Put Your Finger on Your Pulse

You feel the blood rushing along. But what kind of blood? That is the question. Is it pure blood or impure blood? If the blood is impure then you are weak and languid; your appetite is poor and your digestion is weak. You cannot sleep well and the morning finds you unprepared for the work of the day. Your cheeks are pale and your complexion is sallow. You are troubled with pimples, boils, or some eruption of the skin. Why not purify your blood?

will do it. Take it a few days and then put your finger on your pulse again. You can feel the difference. It is stronger and your circulation better. Send for our book on Impure Blood. If you are bilious, take Ayer's Pills. They greatly aid the Sarsaparilla. They cure constipation also.

Write to our Doctors. When them freely at the particulars in your case. You will receive a product reply, without cost. Address: DR. J. C. AYER, Lowell, Mass.

THE SCANLAN CASE.

Large Array of Witnesses Subpoenaed For To-morrow's Hearing.

No little interest has been renewed in the Scanlan tax bond case by a call for a large number of witnesses to appear at the hearing in the case at the court house in Pottsville to-morrow. Heretofore public interest in the affair has somewhat relaxed on account of the frequent postponements, and the somewhat important developments at the recent hearings, but a movement made yesterday, said to be on the part of the Taxpayers' Association, has added considerable importance to the case.

Yesterday afternoon subpoenas were issued for a number of witnesses, among them former School Directors James J. Dewitt, Timothy O'Brien and T. R. Edwards; School Director Patrick Connors; Frank Hanna, secretary of the School Board; Councilman David E. James, former Borough Auditor George Ploppert and Jacob Baumbarger; W. J. Watkins, former secretary of the Borough Council, and Martin A. Dewitt.

Much speculation is indulged by those who have learned of the call for this array of witnesses as to the object in view. The hearing, which is fixed for ten o'clock to-morrow morning, is to be a continuation of the proceedings which have been under way for several weeks past, and which were instituted by the suricles on Tax Receiver J. J. Scanlan's bond for \$200 to open the judgment entered on that bond by the Borough Council and School Board, on the grounds that the full amount of that duplicate, less exonerations, commissions, etc., was collected and paid over to the proper parties, but that large sums so collected were diverted to the settlement of Mr. Scanlan's 1920 tax duplicate.

Hints For Western Pennsylvania. Hazleton, Pa., March 31.—J. M. Lehigh, representing a bituminous coal operator of western Pennsylvania, yesterday took 150 men from Hazleton and vicinity to McDonald, Pa., where they are to work in the bituminous mines. Most of the men were Hungarians.

An Enterprising Druggist. There are few men more wide awake and enterprising than A. Wasley, who spares no pains to secure the best of everything in their line for their many customers. They now have the valuable agency of Dr. King's New Discovery for Consumption, Coughs and Colds. This is the wonderful remedy that is producing such a furor all over the country by its many startling cures. It absolutely cures Asthma, Bronchitis, Hoarseness and all affections of the Throat, Chest and Lungs. Call at above drug store and get a trial bottle free or a regular size for 50 cents and \$1.00. Guaranteed to cure or price refunded.

PERSONAL MENTION.

Councilman D. E. James transacted business at the country seat to-day.

Miss Katie Richwood has returned to town from Perth Amboy, N. Y., where she was the guest of relatives the past five weeks. Superintendent Edward Reese, of Park Place, was a visitor to town this afternoon.

Tried to Kill Controller Lloyd. An attempt was made yesterday at Wilkesbarre by Constable Dennis Gallagher to kill County Controller Lloyd and his two deputies, Robert Donaghy and Harry Phillips, but the revolver was knocked out of his hand and he was clubbed into submission after a desperate fight. He is now in jail under \$10,000 bail. The trouble grew out of the refusal of Controller Lloyd to approve Gallagher's bill of constable's costs, amounting to \$2,700, on the ground that it needed investigation. Gallagher has been hard pressed for money.

Dr. Bull's Cough Syrup will positively cure croup. Many a home has been made desolate by the loss of a dear child which could have been saved by this great remedy.

Big Deal in Coal Lands. A syndicate of anthracite coal operators from Luzerne and Lackawanna have arranged to take 200,000 acres of bituminous coal lands along the line of the Western New York & Pennsylvania Railroad in the northwestern part of the state. It is expected to develop a tonnage that will add about \$400,000 a year to the receipts of the railway.

PITHY POINTS.

Happenings Throughout the Country Chronicled for Hasty Perusal.

March snaked out. Good Friday to-day. All-Fools day to-morrow. Mainville is suffering from a "girl" famine. The schools and the colleges were idle to-day. An addition is to be built to the Park Hotel at Pottsville. There are ninety-eight patients at the Miners' hospital. A site has been selected at Shamokin for a new shoe factory.

The local lodge Royal Arcanum will hereafter meet in Egan's hall. Joseph H. Richter, of Pottsville, now has a stable of six racing horses. Business men of Port Clinton contemplate organizing a Board of Trade.

Mrs. W. J. Dech is moving her household goods to the home of her mother. It is again reported that the new coal road in the Lehigh region will be built. The Homeopathic Society of Schuylkill county met in Minersville yesterday.

The Vulcan Iron Works at Tamaqua, after a long illness, will resume on Monday. Among the hostesses to be built at Trumbull, Pa. is one by Senator Losh. Dr. U. S. G. Moore, of Shamokin, has been appointed a member of the State Dental Board.

Minersville will celebrate Dewey Day (May 1) with a big parade and patriotic exercises. This is the time when people should prepare to clean their premises of the winter's rubbish.

Patrick Marion, a tramp, turned up at Johnstown, to find an inheritance of \$1,000 awaiting him. At the sixth annual commencement of the McSpencer High school last evening there were ten graduates.

It is expected that Co. B, of Tamaqua, will be reorganized in a week or two, prior to re-entering the National Guard. Judge John M. Kennedy, of Pittsburg, has opened headquarters in that city to boom his candidacy for the Supreme Bench.

The First Defenders will go to Philadelphia on April 18th, to hold their annual meeting and celebration in that city. James Moyer, of Pottsville, is negotiating for the purchase of the U. S. hotel, at Tamaqua, now conducted by Philip Wolf.

Grubler Bros. lost a rubber mat. Some one has a party for these articles, as this is the second one missing in a short while. Two highwaymen nabbed Theodore Lytle, a local politician, near Shamokin, and relieved him of his watch and \$0 in cash.

A lodge called the Coming Men of America has been recently organized in Auburn. It is rumored they admit only boys of good character. Daniel Shepp, one of Tamaqua's most prominent business men, celebrated his 70th birthday anniversary by a social gathering at his home.

P. J. Graham, one of the young Democratic leaders of the First ward, has assumed his duties as keeper of the insane at the almshouse.

Robbers entered Farmer Wilson Sterner's house, at Santes, Northampton county, bound and gagged the hired boy and helped themselves to valuables. Richard Ricanni, of Locust Gap, who returned two weeks ago from the Alaska gold fields, left yesterday to cross the big pond to his home in Austria.

Mistaking his son for a burglar, M. D. McCollum, of Williamsport, fired at the boy, who was trying to get in the house at a side door, but the bullet went wide.

Harry Vot, the jeweler, has added two beautiful wall cabinets as fixtures to his recently remodelled store. Henry Horneville Camp No. 49, Sons of Veterans, last night changed its place of meeting to the Mellet building.

Simon Yedinsky to-day removed his family and household effects to Catawissa. He will make that place his future residence. Dr. Bull's Cough Syrup is unequalled for bronchitis, loss of voice, hoarseness and other throat and lung affections. It cures more quickly than any other medicine.

A False Report.

The report circulated by this morning's newspapers that another big cave-in occurred at Mahanoy Plane late yesterday afternoon, whereby the homes of twenty-five families were endangered, appears to be without foundation. There has been no disturbance of the surface since the end of about a week ago, and this breach has been filled up. The Schuylkill Traction cars resumed traffic over the place this morning. The "fake" report in this morning's Journal was made from the whole cloth.

He Did Likewise.

"It is possible that the Chinese have little appreciation of our humor," said a woman whose visiting card bears four names to identify her, "but I have my doubts. A few days ago I hired a Chinese cook. He was a dapper fellow and before I instructed him in his duties I said: 'What is your name?' 'Wun Lung Lee Sing,' he answered, or something like it. 'Too long,' said I. 'I will call you John.' 'Vally well,' said he. 'What your name?' 'I am Mrs. Augusta de Whilliger von Bumbausen Jones,' said I. 'Too long,' said he. 'I call you Mrs. Tommy,' and he did. His face was child-like and bland and I am not yet convinced that he didn't intend to make a joke."—New York Sun.

Art: 'You had been sketching in the neighborhood—Well, when that painting is finished it will be worth \$100, anyhow. Uncle Ephraim—Ain't there guin to be nothin' else in it? Artist—No, nothing but the horse. Uncle Ephraim—Well, you can't sell it anybody's around here for no \$100. Everybody knows I've offered the boss himself, time an ag'in, for \$15, an take it out in truck.—Chicago Tribune.

THING OF THE PAST.

There Will be no More Gatherings at High Point Park.

During the past winter several cave-ins have occurred at High Point park, owing to the robbing of mine workings beneath the place, and the park is deemed as a pleasure resort. The breaches are numerous, the foundations of the dancing pavilion are badly twisted, and the building is rendered useless. Mine experts say that as the robbing of pillars proceeds the entire surface within the park bounds will be pulled down, and it is not likely that any pleasure gatherings will be allowed in the park during the coming season.

There Never Was a Better Cure Than Pan-Tina for coughs, 25c. At Grubler Bros., drug store.

Embalmers From the West. Harrisburg, March 31.—Elmer W. Moore, special counsel at Pittsburg for the state pure food commission, was in conference here yesterday with Secretary of Agriculture Edge and Food Commissioner Walls in relation to suits instituted yesterday against Pittsburg dealers in preserved meat. Mr. Moore said that samples of meat obtained from seven Pittsburg firms submitted to Dr. E. T. Ashman, department chemist, showed that preservatives, deleterious to health, if not actually poisonous, were used in much of the meat.
