GOMEZ SNUBS OUBAN ASSEMBLY

A Committee Called on Him For an Explanation of His Agreement With

Havana, March 11.—The only obstacle now in the way of paying off the Guban troops is the completion of the rolls, a work which is being hastened by Inspector General Roloff. He says that in some cases the rosters of the commands that he created as the old that in some cases the rosters of the commands must be created, as the old rosters are either missing or too de-fective to be useful. He points out that the insurgents often have no paper, pens

received their appointments because the Cubans have had no other way of recognizing bravery and stimulating enthusianm. "It may seem," he says, "a cheap sort of promotion, but it meant a good deal to the Cubans." General Gomez continues to produce an exception of the course of the course

General Brooke, which the committee declared had prevented a successful issne of the assembly's financial project General Gomez declined to comply with the request.

Whether General Brooke's message declaring that the United States will not recognize any financial obligation entered into by any persons claiming to represent the people of Cubs, without the president's authorization, was delivered to the assembly has not yet developed but it appears that the menveloped, but it appears that the members of the assembly fear that this mes-sage will be followed by others of a

more stringent nature.

A dispatch from Santiago de Cuba The results of the policy insuggrated at Havana of discontinuing public works in this province and throw-ing men out of employment are beginning to show. On Thursday six bandits were captured in the neighborhood of Concepcion, all of whom were formerly workers in the road gangs. They say they have no money, and must either rob or starve. They have been lodged in the city jail, but considerable sympathy is displayed in their behalf by the popu-

Much the same sort of thing is happening in the district of Holguin, where a brush between bandits and gendarmes resulted in the killing of one of the former. Nevertheless, it is not expected that these troubles will take a serious turn, owing to the probability that work will be resumed early next week.

MUNYON'S THE CUBAN ARMY ROLLS IN AN EASTERN HAREM.

Some Wonderfully Valuable Things for Women to Know

science and education have disclosed some facts which are of the most vital value and importance to womankind. The wooderful health and beauty possessed by the in-mates of these harems has always been known and acknowledged, but it is the reason for the maintenance Explanation of His Agreement With
General Brooke, But Received No
Satisfaction.

Havana, March II.—The only obstacle now in the way of paying off the
Cuban troops is the completion of the
tolls, a work which is being hastened
by Inspector General Roloff. He says
that in some completion of the says
that in some completion of the says
that in some completion of the says
that it women of eastern harens never work.

The hart, the toilet, the dance,
and the says make and the sweatments, make Run cattal up the life of the haren's houri. What wonder that with such care of herself she can mainor ink.

General Gomez explains that 6,000 commissioned officers and 10,000 non-commissioned officers are relatively large numbers in an army of 32,000 privates, but that these officers, in many cases, received their appointments because the Cubans have had an other section.

sood deal to the Cubans." General Gomez continues to produce an excellent impression upon the American military authorities.

The stories printed here, and elsewhere, to the effect that Governor General Brooke intends to request the Comban military assembly to discontinue its meetings are officially denied. Another secret session, though it is said there was no quorum, was held yesterday. Yesterday the committee appointed on Thursday by the assembly called upon General Gomez to ask an explanation of his conduct and a definition of the understanding reached between him and General Brooke, which the committee declared had prevented a successful is women about remember also that in taking to the declared had prevented a successful is women about remember also that in taking to the declared had prevented a successful is women about remember also that in taking to the declared had prevented a successful is women about remember also that in taking the taking to the declared had prevented a successful is women about remember also that in taking the taking to the declared had prevented a successful is women about remember also that in taking the declared had prevented a successful is women about remember also that in taking the taking to the women.

Women should remember also that in taking Dr. Greene's Nervura they are using a regular physicians's prescription, tested and proven for years in the enormous practice of Dr. Greene, of 35 West 14th St., New York City, who is acknowledged to be the most successful physician in curing nervous, chronic and female complaints, and that women can consult Dr. Greene freely and without charge, either personally or by letter.
