THE "son of his father" is certainly having his troubles in New York.

DEMOCRATIC issues are multiplying these days-and so are the Jeffersonian dinners.

A LEBANON editor has been charged with arson. That the risk all who write red-hot stuff run, comments the North American.

THE Mazet investigating committee in New York bids fair to rival the intense interest in the affairs of that city which the Lexow investigation of a few years ago aroused.

CALIFORNIA'S new law requiring newspaper communications to be signed by the writer is a good thing. At last "Old Subscriber" is to be unmasked, and "Pro Bono Publico" made to disclose his real name.

THE Buffalo newspapers do not appear to be very proud of Uncle Sam's cruiser named after that city. One of them rises to remark that the cruiser Buffalo is making a fine record for herself as a ferryboat between New York and Manila, if nothing more.

THE political opponents of Senator Quay should now be satisfied. They claim to have prohibited his re-election to the Senate, and not satisfied with that have him arraigned in court for conspiracy. The "old man" isn't saying much, but he has evidently been doing some mighty tall thinking these past six months. When he goes at his defamers, there will likely be trouble in the Keystone state for somebody. Keep your ear to the ground !

The men who had suffered for lack of food had only themselves to blame. If there had been mistakes congress was responsible. He admitted that he had never heard of canned roast beef before the war. While it was not very palatable in the tropics, he thought it

The Best Spring-Time Tonic-A Seashure

Trip. When spring-time comes, after the dull, heavy winter weather, we all feel the need of something to tone up the system. For merly this was done by the use of bitter decections, but now-a-days the knowing ones have found that the best tonic is a trip to the ocean beach, and the practice of spending few days on the Shore is finding more a more devotess every year, so much so that the Seaside Hotels make extra arrangements

By S. S. s. entire circulation is in a depraved condition. They are a severe drain upon the system, and are constantly sapping away the vitality. In every case the poison must be eliminated from the blood, and no amount of external treatment can have any effect. There is no uncertainty about the merits of S. S. S.; every claim

made for it is backed up strongly by convincing testimony of those who have been cured by it and know of its virtues by experience. Mr. L. J. Clark, of Orange Courthouse, Va., writes:

"For six years I had an obstinate, running ulcer on my ankle, which at times caused me intense suffering. I was so disabled for a long while that I was wholly unfit for business. One of the best doctors treated me constantly but did me no good. I then tried various blood remedies, without the least benefit. S. S. was so highly recommended that I concluded to try it, and the effect was wonderful. It seemed to get right at the seat of the disease and force the polson out, and I was soon completely cured." Many things will relieve but the one that will curvis best. Brazilian Balm is such a remedy. Tens of thousands have found that it is the only thing that would cure Catarrh and Asthma, For 15 yrs, it has nev-er failed in a single case to cure Asthma, and its record has been as wonderful in Catarrh. Cases that had, to all appearances, run into Consumption, or where the nostrils were entirely stopped upor where the poisonous pus had eaten holes into the throat an inch deep, or where the stomach had become ulcerated and raw from swallowing the germ-laden matter, were all permanently cured. Such a rec-ord, unknown to any other remedy, just-ly entitles the Brazilian Balm to the first place in the regard of the American peo-ple, There are 20,000,000 Catarrh victims and countless Asthma sufferers in this country, all of whom can be cured with Brazilian Balm. A \$1.00 bottle of Brazilian Balm contains a month's treatment for catarrh or asthma, and for 6 months we will wrap with each \$1.00 bottle a month's treatment of Toxicola Tablets, Toxicola is the best tonic and nerve and strength builder known to science. This is the greatest offer ever made. Ask our druggist and take no substitute.
