrect. His aneroid barometer failed to work, and in consequence he was unable to measure the height of

the mountains or the passes. The lieu-tenant says, however, that there is a feasible route for a trail or railway from the coast to a point on the Yukon river below Circle City, but lack of provisions prevented him from taking the time to map it out.

The senate bill to reimburse the governors of states for expenses paid by the states in organizing volunteers for service in the war with Spain before their muster into the service of the United States was also passed under suspension of the rules. The bill appropriating \$500,-000 for the Pan-American exposition to be held at Buffalo, N. During almost six hours yesterday afternoon the postoffice appropriation bill was under discussion in the senate, the time being consumed largely by Mr. Butler (Pop., N. C.) and Mr. Pettigrew (Sil.
