The employes of that company at Worcester, Mass., alone will receive \$125,000 more this year than formerly. And yet, in the face of these facts, the free silverites and calamity howlers will tell us that the country is going to the dogs.

COL BOYDEN, a member of the 400 of Brooklyn, N. Y., had been a widower for several years, but on Friday night last he came to the conclusion that he wanted to marry again and concluded also that he could not walt until the next day. His prospective bride being, like Barkis, quite willing they roused a parson from hi slumbers at 1 o'clock a.m. and were married in due form. The Colonel's wedding was, therefore, a little out then every pulse-beat carries of the usual run of such events. It. results, too, are a little unusual, as the Colonel's bride is the sister of his son-in-law, so that the gallant old veteran of the civil war becomes the brother-in-law of his son-in-law and the uncle of his grandchildren, while his wife becomes the stepmother of her brother and the grandmother of her nephews and nieces, and, in the usual course of events, it is possible these complicated relationships will become still more badly mixed up.

Coroner's Jury Exonerates Hauser. Stroudsburg, Pa, Feb. 24 .- The coroner's jury yesterday held an inquest over the remains of the dead burglar who was shot at Water Gap by Post-master Milliard Hauser, while attempting to rob the postoffice at that place. The dead man was John Gleason, of Newburgh, N. Y. The verdict of the jury is that Hauser is entirely exoner-

ated from all blame, as he was protect-ing the property of the United States government, as his oath requires. There is no clew to the other robbers, who es-

## Crippled by Rheumatism.

Those who have Rheumatism find themselves growing steadily worse all the while. One reason of this is that the remedies prescribed by the doctors contain mercury and potash, which ul-timately intensify the disease by caus-ing the joints to swell and stiffen, producing a severe aching of the bones. 8. S. S. has been curing Rheumatism for twenty years—even the worst cases which seemed almost incurable.

Capt. O. E. Hughes, the popular railroad conductor, of Columnia, S. O., had an experi-ence with Rheumatism which sonvinced him that there is only one sure for that painful dis-case. He says: "I was a great sufferer from mus-cular Rheumatism for two years. I could get no permanent relief from any medicine prefrom any medicine pre-scribed by my physician.
