UNFORTUNATE CHILDREN. Father in Jail and the Mother Died Last Night.

Night.

The attention of a reporter was called to day to a case of peculiarly distressing circumstances. Ecoch Galunis, of Lost Creek No. 2, was convicted before the Pottsville court three months ago on a charge of selling liquor without a license and is now serving a sentence of eight reonths imprisument. He left at home a wife and four children agod, respectively, 15, 8, 6 and 4 years 4 week ago last Monday the mother was stricken down by pneuroonis, and last night she died, leaving the 15-year-old son the sole she died, leaving the 15-year-old son the sole caretaker of the family. This morning the boy was in town to see what could be done towards securing the release of the father from jail. William Snyder, of town, went to Pottsville this morning to me what could he done in that direction. The case is one of the most singular that has been brought to the attention of the public for some time Galania was convicted on a prosecution by Mrs. Barrowsparrow, of Lost Creek No. 1, whose husband went to jail on the same kind of a charge. Efforts will be made to present the case to the court in such a manner as to at least have Galunis released on parole un-til he can arrange for the funeral of his wife and place the children in the hands of friends. Thus far no friends have come for-ward to sid the children.
