This is the backing that stands behind every lox of Doan's Kidney Pills, Here is a case of it :

Mr. Matt. Lambert, of 10 East Centre went to Kirlin's Pharmacy and got a box of Doan's Kidney Fills for an attack of lameness in my back. I had never had it before. Accompanying it there was an aching in the top and back of my head and at times pains in the abdomen. I found out it was due to my kidneys for I had much pain over my left kidney and the secretions from those organs were not normal, and caused me both inconvenience and pain. Doan's Kidney Fills proved to be just the thing I needed, for they relieved me at once."

Hetty Greefs Legft Verdict. Chicago, April 28.-Mrs. Hetty Green, the New York multi-millionaire, won her suit in the superior court yesterday against the county collector and James McDonald, the assessor of the town of Lake. Mrs. Green asked that the defendants be restrained from collecting the assessments rendered against her property, and asked that the same be reduced, on the grounds that the assessor had said during his campaign that he would assess the property of the complainant so high that she would either have to improve or sell it. This the court held was cause for action if proven.

One Person Killed and Four Probably Fatally Injured. Omaha, April 28.-A Bee special

Leslie Furne, 10 years old, son of George Furne, was killed and the following injured: George Furne, frightfully bruised, will recover; Mrs. George Furne, back crushed and big splinter driven through thigh, may die; Harry Furne, aged 18; skull crushed, will die; Lewis Larron, hired man on Furne place, skin torn from face and some bones broken, will recover; Arnt Amundson, cut about head, collar bone and one leg broken, will die; Peter Peterson, one leg broken, soalp torn and skull crushed, injuries fatal. The storm was the most severe as

the home of the Furnes. The family had gone to bed, when they were awakened by a terrific noise. The house was raised bodily and dashed to pieces. The boy Leslie was found dend 50 feet away. Everything on the place was wrecked.

The tornado first made its appear-ance at the farm of George Swensen, in Monroe county, and wrecked every-thing. The family escaped by taking to the cellar. The storm then crossed over into Crawford county and destroyed buildings and stock on the farms of Rev. H. J. Hjoreman, Anton Hanson, Arnt Amundson, M. W. Dryden, George Furne and Lumley Peters. Everyting in the path of the storm was wiped off the earth, trees being torn up by the roots and buildings scattered to the four winds of Heaven.
