Washington, March 24 .- The capture of Caloocan, in the Philippine Island of Lauzon, by the United States forces recently resulted in the confiscation of conaiderable mail addressed to the insurgent government. In includes a number of letters of Aguinaido and other leaders and brings out some interesting facts about Filipino official methods. Postal Agent Vaille, at Manila, has forwarded ome of the mail to Acting Postmaster General Heath.

One letter is addressed to Aguinaldo's so-called secretary of the treasury, and is in reply to a request for money. The writer is apparently the fiscal officer at Lucena, Luzon, to whom the insurgents had entrusted the duty of "squeezing" the merchants, and he has apparently confiscated for the insurgent cause a lot of cocoa fiber belonging to a large tobacco company. To atone for his absence he says he or dered all the local municipal presidents to get up demonstrations and cry: "Long live Filipino independence, and down with annexation."
