Becker Makes Another Confession
to the Chicago Police.
CREMATED THE BODY OF HIS WIFE
After Killing the Woman the Murderer Cut the Body Up and Boiled It in a Large Kettle, Burnt Up What Remained.

Chicago, March 15.—Auguste Becker, the sausage maker who has been under arrest for four weeks on a charge of murdering his wife, made a full confession last night. He said that he cut his wife to pieces and burned the remains in a stove. Becker, when first arrested, admitted killing his wife, but declared he pushed the body off Randolph street viaduct into the lake, and that she was drowned.

In his confession Becker said he had killed his wife by striking her on the head with a hatchet in the kitchen of his home. He then cut the body to pieces and carried it to a large kettle. Becker says he took what remained and burned it in a stove, the fire having been prepared by him. The bones which would not burn he buried on the prairie near his home. Becker asserts the crime was not premeditated, but that he quarrelled with his wife on the afternoon of Jan. 27, and in the heat of passion he struck her on the head with the hatchet.

The piece of lung and a portion of calico which were found under the barn, and which the police believe to be strong evidence against Becker, he says could not be any part of the body of his wife, as he is certain that he destroyed every particle of flesh, and he maintains the dress which she wore was entirely burned.

A Clever Trick
It certainly looks like it, but there is really no trick about it. Anybody can try it who has lame back and weak kidneys, malaria or nervous troubles. We mean he can cure himself right away by taking Electric Bitters. This medicine tones up the whole system, acts as a stimulant to the liver and kidneys, is a blood purifier and nerve tonic. It cures constipation, headache, fainting spells, sleeplessness and melancholy. It is purely vegetable, a mild laxative, and restores the system to its natural vigor. Try Electric Bitters, and you will know they are a miracle worker. Every bottle guaranteed. Only 50c. a bottle at A. Wasley's drug store.

Strikers' Look an Army.
Lake City, Colo., March 15.—Armed Italian strikers prevented other miners from going to work yesterday in their place at the Hidden Treasure and Union and Ulay mines. The strike was declared on account of an order requiring all miners without families to take their meals at the mine boarding house. The army was broken open Monday night, and the arms and ammunition there were stolen presumably by the strikers or their sympathizers. The county commissioners will hold a conference today with the mine superintendents, and will notify them that unless they agree to discharge all Italians they will be left to settle their difficulties as best they can.

Passenger Train Still Blocked.
Cheyenne, Wyo., March 15.—The Cheyenne and Northern passenger train which has been for three weeks blocked by the snow near Iron Mountain is apparently little nearer being released than it was ten days ago. The rescuing work train is still more than ten miles from the passenger. The snow in many places is ten feet deep, and frozen hard. During the past 24 hours 35 men, with picks and shovels, did not make more than 150 yards. It will require several days to get to the train. There are now plenty of supplies for the passengers.

Consumption Cured.
BROUGHT BACK FROM THE GRAVE.
Last November Mr. Joseph James, painter, of 325 W. Pearl St., Indianapolis, Ind., was at death's door with quick consumption. Wasted to a skeleton, his lungs a mass of ulceration; his death was hourly awaited by his doctor and family. He was kept in a constant stupor with opium. A friend, thinking to relieve his terrible cough, gave him a bottle of Brazilian Balm. Seeing its wonderful effect, the doctor advised its continued use. Mr. James soon after dismissed his doctor, and depended on the Balm alone. His recovery was rapid and complete, and in February he returned to work. His lungs are sound, and his weight greater than at any time in his life. His recovery is regarded as almost a miracle.

APPLAUDING GOMEZ.
Cubans Generally Resent the Action of the Assembly.
ONLY ONE POWER IN THE ISLAND
The Deposed Cuban Chiefain Recognizes Only the United States—The Assembly Issues a "Document of Justification."
Havana, March 15.—The action of Civil Governor Mora and the police department in attempting to prevent Monday's popular manifestations in favor of General Maximo Gomez is strongly censured, and the ill will against the police runs high. The people consider that their rights and freedom have been attacked. The action of Governor General Brooke in restraining the Cuban authorities from interfering has pleased the people, and is favorably commented upon. It is rumored that several officers of the police force, who were formerly in the Cuban army, will resign. The occurrence has done much to destroy the popularity and efficiency of the new police force.

General Gomez is receiving hundreds of telegrams from all parts of the island expressing the people's allegiance and loyalty to him and to Cuba. General Cespedes, who defended General Gomez at Saturday's session of the military assembly, has resigned his membership of that body. Senior Mola also resigned yesterday.

Gomez says he recognizes only one power in the island—that of the United States. All that the Cubans can do, he declares, is by permission of the American authorities, and therefore the military assembly can only talk. In his opinion the assembly is acting as if it were the power to get money out of the United States. In this connection he points out that the assembly first proposed to ask \$80,000,000. As for himself, he avers that he is not a beggar. The United States government offered the \$3,000,000, and he has never been obliged to ask for it. Indeed, he says, to ask more would be undignified and improper.

To all callers General Gomez speaks lightly of the assembly, declaring that it was his creation, as he did not wish to appear a dictator, and that the real military power, who took no part in the vote to depose him, will now resign. He calls the assembly "a collection of black clouds, with much thunder, but little rain."

The military assembly met yesterday afternoon, with the ordinary guard. Most of the time was occupied in discussion of the proclamation which is to be issued with a view of justifying last Saturday's action in the eyes of the people.

General Sanguily introduced a motion protesting against the acceptance of the \$3,000,000 loan, with a long preamble declaring that the assembly was ready to co-operate with the United States in maintaining order in Cuba. The motion called for the adoption of the resolutions "in the name of the armed people of Cuba." The first extended for the thanks of the assembly to the United States for aid during the crisis. The second thanked the United States for the offer of \$3,000,000, but went on to assert that owing to the assembly's exact knowledge of the needs of the Cuban soldiers its members consider it their duty to decline the loan. "We cannot honorably accept it as a gift, but only as a loan," the resolutions proceeded, "as President McKinley's authorization is necessary to raise funds needed to accomplish the disarming of the Cuban troops and exclusively used for this purpose." The third resolution appointed a committee of three to present these conditions to President McKinley. General Sanguily's motion was carried by 18 votes against 4.

The "document of justification" was then read. It is very long, and cites cases to show the disobedience of General Gomez to the assembly, declaring that those familiar with the inner history of the war know that strained relations always existed between him and the Cuban civil authorities. It reviews his interview with Mr. Robert Porter, and lays stress upon the fact that Gomez refused to resign, and that during the last two months. The document is in effect an apology of the members of the assembly—a declaration that they have done their duty.

Certain passages referring scathingly to the people of Havana who expressed their disapproval of the assembly's action on Saturday, were omitted after an undignified and heated discussion. An attack on the assembly, printed at Matanzas and signed by the mayor of Matanzas and others, was read.

The document of justification was finally accepted by acclamation, the assembly deciding to send the committee after which it went into secret session, presumably to discuss means to obtain funds for meeting the expenses at Washington of the committee appointed to present the resolutions. Senores Villalon, Hovin and Despaigne. If their traveling expenses are covered they will proceed to Washington, nominally to hand the resolutions to President McKinley, but really, it is said, to negotiate the mysterious loan which has been the subject of the private sessions. The assembly failed to recognize the possibility that President McKinley will not recognize it or its members officially.

General Gomez is about to issue a statement begging those who have entrusted petitions to him for his own action or for recommendation to General Brooke to call at his office for their return. Having ceased to exercise the functions of commander-in-chief, he says he must not appear to usurp powers of which he has been bereft. The statement will lament his inability to serve the public.

My little six-months old girl had Eczema. I washed all kinds of remedies, but she kept getting worse. I used to wrap her hands up, and to dress her, had to put her on the table. Four boxes of CUTICURA (ointment), two cakes of CUTICURA Soap, and CUTICURA RESOLVING cream, cured her, and restored her to health. Feb. 7, 1915. Mrs. G. A. CONRAD, Lisbon, N. H.
