FINANCE AND TRADE.

Despite Trusts and Stock Speculations, Business Steadily Improves, New York, March 25.-R. G. Dun & Co.'s weekly review of trade says: Busi-ness is not trightened, either by the great capitalizations of new companies or by the wild fluctuations in Wall street. No matter how much the stock operations in New York may count, business elsewhere is large enough to warrant a wonderful expansion of industries, and that is the thing most important to ob-serve. In no considerable branch has production diminished, but in practically all lines it has been increasing during the Partiy cloudy; warmer in southern por max week.

Bradstreet's review says: Stormy For Delaware and Maryland: Increasweather, retarding spring distribution ing cloudiness in some sections, has imparted an ir- brisk custorly. It makes the liver, kidneys regular appearance to general trade, while some few reductions in prices of skin and bowels perform their proper work. It removes all im-purities from the blood. And it makes the blood rich in its lifeleading staples, notably raw cotion and wool, copper and some few other metals, serve to break the otherwise almost unvarying appearance of strength of staple

values. The general commercial situa-tion, however, continues to present much WEIGHT !! apparent strength, and the few lines that note a quieter tone of business find ready

way, again developed some good foreign buying. One Killed, Another Bilnded. Durham, N. C., March 25.-Yesterday five inch pipe in a pumphouse at the Durham Cotton Manufacturing com-

pany's mill burst with fatal results. W H. Branson, secretary and trensurer of the mill, was so terribly scalded that he died a few hours later. J. C. Mathes, the superintendent of the mill, was terburned about the face, and will
