The result of the Chicago election will have considerable bearing on the control of the next Democratic national convention. The election of Harrison as mayor is a defeat for the Bryan forces, and means that Illinois will be arrayed against the silver wing of the party.

THE announcement of the death of William R. Cole, the veteran editor, was a surprise to the many friends of the deceased, and especially among the newspaper fraternity was the announcement received with profound regret. He was a writer of much ability, a genial companion, and a strong and able advocate of the principles of the Republican party.

THE Lansford Record, which should know better, puts forth the claim that Lansford is the only town in the state that sent a Rough Rider to the front.

Whether on pleasure bent or business, take on every trip a bottle of Syrup of Figs, as it acts most pleasantly and effectually on the kidneys, liver, and bowels, preventing fevers, headaches, and other forms of sickness.

Washington, April 5.—Vice president Hoagart is not progressing as satisfactorily as was hoped for, and this morning he was not as well as usual. A disagreeable cough is giving the worst annoyance, and he is unable to throw it off.

Mr. Alexander Moore, a reliable business man, of 1230 S. 13th St., Philadelphia, Pa., says: "I contracted a violent cold which settled all over me. The pain in my chest and side was excruciating. The doctor gave me medicine and blistered my side, but I only grew worse. Then you gave me a bottle of Brazilian Balm. I had little or no faith in it, but decided to try it. I took 3 or 4 good doses before bed time, and rubbed it well over my head, neck and side. That night I slept like a top, my first good rest for over a week—and awoke in the morning cured. Brazilian Balm is simply invaluable."

Des Moines, April 5.—A mass meeting of the miners of the central district of Iowa yesterday afternoon it was voted to order a strike, to take effect at once. The decision involves 2,000 miners. The operators are firm in their refusal to raise the scale.

As well as the handsomest, and others are invited to call on any druggist and get free a trial bottle of Kemp's Balsam for the Throat and Lungs, a remedy that is guaranteed to cure and relieve all Chronic and Acute Coughs, Asthma, Bronchitis and Consumption. Price 25c and 50c.

Belleville, Pa., April 5.—To save his mother from his father's murderous attack Lewis Dennis, of near Milltown, killed his father by a blow with a chair. The dead man, Samuel Dennis, had been subject to epilepsy for several years. Some time after midnight the son heard his mother call for help. Entering her room he found his father had apparently taken issue and was choking his wife. The son could not induce his father to desist, and was forced to brain him with a chair. Mrs. Dennis is still suffering from shock, and physicians fear for her life.

Lincoln, Neb., April 5.—H. J. Winnert, Republican, was elected mayor of Lincoln yesterday by a majority of nearly 800 over A. H. Weir, Fusion. The Republicans elect their city ticket, except one excise man, and elect six of the seven councilmen. At Beatrice the entire Republican ticket was elected. Nebraska City is solidly Democratic, York Republican and Hastings split about even. In the smaller towns party lines were not drawn, the licensing of saloons being the issue.

A CHARMING grandmother! What a pleasant influence in the house is a delightful old lady in good health! Mrs. MOLLIE BARBER, St. James, Mo., writes: "I took Lydia E. Pinkham's Vegetable Compound during change of life, and have passed through that critical period safely. I suffered for years with falling of the womb and female weakness. At times could hardly stand on my feet, also had leucorrhoea. I tried several good doctors, but instead of getting better, grew worse all the time. A friend advised me to try Mrs. Pinkham's Compound. I did so and after taking six bottles, was cured of both leucorrhoea and falling of womb. I am now enjoying good health and feel very grateful for the good your medicine has done me. I would recommend it to all women suffering as I was."

MRS. N. E. LACEY, Pearl, La., writes: "I have had leucorrhoea for about twenty years, and my bladder was affected, had backache a great deal. I tried a number of doctors. They would relieve me for a little while, then I would be worse than ever. I then thought I would try Lydia E. Pinkham's Vegetable Compound. Eleven bottles of Compound and one box of Liver Pills cured me and I am now sound and well. It helped me through the change of life period. I am fifty-five years old."

The women of advanced years who are healthy and happy are invariably those who have known how to secure help when they needed it. Mrs. Pinkham will advise any woman free of charge who writes about her health. Her address is Lynn, Mass.

WARREN P. LELAND DEAD. Landlord of the Windsor Hotel succumbs to an Operation. New York, April 5.—Warren P. Leland, proprietor of the Windsor hotel, died at the Hotel Greenvale at 5:53 p. m. yesterday, following an operation for appendicitis, performed Saturday afternoon at the residence of his wife, Mrs. Leland, and Dr. J. M. Wood, a physician, were with him at the time of his death. Mr. Leland collapsed from nervous prostration about a week ago as the result of the tremendous amount of work he had done, the excitement and worry which he had undergone after the great fire of his hotel. Mr. Leland's wife, daughter and a cousin lost their lives in the fire.

As a proprietor of hotels Warren P. Leland was known the length and breadth of this continent. He was born in Londonderry, Vt., in August, 1844. In early youth he removed with his father to Ohio, where he worked on his father's farm. He attended school and afterward attended Hiram college, where the late President James A. Garfield was one of his preceptors. Early in the sixties Leland was employed by his uncle, Simon Leland, as clerk of the Metropolitan hotel, which stood at the corner of Broadway and Prince street. In several years he saved enough money to go into the management of the Leland hotel in Springfield, Ill., with his brother, Horace S. Leland. In 1870 he and his brother took the Delavan House, in Albany, remaining in control for 12 or 15 years. In 1881 he became proprietor of the old Gardiner House, in Chicago, renaming it the Leland hotel. In 1892, before the World's fair, he acquired the Chicago Beach hotel, near the fair grounds, which he maintained during the exhibition. During the summer seasons of 1894 and 1895 he had the Ocean House at Newport, and during the winters of 1895 and 1896 the Windsor hotel at Jacksonville, Fla. In 1896 he leased the Windsor hotel in this city.

Three Killed by an Explosion. Pittsburgh, April 5.—Three men were killed yesterday afternoon by an explosion at the railroad cap factory at Bradock, Pa. They were W. P. Schooley, proprietor, Frederick Richmond and an unknown man. Andrew Shaffer, a number of others who were in the factory at the time of the explosion were injured. It is not known what caused the explosion. A number of passers by were struck and injured by flying bricks.

The Democrats have elected a police commissioner, city attorney and police prosecutor by small pluralities, the remainder of the Republican ticket pulling through by 2,500 plurality. The city council will be Republican.

CUBAN ARMY DISBANDED. After Taking This Action the Military Assembly last evening voted to disband the army and to dissolve. The army question is now considered settled.

Murdered Wife and Self. Falls Church, Va., April 5.—This little community, largely made up of government employees in Washington, was startled last night by the discovery of the dead bodies of Weston J. Turner and his wife, well do couple, each about 60 years of age, who made their home here. Turner evidently shot his wife while she was asleep and then put another bullet through his own head. A paper of March 23, giving an account of a suicide in Washington that day, and other evidence indicated that the tragedy occurred the night of the 23d. Last night the home was broken into and the dead bodies found. Turner had been in ill health and quite melancholy all the winter. The tragedy evidently was an inspiration of the moment. Turner left an estate worth about \$50,000.

THE KIDNEY COMPLEXION. The pale, sallow, sunken-checked, distressed-looking people you so often meet are afflicted with "Kidney Complexion."

They may also have indigestion, or suffer from sleeplessness, rheumatism, neuralgia, brain trouble, nervous exhaustion and sometimes the heart acts badly.

The cause is weak, unhealthy kidneys. Usually the sufferer from kidney disease does not find out what the trouble is until it is almost too late, because the first symptoms are so like mild sickness that they do not think they need a medicine or a doctor until they find themselves sick in bed.

Dr. Kilmer's Swamp-Root will build up and strengthen their weak and diseased kidneys, purify their diseased, kidney-poisoned blood, clear their complexion and soon they will enjoy better health.

You can get the regular sizes at the drug store, at fifty cents and one dollar, or you may first prove for yourself the wonderful virtues of this great discovery, Swamp-Root, by sending your address to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle and a book that tells all about it, both sent to you absolutely free by mail. When writing kindly mention that you read this liberal offer in the Shenandoah Herald.

THE BEEF INVESTIGATION. Dr. Daly Insists That the Meat "Smelt Like an Embalmed Cadaver." Washington, April 5.—The army court of inquiry yesterday again heard Dr. Daly in regard to the character of beef furnished for the army during the late war. He reiterated his former statements, and his objections to the war commission and declared that the refrigerator beef smelt like a cadaver after it had been embalmed. Dr. Nicoletus, of Philadelphia, who saw service in Porto Rico, corroborated this testimony, comparing the smell of the beef to the odor about dissecting rooms.

Dr. Daly was accompanied to the court by his attorney, Hon. James Hamilton Lewis. Several other witnesses were also examined.

During the session Major Lee presented a letter from Arson & Co., of Chicago, which had been filed in connection with their bid to supply beef for the Santiago campaign, but it was not read. The letter was explanatory of the bid and stated that the firm would be able to preserve beef for 72 hours, the time required by the use of the Powell preservative process.

It Makes General Otis an Agent of the Catholic Church. Hong Kong, April 5.—The Filipino junta here has issued another of the extraordinary statements which have been features of the newspaper campaign directed from here by the agents of Aginaldo. In the present instance the junta claims to have obtained their "information" from American sources at Manila. They assert the existence of "mysterious intrigues" between the Vatican, Major General Wesley Merritt, President McKinley, Major General Elwell S. Otis and Archbishop Ireland, "leading to the latter's journey to Rome." Continuing the Filipino statement: "The Paulist fathers' actions prior to the fall of Manila were suspicious. Now, in conjunction with Archbishop Neale, who is intimate with General Otis, they are endeavoring to procure the former ascendancy of the church in the Philippines, hence they are sustaining General Otis, who is a Catholic and has refused to obey the Washington orders and transfer the command of his force to General Lawton, because he wishes to remain in power and assist the church to recover its real estate. The Paulists' policy is more subtle than that of the Jesuits, and unless they are promptly recalled they will work far-reaching mischief. The Philippines are a valuable hunting ground for the church, hence the Titanic efforts to maintain its supremacy."
