Many persons have their good day and their bad day. Others are about half sick all the time. They have headache, backache, and are restless and nervous. Food does not taste good, and the digestion is poor; the skin is dry and sallow and disfigured with pimples or eruptions; sleep brings no rest and work is a burden.

What is the cause of all this? Impure blood.

It clears out the channels through which poisons are carried from the body. When all impurities are removed from the blood nature takes right hold and completes the cure.

THE WORLD'S END.

cries of Lectures on the Subject by Rev.

Albin. Rev. B. R. Albin, pastor of the Calvary Baptist church, on South Jardin street, has begun a religious campaign of a somewhat vigorous character to prepare the people for the end of the world, or the second coming of Christ. According to the announcement made by the postor, "Signs of the times point to the time of His coming being near, and that the great battle of 'Armageddon' will consibly take place this year of 1899." The congregation in attendance at the first lecture, last evening, comfortably filled the cosy little place of worship of the denomination,

and those who attended were treated to some excellent vocal music of a sacred character by Mr. William Waters and his choir. Rev Albin has an impressive pulpit ap-carance, and his delivery commands attention. As he says himself, the course he has Ricon sets, 6:15. started is not in the nature of sermous, but lectures on the gospel, with the idea of pre paring the people for the momentons epocl which he believes is at hand. As stated is his introductory, Rev. Albin has been a preacher of the gospel for almost 24 years, and for 30 years of that period he has de voted much thought and time to a study o the fulfilliment of the prophecy of the second coming of the Lord Jesus Christ, In fact, ie has lectured and published works bearing ipon the subject during his residence in this country, and in England. He is enthusiastic

on the subject, and his discourse is interest-Although Rev. Albin did not base his lee ture upon a text, he took occasion to read, among others, the following paragraphs from Matthew XXIV as the scripture lesson in the early part of the service:

the early part of the service:

"Verily I say unto you, there shall not be left here one stone upon another, that shall not be thrown down." "Tell us, when shall these things be? And what shall be the sign of Thy coming, and of the end of the world? And Jesus answered and said unto thom, take heed that no man deceive you. For many shall come in my name saying, I am thrist; and shall deceive many. And ye shall hear of wars and rumors of wars; see that ye be not troubled; for all these things must come to pass, but the end wars; see that ye be not troubled; for all these things must come to pass, but the end is not yet. For nation shall rise against nation, and kingdom against kingdom; and there shall be famines, and pestilonces, and earthquakes, in divers places. All those are the beginning of sorrows."

After reiterating his mission to prepare the people for the advent prophesied, Kev. Albin said that two great giants stood in the pathway—ignorance and unbelief, but as David slew Goliath, so would the 31,000 promises of lew Goliath, so would the 31,000 promises of

dew Goliath, so would the 31,000 promises of the gaspel be thrown, as in a sling, against uts until they are slain. This work, he said, has been going on a long time, for the gospel has been translated into every language in use on the face of the globe. The ignorance of the gospel truths, said Rev. Albin, is due to people not reading the Bible for themselves, or because, so to speak, they only read it with one eye. This is, he said, amentably true as to professed christians, good, true christians, and even as to many o the clergy. They fail to realize the full force of the second coming of Christ.

Rev. Albin then urged the congregation to read the Bible during the coming week, from Edwin Durkin, of Ashland, has been ap-inted operator at the P. & R. Mt. Carmel this preparation, the theme of his lectures Gevernor Stone has signed the bill authorizing the construction of side paths along high-vays for bicycles and pedestrians and Miss Margaret Murphy, of Centralia, will sail from New York on Thursday for an extended European tour. extended European tour.

The clergyman then proceeded to treat some of the objections raised against his theory, among them (I) that it has been written that no man, not even the angels in heaven, shall know when the Son of Man cometh. Albin replied that death is the enemy of the human family. Death smites. Christ will

come to claim his followers. As to false prophets, Rev. Albin dismissed the subject with exhortation of the congregation to beware of them, and referred to case he had read of where pretenders had caused deluded people to part with their earthly be-longings under the impression that the pre-tender was the personification of the

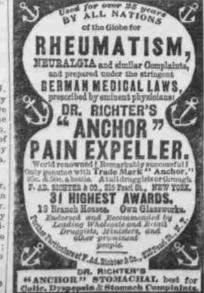

prophesied Savior. In closing his lecture for the evening Rev Albin referred to the turbulent condition of affairs between the foreign nations. Speak ing of the Peace Congress called by the Czar of Russia, he said that this was only in accordance with the holy prophesy that there would be cries of "Peace! Peace!" but said that the Czar was all the while making preparations for war and, at an unexpected moment, there will be a great clash, and Europe will be deluged by blood; then, he
