ENOYS OF FILIPINOS!

Return to General Luna With General Otis' Terms.

EXPECTED AT MANILA AGAIN.

It is Believed They Will Be Sent Back With Revised Peace Proposals. Meantime General Otis is Preparing to Push the War if Necessary.

Manila, May 1.—The Filipino emissaries returned to their lines Saturday, their conference with General Otis having proved fruitless. They were given the American terms of peace, unconditional surrender, and went to report to General Luna.

While it is the general expectation among Americans that the Filipinos will return with revised proposals from General Luna, Major General Otis is not letting this prospect interfere with his preparations for pushing the war. On Saturday he ordered Major General Lawton to return to Angat, a few miles northwest of Norzagaray, and not to advance aggressively, while negotiations are pending. General MacArthur is apparently acting on the same policy, but he is repairing bridges and strengthening the lines of his forces, which is stretched out with a four mile front and within a quarter of a mile of the enemy.

The possibilities of peace are gratifying to a great majority of the army. Manila is cheerful over the prospect of a return to normal life, though there are sceptics who remark that a truce would enable the insurgents to rest until the rainy season, upon which they have been depending as an important aid.

The prisoners report that there are 75,000 refugees north of San Fernando. This is not impossible, considering the thickly populated region which the Americans have cleared. It seems also that smallpox is spreading among them.

The so-called Filipino congress meets at San Fernando this afternoon.

When Dean C. Worcester, of the United States Philippines commission, who accompanied the Filipino emissaries from Calumpit, said to Colonel Manuel Arguelles that the Americans were under no obligations to refrain from fighting, the Filipino officer replied:

"Would you fight while we are discussing terms of peace?"

Mr. Worcester responded with the suggestion that an armistice would tie the Filipino leaders time to escape.

"My God, where would we escape to?" the Filipino exclaimed, referring to this to the menacing hostile tribes north of the Philippine lines.

Colonel Arguelles told the press correspondent that he was much disappointed in the results of his mission. He said also that Aguinaldo expected Calumpit to be the cemetery of the American army.

Lieutenant Colonel Wallace, of the First Montana regiment, Major Adams and Major Shields, who slept on Friday night in General Luna's camp, where they went to inform the Filipinos that their envoys would return in safety.

When Colonel Arguelles protested that the Filipino troops removing their hats as the Americans passed, the Filipinos complained to them that the Americans used explosive bullets, which is not the fact. The American officers retorted that the copper shells used by the Filipinos are worse than explosive bullets. General Luna said he regretted being obliged to kill Americans, but that was his business.

General Wheaton entertained Colonel Arguelles and Lieutenant Jose Berna and provided them with horses to return to their camp.

In the course of the conference Jacob C. Schurman, chairman of the United States Philippines commission, told Colonel Arguelles that if the insurgents would lay down their arms he and his colleagues of the commission would consult them regarding the plan of re-organization. He said he could not promise that all their suggestions would be adopted, but he could assure them that there would be a presumption in favor of their suggestions, adding that the commissioners would be especially desirous of satisfying the legitimate aspirations of the Filipinos.

When Colonel Arguelles protested that unconditional surrender would be humiliation, Mr. Schurman replied: "There would be no humiliation in General Otis treating our brother Filipinos as General Grant treated our brother Americans at Appomattox."

Mr. Schurman said yesterday to the correspondent: "I believe Colonel Arguelles is personally sincere and honest, though I have no means of ascertaining the sentiments and aims of the authorities behind him. The Filipino people, like other Asiatic peoples, have no trust in mere words, without force behind them, but, with force, I consider a conciliatory spirit of the utmost importance."

"I believe that, when peace has been established, governing the Filipinos will not be a difficult matter, provided we show them firmness, justice and kindness. At the present they distrust and dislike us, but these sentiments, which are perhaps not unnatural, will soon be dispelled by the effects of the good government we have promised to establish here. It will be the foremost duty of American officials to understand and sympathize with the Filipinos themselves."

Before General Otis had issued the order directing General Lawton to return to Angat the troops of his command encountered the rebels in a circle of hills outside San Juan, about five miles northwest of Angat, dislodging them after an hours' fighting. A thousand armed Filipinos fell back as the Americans advanced.

The villagers sent General Lawton offering him provisions. They dare not flee into the mountain country on the east, because of the robber tribes there, and on the west are the troops of General MacArthur.

Messrs. Carrick and Holmes, Americans, who had been running a sugar

mill at Calumpit and whose rate had caused some anxiety, have sent word to Manila that they are safe with Mr. Higgins, manager of the Manila-Dagupan railroad at Beyonhang.

WM. PENN.

Mrs. Frederick Price, of Girardville, visited her mother, Mrs. William Jones, yesterday. The latter is very ill from an attack of rheumatism.

The Senior Epworth League is busily engaged in rehearsing a special program that will be rendered at its anniversary to be held the second Sunday in May.

The funeral of Blanche, a four-year-old daughter of Mr. and Mrs. William Nixon, took place yesterday afternoon. Services were conducted at the home. The infant class of the M. E. church attended the funeral in a body and sang several selections. Interment was in the Odd Fellows' cemetery, Shenandoah. The parents extend their sincere thanks to the many friends who rendered them any assistance during their bereavement.

Wm. Penn colliery remained idle to-day, in commemoration of Dewey Day.

At a meeting of the Senior Epworth League held last evening, resolutions of regret were extended to Miss Jean Glover, who is about to depart from here and remove to Leesport. Her solo "Jesus Lover of My Soul" was finely rendered.

Shooting Matches.
The trotting park was the scene of two shooting matches Saturday afternoon, which attracted a large gathering of well-known sports from the surrounding towns.

The first was between John Canfield and William Bismarck for \$50 a side. The latter won, killing 4 out of 6 birds in his opponent's 3. The second match was between Hugh Sweeney, of Lost Creek, and Patrick Toole, of Wm. Penn, for \$75 a side, was a tie, each man killing 6 birds out of 7. This match was spirited from start to finish, and created no end of enthusiasm. Another match between both men for increased stakes will be arranged.

"Umbrellas recovered while you wait," at 16 South Main St., Brum's new location.

The Burglar Identified.
The Scranton Truth is authoritative for the statement that "John Sannon," the burglar shot and almost mortally wounded at Peckville, is regaining strength rapidly since the operation and will recover. The Truth says detectives have learned that the man's real name is John Scanlan, that he was born in Shenandoah, and that his sister and relatives now reside at Philadelphia. It is not believed that he was concerned in the Corcoran murder but was implicated in several lesser outrages in the vicinity of Duryea. It is said four others now in jail at Scranton, are from this town.

Orkin's jewelry store will remove to No. 7 South Main street on May 1st. Next door to Goldie's Mammoth Clothing House.

COURT AT POTTSVILLE

Decisions Handed Down by the Judges This Morning.

THE CRIMINAL COURT OPENS!

Several Pleas of Guilty Entered and Sentences Imposed. A Plea From the County Almshouse. The Institution is Overcrowded.

Rulings in Civil Cases.

Pottsville, May 1.—Judges Bechtel and Marr occupied the bench this morning at the opening of the criminal court, and each handed down several decisions before proceeding with the calendar arranged for to-day. Subsequently Judge Bechtel heard motions in No. 2 court room and Judge Marr charged the Grand Jury in room No. 1.

MERCHANTS SENTENCED.
The first important case considered was that of Julius Philip and George Kolb, merchants of Tamaqua, convicted of selling oleomargarine for butter. Judge Lyon, of Jonkhs county, had written out the sentence and forwarded it by mail to Judge Bechtel. The sentence is the lowest that could be imposed. It was that the defendants pay a fine of \$50 each, the costs, and all the expenses of inspecting and analyzing the oleomargarine, to be paid to the dairy and food commissioner, and to be paid by him into the state treasury. The jury had recommended mercy in the case.

MR. JONES THREATENED.
A. W. Schalk, Esq., complained that the defendant in the suit of Manbeck against Jones, North Union township, had failed to open the highway in dispute as directed by the court. George J. Wadlinger, Esq., said his client, Mr. Jones, had assured him that the road was open. Judge Bechtel said that, if the road is not cleared by next Monday, he will be compelled to put Jones in jail for contempt of court.

DISMISSED BY COURT.
John F. Whalen, Esq., filed the petition of Thomas Dabson, asking that the judgment obtained against him by the Columbia Brewing Company of Shenandoah, be stricken off the record, on the ground that he never signed the bond as agent, but that Patrick McGarry had signed Devlin's name to it without his authority. Mr. Whalen presented an affidavit by McGarry, admitting this state of facts. It was also stated that Edward Purcell would also testify to their truth. Two weeks hence was fixed for a hearing in the case.

ALMHOUSE OVERFLOWING.
W. F. Shephard, Esq., counsel for the Poor Directors of Schuylkill county, stated to the court the county asylum at Schuylkill Haven is so crowded that it is necessary to put cots in corridors to accommodate the patients, and that the Poor Directors are unable to receive two patients who have been committed from the jail. They have, however, been notified by Dr. Orth, superintendent of the Harrisburg asylum, that there are berths there for the two patients. Mr. Shephard asked leave to forward the patients. Judge Bechtel said he would consider the matter and give Mr. Shephard an opportunity for consultation later.

BIKEWAY PATHS WANTED.
A petition signed by 38 owners of bicycles was presented to court, asking for the appointment of three commissioners to construct and maintain by-paths in the townships under the law passed by the late Legislature. A. L. Laubenstein, of Ashland, was suggested to represent the north of the mountain district on the commission.

THE BURCHILL ACCOUNTING.
The court fixed June 5th to hear argument in the case of Marshall and others vs. Charles Burchill. This is a suit for an accounting on the part of Burchill for rents collected in connection with the estate of the late Ralph Oliver.

DISTRIBUTION BY TRUSTEES.
Nicholas Heilich, Esq., asked that Messrs. Conroy, Brown and Stuchlik, liquidating trustees of the Shenandoah Feed and Lumber Company, of Shenandoah, be authorized to pay the stockholders the balance in bank amounting to \$4,028.40. M. M. Burke, Esq., attorney for the trustees, made no objection to the arrangement. Mr. Heilich also gave notice that he would file exceptions to some parts of the distribution, notably relating to the 39 per cent. commission allowed the trustees, and especially that claimed on the money in bank and for obtaining judgments and other items.

THE TAX BOND CASE.
The case in connection with the 1895 tax bond of Michael J. Scamler, of Shenandoah, was not argued to-day, the judges being too busy in criminal court.

ASSESSOR APPOINTED.
Judge Bechtel announced that he received a letter informing him that another application for the appointment of a Registry Assessor at Ellipsogon would be presented. He asked if any such petition was in court. No answer being made, he appointed John J. Reilly, whose petition, presented last Monday, contained sixty names.

BONDS APPROVED.
The following bonds were presented and approved: A. B. Miller, Justice of the Peace, Ryan township; C. W. Evans, Justice of the Peace, St. Clair; Gotlieb Burkert, committee of John Moyer; Benjamin A. Filbert, Justice of the Peace, North Manheim township; A. E. Frederick, Justice of the Peace, Auburn; C. F. Goss, Justice of the Peace, Schuylkill Haven.

DIVORCE CASES.
Argument continued in the case of Greenough vs. Greenough. Alias subpoena asked in the case of Theodore vs. Bertha Pauline. Order of publication asked in Albert vs. Emma Miller. S. G. M. Holloper, Esq., asked that Charles C. Matten, be appointed examiner in the case of Kelley vs. Kelley. A subpoena, returnable in July, was asked for in the suit of Cora vs. William Gamber and Henry vs. Lucy Gottschall. William F. Lyons was appointed examiner in the case of Kaitis vs. William A. Farley. William Fournett was appointed examiner in the case of Ulrich vs. Ulrich, under the Act of 1899. A libel for divorce was asked by Charles F. vs. Ida M. Kuecer.

MISDO NOTED.
Judgment affirmed in George F. Leitza vs. Patrick McNeill. Motion for a writ of Habeas Corpus granted to St. Vincent Lithuanian Society of Girardville.

Hornaby vs. Leutz, Lilly & Co., change of record refused.

Andrew Alexensis vs. St. George's Society
