WEARING GLASSES

You can go contrary to the wishes of your friends and neighbors and sometimes get the best of them; but attempt to go contrary to the dictates of Nature and you always get the worst of it. There is no use to "kick" about wearing glasses. If Nature says spectacles, why spectacles it must be.

The Schools and Politics.

If all reports be true the contest for the County Superintendency is being dragged to the level of slum politics. Liquors, it is alleged, figure prominently in certain localities on certain election days, and, it is said, are being distributed among the penurious directors who demand "all expenses." But is not the distribution of dinner tickets bribery? Should a demand be made for a counting of the directors who have received such "feed checks," before the convention gets down to voting, there might be trouble for somebody.

Railroad Wrecks.

One of the brakes of a loaded coal car on the P. & E. railroad broke while the train was passing the Quakake station yesterday. A wreck followed and several cars were smashed. The train platform was reduced to kindling wood and the tracks were torn up.

While pulling a train of 12 coal cars on the L. V. E. R. into the Morea colliery the two engine ran on to a loaded side track by reason of a misplaced switch. Conductor Jacob and the engineer, of Quakake, narrowly escaped with their lives by jumping from the cab. The engines were slightly damaged. A number of cars were piled up.

Schwidert was successful, but no official report will be made until the Borough Council meets.

Col. Hoffman, of Shamokin, has thus far reorganized three companies of the western battalion. They are Companies D, of Harrisburg; G, of Carlisle, and C, of Chambersburg. The company at the latter place is composed entirely of new men. Col. Hoffman expects to have every company of the battalion reorganized by May 15th.

MOUNTAIN FIRES.

Fan House and Cemetery Fires Near Mahanoy City Suffer.

The mountain fires which have been raging on the mountains surrounding Mahanoy City have done considerable damage. Last evening a large party of men were engaged in fighting fire on the mountain south of the town to protect the barn of John Bowen, a dairyman, and succeeded. The fan house at Park No. 3 colliery was destroyed by fire yesterday afternoon. Portions of the fences surrounding the German Catholic and St. Canisius cemeteries have been destroyed.

Building Material Going Up.

A contractor returning from Williamsport, stated that during the past two weeks building lumber had increased from \$2.30 to \$4.00 per thousand feet. A FEW BARGAINS.

It seems funny to talk of bargains in a store where everything is a bargain. But sometimes we have just a few things to close out to make room for larger and newer stocks. For instance:

OUR LADIES' shoes have been reduced 75 cents to \$1.00 on all grades.

See our stock of ladies' shoes from 90 cents to \$1.25.

OUR MEN'S shoes are a surprise to every buyer. When we say bargains we mean it. And we just have them.

DEATHS AND FUNERALS.

Necrology Reports of This and Other Towns of the County.

S. B. Briscoe, one of the best known citizens of Potville, died at his home there early this morning, aged 55 years. He is survived by a widow, one son and two daughters. His death was very sudden, and while visiting New Philadelphia yesterday afternoon was attacked with vertigo. He sank rapidly after being removed to his home.

The funeral of Mrs. Ann, widow of Edward Williams, will take place at Minersville to-morrow. She was born in Dowling, Wales.

The remains of a six-weeks-old infant of Adolph Kirsch, of Wm. Penn, were interred in the Odd Fellows cemetery yesterday afternoon by Undertakers J. F. Williams & Son.

John, four-year-old son of Jacob Clemens, of Mahanoy City, was buried to-day in the German Catholic cemetery at that place.

May, three-year-old child of Thomas Morgan, of Gilberton, died at eight o'clock this morning. The funeral will take place on Monday afternoon at that place and the remains will be brought here for interment in the Odd Fellows cemetery.

More Cigars Seized.

Revenue Collector Kear seized 10,000 cigars, sold by counterfeiter Jacobs with bogus stamps, to parties near Minersville. They were sent to Philadelphia to-day. Nervous Debility

is often one of the most distressing after-effects of the Grip. It may also be caused by overwork, worry, mental strain or excess of almost any nature. Whatever the cause, a debilitated nervous system means that the nerves lack nutrition. Feed the nerves and life will renew its joys for you.

The best nerve food, and the most valuable tonic (because it both builds up the blood and strengthens the nerves) is Dr. Williams' Pink Pills for Pale People. Hundreds of worn-out, depressed men and women have been made strong-nerved, ambitious, energetic and healthful by this remedy.

Among the well-known men of the newspaper profession is F. J. Lawrence, of 415 Fourth Avenue, Detroit, Mich., who for the past eleven years has been at his desk every day. He says:

"At one time I was in such a condition that my physician said I would have nervous prostration; that I would have to stop newspaper work or I would go to pieces if I persisted in doing it, as I was destroying what nerve force I had left. I lost flesh and had a complication of ailments which baffled skillful physicians. An associate recommended Dr. Williams' Pink Pills for Pale People and I gave them a trial. I can't say that I received any benefit from the first box, but derived very good results from the second. They gave me strength and helped me to 'shut out' nerves so that I could get a full night's rest."

"A great deal of pain in the small of the back is characterized by a derangement of the kidneys. For this complaint Dr. Williams' Pink Pills for Pale People worked wonders. Soon after I began taking them regularly, the pain ceased, and I felt like a new man."

"I am greatly encouraged from the results of using a few boxes and am confident that the pills will work a complete restoration of my former condition."—From Evening News, Detroit, Mich.
