### THEIR MARRIAGE ANNULLED.

annulling the marriage of Rachel F. Peele, of Jersey City, and George F. Fisher on the ground that there was no trait and the ground that there was no trait and the ground that there was no trait and novel one in point of law.

Two years ago Fisher was a student at the University of Michigan, and Miss Peele was taking a special music course at the same institution. They became engaged to be married. Fisher intending first to go to Mexico in the hope of making a competency. According to Miss Peele's testimony Fisher feared that she mi at tire of her engagement and asked for to go through a marriage cere mony to bind the engagement, but not with any idea that it should make them husband and wife. Miss Peele con-sented. They were married in Toledo. but continued to maintain towards each other the relations of single persons. Fisher went to Mexico, where he still is. Recently he wrote home that he was not doing well, and that he felt that he should release Miss Peele from her engagement to marry him at some future time. On the strength of this she instituted proceedings for the annulment of the Toledo mavriage.

## THE BATTLE OF MALOLOS.

But the Rebel Troops Are Being Chased Into Malolos.

OUR SOLDIERS MUST MOVE SLOW.

Robel Entrenchments Bar the Speedy Movement of the Army-General Otis Has Purchased All the Spanish Gupboats in the Philippines.

Washington, March 28 .- The third day of the fighting north of Manila brought little of a decisive character from which the war department officials could indge

what the final outcome of this movement. would be. In all official aunsters the most intense interest provailed, but there was no excitoment and none of that anxiety and tension above during the memorable days of last summer, whou the declaive blows were being struck at

Santingo. Early in the day General Otis cabled the war department a brief but comprehensive dispatch summing up the situation. It disclosed that severy

the situation. It disclosed that servers fighting was going on, with our forces advanced as far north as Mariloa, while the insurgents, under the command of Columbris, O. March 28 — Convict Otis and its neting on the kidneys, there are used, as their of press disputches satisfied the of ficials that the stragetic movement of cutrapping the insurgents between our lines had not proved as successful as the trapender and wave a ball and the pressential softween our lines had not proved as successful as the there and the sectored his fetters and cut his wave a ball and the move had now it is fetters and cut his wave a ball and the move had now it is fetters and cut his wave a ball and the move had now it is fetters and cut his wave a ball and the move had now it is fetters and cut his wave a ball and the move had now it is fetters and cut his wave a ball and the move had now it is fetters and cut his wave a ball and the move had now it is fetters and cut his wave a ball and the move had now it is fetters and cut his wave a ball and the move had now it is fetters and cut his wave a ball and the move had now it is fetters and cut his wave a ball and the move had now it is fetters and cut his wave a ball and the move had now it is fetters and cut his wave a ball and the move had now it is fetters and cut his wave a ball and the move had now it is fetters and cut his wave a ball and the move had now it is fetters and cut his wave a ball and the move had now it is fetters and cut his wave a ball and the move had now it is fetters and cut his wave a ball and the move had now it is fetters and cut his wave a ball and the move had now it is move a ball and the move had now it is fetters and cut his wave a ball and the move had now its a ball and the move had now its a steel saw its intermediate the move had now its a method its and the move had now its a ball and the

and a purwhit by our troops. The insurgent retreat towards Maloleo was slow and dogged, and advantage

was taken of one after another of lines of and the interruption of communications. General Otis' dispatch, although received early yesterday, was sent Monday evening. Manila time, and summed up

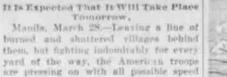

the work of the three days. That the fighting would proceed into the fourth day was shown by his closing sentence The column will press on in the morn

self so that it is looked upon as more of a chase than the execution of a strategic movement. With the American base advanced to Mariloa, and the in irgent base forced back to Malolos, the in bodies of the two opposing forces re about ton or twelve miles apart, this could be quickly covered in a for the day, and the whites were armed. ced march under fair conditions, but but no further trouble is expected.

gineers with MacArthur are hastily rearing the burned bridges. This will smill the artillery to be taken for-It is expected that every mile of the distance to Malolos will be contested by the insurgents, for General Otis reports that it is a stretch of country cov

trenchments. Malolos is the insurgen ensital, where the nearmbly has been sitting and the insurgent government has been in operation. It represents more to the insurgents than any other place in the Philippines, and little douts

The war department officials have no knowledge of Prince Leewenstein, who was killed at Manila on Sunday. There t no record showingthat he had author

ward Mahalon. Those the greatest bittle of the war-will be fought. Tonight will probably find Generals MacArthur and Whesten at the outskiets of the city, and temor-row morning the engagement will begin. Againshis has fied to Malolos and there grounded himself with a powerfu cou of the best lighting men the idaudan muster and is prepared to make r

long resistance. So desperate has the insurgent situa

aiffed to a retreat by Aguinaldo's forces and a pursuit by our troops. The insurgent retreat towards Maloies the Miding on top of a safe in the onless where Miss Sprame is employed as taken of one after another of lines of attendments, the burning of bridges the full of the transmission of a safe in the onless bookkeeper. He was argued with a stil-letto made of half a pair of sciences for attendments, the burning of bridges

his former attenued upon the young Indy's life, with whom he is commored. Riotous Alabama Miners.

Birmingham, Ala., Murch 28.—Serious trouble was threatened vesterilay at the ure mines at Dobusite, where 250 minthere summer the most very because three of M. M. BURKE,

ers armed themselves bornine Investor their number were arrested Saturday night. Will Calvin, a negro, was and and mortally wounded by the informated blacks because he allowed himself to g." This refers to today. The engagement has now shaped it be arrested without resistance. Sheri O'Brien and a dozen of the deputie went to the scene and dispersed the ne groes, the sheriff giving the rioters of

is 12 miles of innumerable difficulties The San Luis firinands All Captured. and obstacles which our troops must cover before they reach the insurgent day the gendarmore empured three no stronghold. It is expected that the en-cineers with MacArthur are hastily re-operating in the San Luis district, m the entire band is now in custod Among those arrested charged with con-

ports that it is a stretch of country cov-ered with the entrenchments thrown up during the last three months. Our men, therefore, must advance slowly, repairing the roads as they go, and at the same time they must fight their way through well made relief en-tremchanging. Matchies is the homeson is entertained that they will make a desperate stand there.

perate stand there. The tactics of Aguinaldo are taking him gradually beyond the range of Ad-miral Dewey's guns. While the insur-gents were at Malabon, on Saturday, they were within a mile of the water front, and easily within range of the fleet. But as they have moved north-ward they have gradually moved away from the bay. Malolos is about seven miles back of the bay, although there are shallow estuaries which would per-mit licht death houts to sent vithin a mit light draft boats to get within a mile or two.

An Excellent Combination.

So desperate has the inemport study fion become that a granulo has issued a problemation that he will put to denta any one who returns to fight. Hunger is playing haves with the in-surgents. No sconer are they take priorities by the Americans than they heg for food, declaring themselves to ke starying. For answer to their requests for food the priorities and persenting the best of Ma-pla, adding that the Americans have been everyone. The plenant method and beneficial

lines had not proved as successful as chain, but with the aid of a steel saw remedy are obtained from semin and designed, and that the move had now he second his fetters and cut his war other around b plants. By a method shifted to a retreat by Aguinaido's forces

ity to go with the army as a representa tive of a foreign government or in any other espacity. It was said that he had enlisted in the regular army, but there is nothing in the war department to show it. Secretary Hay, of the state department, knew Loewenstein in Eng-land, where he was married in 1897. He was of a roving dispesition and to the Phillippines in a spirit of adven

The following cablegram was received by the war department from General Otis on March 10, and has just been

"Have purchased all gunboats in Philippines of Spain, 13 in number, now ut Zambonuga. Half are in serviceable condition. Payment in cash from public fund upon delivery at Manila. They will be sent this week."

### Discovered by a Woman.

Another great discovery has been made i that too, by a lady in this country. "Di case fastened its clutches upon her and for seven years she withstood its severest tesh at her vital organs were undermined an leath seemed imminent. For three month he coughed incessantly, and could not sleep she finally discovered a way to recovery, b surchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so muc elieved on taking first dose, that she slept a ght; and with two bottles, has been al-luiely cured. Her name is Mrs. Luthe Lutz. Thus writes W. C. Hamnick & Co., of Shelby, N. C. Trial bottles free at A. Wasley's Drug Store. Regular size 50c and \$1.00. Everybottle guaranteed.
