Brazilian Balm is such a removed to the control of the gang is believed to be the edy. Tens of thousands have found that it is the only thing that would cure Catarrh and Asthma, For 15 yrs, it has nev-er failed in a single case to cure Asthma, and its record has been as wonderful in Catarrh. Cases that had, to all appearances, run into Consumption, or where the nostrils were entirely stopped upor where the poisonous pus had eaten holes into the throat an inch deep, or where the stomach had become ulcerated and raw from swallowing the germ-laden matter, were all permanently cared. Such a reco were all permanently cured. Such a rec-ord, unknown to any other remedy, just-ly entitles the Brazilian Balm to the first place in the regard of the American peo-ple. There are 20,000,000 Catarrh victims and countless Asthma sufferers in this country, all of whom can be cured with Brazilian Balm. ### OUTLAW'S CONFESSION

May Save Two Innocents Serving Life Sentences For Murder.

AN ORGANIZED BAND OF ROBBERS

Who, According to the Confession of a Member of the Gang, Have Been Gullty of Many of the Crimes Charged Against the Dalton Boys,

Kansas City, Mo., March 29.-The Star prints a three column story regard One of the gang is believed to be the murderer of Joseph New, who was killed in Greenwood county. Kan., two years ago, for which crime New's wifand George H. Dobbs are now serving life sentences. So firmly does Warden Landis, of the Kansas penitentiary, be-lieve in the innocence of Mrs. New and Dobbs that he will immediately urge Governor Stanley to pardon them. Frank Altgood, alleged to be the real murderer, is in juil at Iola, Kan, under charge of forgery. Alvin Ballard, serving an eight year sentence in the Kausas pententiary for horse stealing, has confesses that he, Altgood and "Bill" Turner were the murderers of New, and that Mrs New and Dobba are absolutely innocen-Turner has not been found.

It seems that the men who inurdered New and robbed his dead body conspired afterwards to convict the widow and Dobbs. The supposed murderer, Air good, according to Ballard, even wen so far as to try to get on the jury which convicted them. Ballard goes on to say that he. Altgood and Turner were memhers of an organized gang of thieves and murderers that operated in south eastern Kansas. As a result of his con-fession 18 stolen horses, a bag of counterfeit silver dollars and a counterfeiting outfit have been recovered. Fifty other horses stolen by the gang have been lo-cated. Besides Altgood, B. L. Mathex Mary Mathes and Herbert Simpson are under arrest. The officers are on the trail of other members of the gang. Of-ficers who have been working on the case have corroborated many of Bal-

lard's statements. Ballard confessed to the prison officials

several days ago, and the arrests noted were the outcome. Ballard said: "We had runs from Texas and the Indian Territory all through No Mau's Land and the sand hills south of Hutchinson, Kan. We stole horses, buggies and cattle. There are caves and underground houses all over the northern part of the territory and Kansas that were dug or found by the gang. Up in the sand hills they have lots of plate machinery where we turned on the money Mathes' ranch, near Hutchinson, is the hendquarters of the gang. Mathes has a corral on the ranch, in which stolen cattle and horses are driven from the territory and then shipped. There are tools hidden all around the ranch house and a few graves, too."

Ballard described these graves, smiling as he said that no one knew who their occupants were. "A few stragglers," he

Mrs. Mathes, Ballard said, kept a diary of the gang's doings, and was thus enabled to aid in procuring alibis. "This gang," continued Ballard, "did lots of things the Dalton boys were credited with. The older ones in the gang have robbed trains for 20 years, and are guilty of crimes others are suffering for. Three of the men who were in the Missouri train robberies have been robbing the trains and stages in Texas and the southwest for 20 years. Altgood and Jim Kennedy made several holdups near the Blue cut together. Altgood has done a turn in some eastern penitentiary."

Kennedy is believed to be the notorious Jack Kennedy, now in the Springfield, Mo., jail awaiting trial for train rob
