What Shall We Do.

A serious and dangerous disease prevails in this country, dangerous because so deceptive. It comes on so slowly yet surely that it is often firmly seated before we are aware of it The name of this disease which may be

divided into three distinct stages is, First, Kidney trouble, indicated by pain in the back, rheumatism, lumbago, frequent desire to urinate often with a burning sensation, the assigned to her merely for reasons of flow of urine being conious or scant with state. But, after all, the list of availflow of urine being copious or scant with strong odor.

If allowed to advance, this reaches the Second stage, or Bladder trouble, with heavy pain in the abdomen low down between the navel and the water passage, increasing desire to urinate, with scalding sensation in passing, small quantities being passed with know say that this was an affair of love difficulty, sometimes necessary to draw it at first sight, and they predict a union with instruments. If uric acid or gravel has formed, it will prove dangerous if neglected. The Third stage is Bright's Disease.

There is comfort in knowing that Dr. Kilmer, the great kidney and bladder specialis', has discovered a Remedy famous day on the Caracas from Porto Rico, for its marvelous cures of the most distressing said: cases and known as Dr. Kilmer's Swamp-
