OUR COUNTRY : First, Last and Forever.

You can't fool the people all the time:

HAS anybody heard of Don Carlos, the pretender ? Spain is sadly in need of another revolution.

An anxious public is watching to see where David B. Hill will come in on the Democratic banquet business.

ONCE more we are told the Sena. torial deadlock is to be broken, but the "old man" still remains in the TROP:

TRUE, Uncle Jimmy Minogue is "not as young as he used to be," nevertheless his caustic pen is as chipper as ever.

## What Shall We Do.

A serious and dangerous disease prevails in this country, dangerous because so decepshould be innugurated here, say tive. It comes on so slowly yet surely that it is often firmly seated before we are aware of it.

The name of this disease which may be divided into three distinct stages is, First, Allegheny county who dictates the Kidney trouble, indicated by pain in the back, policy and nominees of the Democra- theumatism, lumbago, frequent desire to tic party in this state, has compelled urinate often with a burning sensation, the Chairman Garman to retire, and has flow of urine being copious or scant with strong odor.

If allowed to advance, this reaches the Second stage, or Bladder trouble, with heavy the girl he loved into his own heart pain in the abdomen low down between the navel and the water passage, increasing desire to urinate, with scalding sensation in passing, small quantities being passed with difficulty, sometimes necessary to draw i with instruments. If uric acid or gravel has formed, it will prove dangerous if neglected.

The Third stage is Bright's Disease. There is comfort in knowing that Dr. Kilmer, the great kidney and bladder Island float daily forth volumes of specialist, has discovered a Remedy famous for its marvelous cures of the most distressing cases and known as Dr. Kilmer's Swamp-Root.

During President Harrison's adbune. ulnistration he was sent to Alaska by the government on a hunt for specimens and had many thrilling experiences. He made a canoe trip alone 900 miles up the Yukon. In the fall of 1894 Funston went to Cuba and enlisted in the Cuban For two years he fought valiant ly for the cause of the insurgents. At one time he was commissioned a colonel and commanded the entire artillery forces of the Cubana under General Garcia. He fired the first dynamite gun used by the Cubans in their war against the Spanish, and was in many severe battles. In one charge he received a bullet just below the heart. He returned to Kausas and had barely re-covered from his wound when Governor Leedy appointed him colonel of the Kansas regiment.
